BANKER and MERCHANT
 for Three Generations

In Constant Use in Nearly All Banks!

FOR 54 years the Blue Book—the RAND M^CNALLY Bankers Directory—has been the leading bank directory of the world and today is used constantly in more banks than all other similar publications.

RAND M^CNALLY BANKERS DIRECTORY

Is the Official Numbering Agent for The American Bankers Association. Is honestly revised twice a year and is the most accurate and carefully edited publication of its kind.

Is always the first Bank Directory on the market and is published nearer to the date of the information it contains than any other similar publication.

Is printed in tabulated form, all similar items being placed in the same column, for the purpose of quick compar-

ison—impossible if the book is printed in the cheaper way like a novel. Has a paid bank circulation larger than the paid bank circulation of all other Bank

Directories combined.

Has the largest paid bank circulation of any publication in America, of whatever kind, and this circulation is increasing every year.

“A reliable Book published by a Responsible House.” Do Not be Deceived, Others are NOT “Just as Good.”
