THE RAND McNALLY Bankers Directory gives you the cold, definite facts concerning any bank. It gives them to you in the absence of the influence of any personality. It gives you a complete check on the standing of any bank you have in mind. It shows you at a glance prevailing conditions; the prosperity of any community as reflected in the bank's figures.

Official Numbering Agent,
American Bankers Association

Among the banks of America the name RAND McNALLY stands for over fifty-four years of service and experience. Our prestige gives us access to unlimited sources of information. That is why the RAND McNALLY Bankers Directory is the most complete and most accurate bankers' directory ever published. That is why it is accepted by all bankers as the standard book of banking reference.

Unfailingly recorded on your map —great changes, small changes alike

Rand McNally Auto Road Maps are America's most popular road guides. Each map covers one or more states showing all auto roads, markings, type of pavement, mileage, etc. There are lists of cities and towns giving population figures. The maps are folded into pocket size booklets which contain city maps, lists of hotels and garages, motor laws and a wealth of other valuable information. Obtainable at leading booksellers', stationers', drug stores and news stands—35c each

Constantly the world changes its face!

We are conscious of it most when there are tremendous happenings. The Great War altered the political boundaries of half a dozen nations at a time.

Of the little changes that are always taking place, however—averaging hundreds daily in the United States alone—we are hardly aware.

They seem insignificant in themselves. On maps representing large areas they are perceptible only with their accumulation through decades, even centuries.

Yet for those who depend upon maps for definite information, it is essential that these changes be recorded as soon as possible.

So Rand McNally & Company must make more than 191,000 changes a year to keep its maps reliable.

In Rand McNally Auto Road Maps,

for example, each new marking of highways, each change in type of pavement, the opening of a shorter, better route—these things must be recorded to make a safe, unfailing guide for the motorist.

In the Rand McNally Commercial Atlas and business map systems, the growth and shifting of population and industry must be clearly indicated from year to year.

In Rand McNally Indexed Pocket Maps close account must be taken of every change in cities and towns, railway and interurban routes, postoffices and telegraph stations. Changes are shown in banking towns, prepaid freight stations and express stations.

Rand McNally Maps, Globes and Atlases are always scientific, accurate, up to date. Obtainable at leading booksellers' and stationers' or direct.

No Matter the Question— *here is the answer*

The Rand McNally Bank Publications

The RAND McNALLY Bankers Directory, among other things, contains a compendium of commercial law. Shortened to the necessities of banking, tabulated clearly, and intelligently, its carefully compiled information will prove invaluable in helping settle legal problems in any business.

Nothing has been left undone to make the RAND McNALLY BANKERS DIRECTORY as nearly perfect as experience, continual vigilance, a world-wide organization, time and money can make it. As a result, this directory today is the *standard* book of reference. There are RAND McNALLY Banking Publications to supply every banking need. Through fifty-four years of useful service they have established a world-wide reputation for accuracy and timeliness.

The Blue Book is published in March and September. Let us tell you more about it. Write us!

To Our Forwarders

When you send a claim for collection to one of our bonded attorneys, always tell him you do so because he is a "Rand-McNally" Attorney. This helps you, helps us, and helps him. Use a coupon filled out properly, or say in your letter you took his name from the Blue Book.

Thanks!

Gentlemen: We were under the impression that we had ordered your book; but when it came it was not. The agent told us it was the old "Blue Book."

This is a sample of many letters the RAND McNALLY Bankers Directory receives, indicating that orders have been taken for other books when the purchaser *wanted* the RAND McNALLY Book.

Be sure and see that you are dealing with a RAND McNALLY salesman when placing your order. Do not be misled by any statement that any one other than RAND McNALLY can furnish you the old reliable BLUE BOOK, which has been published by us for over fifty-four years.

When you want a directory you want an up-to-date, accurate book and that's what you get when buying the RAND McNALLY Bankers Directory. Complete, accurate, reliable in every way and published by a reliable house.

