THE MERCHANTS IS THE BANK IN MOBILE

HOW BIG IS ANY BANK?

THIS Directory shows the money size of every bank in the United States.

Certain banks are big in service and readiness to serve, in addition to their size in money. One good test of this kind of bigness is "Do they advertise in the Bankers Directory?"

A. S. Pratt & Sons, Inc.—Specialists in Government Bonds
WASHINGTON, D. C.
See Back of Washington, D. C. Map

DIG into the Blue Book whenever you want a report on any one anywhere. Find the town, select one of the Banks advertising, write your letter, enclose the fee 25c or 50c, mail the letter and your part is done—the Bank will do the rest. These Banks advertising in the Rand McNally Directory specialize in this service. They are prompt, intelligent and efficient.

ALWAYS ENCLOSE THE FEE IN ADVANCE!

THE thousands of banks advertising in this publication do not advertise in order to grow and become prosperous.

They advertise in the BLUE BOOK because they are already growing and already prosperous.

Such are the type of banks you wish to entrust with your business.

To pick out the growing and prosperous bank in any average city is very easy for the user of a Blue Book.

Which is the best bank in Lemars, Iowa to entrust with a collection?

Which bank in Belleville, Illinois shall I select to act in a trust capacity?

At which banks in New York City will my account be welcome, appreciated and deserved?

THE thousands of banks advertising in this publication do not advertise in order to grow and become prosperous.

They advertise in the BLUE BOOK because they are already growing and already prosperous.

Such are the type of banks you wish to entrust with your business.

To pick out the growing and prosperous bank in any average city is very easy for the user of a Blue Book.

Which is the best bank in Lemars, Iowa to entrust with a collection?

Which bank in Belleville, Illinois shall I select to act in a trust capacity?

At which banks in New York City will my account be welcome, appreciated and deserved?

SECURITY-FIRST NATIONAL BANK OF LOS ANGELES

MORE THAN 700,000 DEPOSITORS

Formed by the Consolidation of Security Trust & Savings Bank and Los Angeles-First National Trust & Savings Bank—two of the oldest and largest Banks in Southern California—effected March 30, 1929.

SPEED With a 24-hour Transit System, rapid messenger service between our Head Office and Branches, we offer to other Banks an unequalled service for the collection and return of items sent us. Air Mail has shortened the time across the United States and up and down the Pacific Coast. Security-First National transit service makes this the logical Pacific Coast banking connection for banks appreciating the importance of quick collections and returns.

SERVICE Bankers whose customers are coming to Southern California for an extended stay or to remain here permanently can render them a distinct service by introducing them to Security-First National Bank. We have unusually complete facilities for taking care of the needs of strangers, providing them with maps and informative literature and dependable information regarding the industrial, commercial and agricultural interests of the large territory over which the Bank's operations extend.

COMPLETE This is a complete Bank, operating under National Charter, and conducts Commercial and Savings Banking, with a large and completely appointed Trust Department.

FACTS On Directory Advertising

UNLESS you advertise in the BLUE BOOK, you are running counter to the judgment of NINE OUT OF TEN of the American banks and Investment Bankers who advertise in bank directories.

TWO OUT OF THREE of such banks and investment bankers set the example of using the BLUE BOOK exclusively and treating any other bank directory advertising as useless duplication.

These are not claims but *facts*. No research is necessary to check them—simply compare the BLUE BOOK with its nearest competitor. You'll find as follows:

EXCLUSIVE ADVERTISERS

	The 50 Reserve Cities	All Other Cities	Total
Banks and Investment Bankers Advertising Exclusively in BLUE BOOK	1,124	3,578	4,702
Banks and Investment Bankers Advertising Exclusively in nearest competitor	481	591	1,072
Difference in favor of BLUE BOOK	643	2,987	3,630

ALL ADVERTISERS

Total Banks and Investment Bankers Advertising in BLUE BOOK	1,835	4,771	6,606
Total Banks and Investment Bankers Advertising in nearest competitor	1,192	1,784	2,976
Difference in favor of BLUE BOOK	643	2,987	3,630

In Exact Percentages

86% of those banks and investment bankers in the United States which buy bank directory advertising, advertise with the Rand McNally Bankers Directory.

61% of the banks and investment bankers in the United States which buy bank directory advertising, advertise *exclusively* in the Bankers Directory.

Note Especially the BLUE BOOK'S Dominating Position *outside* Metropolitan centers.

World Wide Banking Information In Your BLUE BOOK

Your BLUE BOOK lists the banks not only in the U. S. and Canada but throughout the world. It is not simply an American bank directory. It is replete with international banking facts and figures.

It has an authoritative compilation of banks in all sections of the globe. Not only that. The Foreign Banks Section of your BLUE BOOK gives the statement of condition of important foreign banks together with a complete list of principal officers and correspondents.

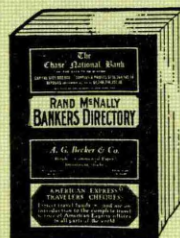

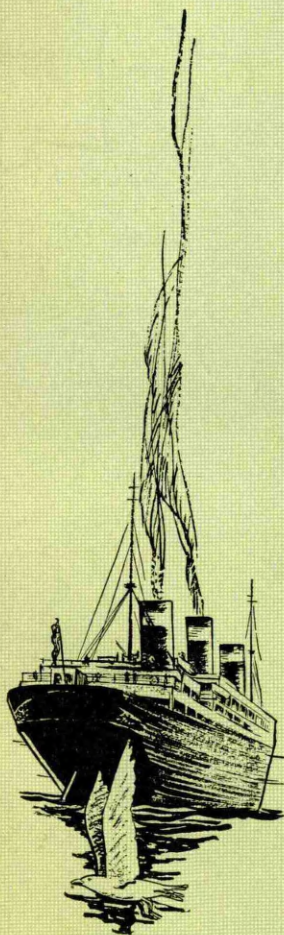

Your BLUE BOOK also has a table showing the latest values of foreign coins computed by Seymour Lowman, Acting Secretary of the Treasury.

It contains a table showing the cardinal numbers and various commercial terms in ten languages.

Rates for postage or parcel post to any country on the globe are also given in your BLUE BOOK.

As an added help, the Foreign Banks Section contains up-to-date maps of Europe, Africa, Asia, England, Mexico, South America, Alaska, Philippine Islands and West Indies.

Have every officer and department in your bank use the BLUE BOOK *exclusively*—and order sufficient copies to save steps and delays. The BLUE BOOK works for less than 60 cents a week. The men who need it daily cost a good deal more.

Are Your Out-Of-Town Legal Matters Handled By Bank Attorneys?

YOU will get the same service on legal matters in other cities that you do in your own if you use BLUE BOOK attorneys *exclusively*. For every attorney listed comes to us through the voluntary recommendation of his local banker who has first hand knowledge of that attorney's integrity and ability.

In most cases, the attorney recommended is the bank's own attorney. In all cases, the attorney is recommended because he is competent and reliable, and because he has demonstrated efficiency in handling bank work.

At the right are samples of the attorneys and law firms listed in the BLUE BOOK. These were picked at random to show the character of our Bank Recommended Attorneys.

We invite anyone having a competent confidential attorney rating book to examine the character of our list. It will be found *at least* as high as any in the country.

The BLUE BOOK with its valuable list of Bank Recommended Attorneys should be on the desk of every bank executive.

The cost of BLUE BOOK service is less than 60c a week. The list of Bank Recommended Attorneys alone is worth that to you, yet it is only 4% of the vital information your BLUE BOOK contains.

Any bank officer is too highly paid an executive to be without such assistance constantly at his command.