It is the most complete and the most accurate bankers directory published. It is honestly revised twice every year at the expense of thousands of dollars.

It is published promptly after the revisions are completed and delivered to purchasers at a time when it will prove of most value to them.

It is printed in tabulated form with all similar items in the same column for the purpose of comparison and is carefully "thumb-indexed" to increase convenience in use.

It is excellently printed in clear, legible type on high quality paper and substantially bound in heavy cloth.

You get more information and valuable facts regarding Banks—Capital, Surplus, Deposits, Bond Holdings, Loans, etc.—Bank Officials, Bank Directors, Bonded Attorneys, than in any other publication. The facts desired can be found in the shortest time and with the least possible trouble.

You get an accurate list of Bank Officials including Presidents, Vice-Presidents, Cashiers, Assistant Cashiers, Treasurers and Directors.

The RAND McNALLY Bankers Directory contains maps of all states, principal cities of the United States, and all foreign countries.

The latest census is shown for all towns and cities.

The Blue Book gives reliable synopses of state commercial laws and similar data.

January information is delivered March 15, July information September 15. We publish just enough books to meet the demand of orders received prior to publication. Better enter your order today.

"The Laborer is Worthy of His Hire"

THE "Fee in Advance" System, inaugurated ten years ago by the BANKERS DIRECTORY, is one of the most appreciated innovations in the bank field as it assures profitable co-operation between the bankers and the Directory.

To our advertisers the card below is furnished free:

We acknowledge with thanks receipt of your { Draft
Request for Credit Report } on _____

Believing that the "laborer is worthy of his hire" and that you do not want something for nothing, we respectfully call your attention to the following rule of this bank which we are spending considerable money to announce through the great national forwarding medium—the Rand-McNally Bankers Directory and List of Attorneys.

"COLLECTIONS AND REQUESTS FOR RATING will have our prompt and careful attention, PROVIDED same are accompanied by the following fee IN ADVANCE:

Collections	15 cts. each
Requests for Rating, minimum fee	25 cts. each

This rule does not apply to Drafts with Bills of Lading attached, or to Notes."

Fees accompanying collections will be credited as part of regular exchange charge on collections made. In complying with request for rating, all statements will be made upon information which this bank believes to be reliable, but further than that it assumes no liability whatever.

Upon receipt of fee, this business will be handled promptly.

Date _____

W. K. Bowman, Sec., The Kansas Bankers Association, says:

"The handling of collections is an incident of the banking business and while oftentimes a source of profit, it becomes quite as frequently unprofitable in that so great a number of sight drafts received for collection are received, entered, presented and returned unpaid either for a good reason, an indifferent reason or no reason at all, notwithstanding the bank has performed all its duties as promptly and as skilfully as if the item had been paid. The bank is out its time, labor and return postage. The loss from this source greatly diminishes the net profit on the volume of collections actually made.

"The Rand McNally Company, publishers of one of the leading, if not in fact the leading bank directory, offers a suggestion worthy of consideration. This valuable publication circulates not only among the banks of the country, but has a wide and ever increasing circulation among the jobbers and wholesale institutions. The suggestion is that country banks quite generally insert in connection with the bank's name as it appears in the directory, a line very briefly setting out the minimum fee which the bank will require as a condition for handling sight draft collections, inviting the business on that basis. While this would not prevent all unprofitable business being sent to the bank, it would tend to largely reduce it. It would, moreover, enable the jobbers and wholesalers to choose the more intelligently in routing collections. No better medium could be selected to test this experiment than the Rand McNally Directory which is not only a leader, but enjoys the distinction of having been designated the official numbering agent for the American Bankers Association."

Get Your Credit Report from the Banker—Use the Blue Book whenever you want a report on anyone anywhere. Find the town, select one of the Banks advertising, write your letter, enclose the fee 25c or 50c, mail the letter and your part is done—the Bank will do the rest. These Banks advertising in the Rand McNally Directory specialize in this service. They are prompt, intelligent and efficient.
