THE BANKS

AND THE

GOVERNMENT

IN the first part of this Directory you will find all State bank officers and examiners, all National Bank examiners, complete personnel of the Federal Reserve Board and of the Federal Reserve banks, dates of comptroller's calls for the past forty years. Make full use of this personal and statistical information.

CAUSE AND EFFECT

EVERY year for more than half a century, has seen more bankers advertising in this Directory until, with negligible exceptions, every progressive financial institution in the country is using this medium to inform bankers, business men, and financiers in other cities of its progress, its personnel, its departmental services and its readiness for additional business.

Banks do not grow because they advertise in the Directory. They advertise in the Directory because they are equipped for growing.

Is Your Bank's Horizon World Wide?

The customers you care the most about keeping are the very ones who would be most interested in seeing international banking services offered by your bank: the manufacturer interested in establishing world markets; the importer who helps settle international debts; the inexperienced or the seasoned globe-trotter—they all look to you for *international* information.

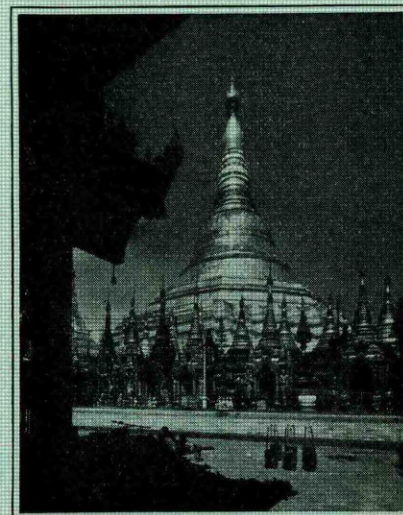

Their accounts are valuable. And, with a BLUE Book at your elbow, you are fully equipped to extend your bank's service throughout the world.

The Foreign Banks Section of your BLUE BOOK contains a complete and accurate list of all banks in the world. It shows the statement of condition of the chief foreign banks, together with officers and principal correspondents.

The BLUE BOOK also contains a table of postal and parcel post rates to any section of the globe. It gives a list of common commercial terms in ten languages.

Your BLUE BOOK contains maps of Europe, Asia, Africa, England, Philippine Islands, South America, Mexico, West Indies and Alaska.

Every officer who serves depositors likely to need foreign banking service should have a BLUE BOOK—an up-to-date copy—for his personal use.

London

Correspondent Banks

Nearly a century's accumulated experience and conservative progress have qualified the Westminster Bank to offer its characteristic services as a London correspondent to foreign and colonial business establishments. It functions through a system of over a thousand of its own branches in England and representation in every banking town in the world, and is amply equipped (as are the Paris and Brussels offices of the Westminster Foreign Bank) for specialized service in credits, collections, exchange, and all the ramifications of modern banking. Banks or merchant bankers wishing to establish a

London connexion are invited to communicate with the Manager

BANK SUPPLIES

KEEPING up customer service and keeping down unnecessary operating costs—this is, perhaps, the most acute problem of today in bank operation. It demands of the purchasing executive a wide acquaintance with sources of dependable and economical bank supplies. The best is generally the cheapest in the long run. You can broaden your market for quality products by studying the supply announcements in this Directory.

THE BANKERS MONTHLY has supplanted all other publications of a similar nature in my reading, as, in my opinion, it is the best in the field. I commend your publications to anyone interested in keeping abreast of new developments in the field of finance.

Vice President
Deposits \$27,000,000

THE BANKERS MONTHLY is, in my opinion, one of the best magazines relating to banking published. Each issue is looked forward to with interest. We have gathered many valuable ideas from the Monthly worth many times the subscription price.

President
Deposits \$400,000

I give THE BANKERS MONTHLY more attention than any other of the banking periodicals which reach my desk.

Vice President
Deposits \$608,000,000

I never miss thoroughly reading every issue of THE BANKERS MONTHLY and I am in a position to state that your magazine is carefully read by several of my associate officers. Your feature articles, dealing with the financial and operating management of banks are unsurpassed, in my opinion, in that field and the other departments are always well written.

Vice President
Deposits \$374,000,000

Since I have been reading THE BANKERS MONTHLY I can safely say that I find every issue of it very interesting. It has practical and instructive reading matter and should be of interest to every good banker, particularly to the one who is constantly seeking to improve his general knowledge so he can better serve his bank.

Accordingly, I strongly recommend THE BANKERS MONTHLY to every member of the profession.

Branch Manager
Deposits \$120,000,000

I have been a subscriber to THE BANKERS MONTHLY for several years and always await its arrival with much interest. I have my first copy to read in which I did not receive a direct benefit from some of the articles written. I think everyone in banking should avail himself of this opportunity, wherever possible.

Assistant Cashier
Deposits \$67,000,000

I want to assure you that for purely selfish reasons I read THE BANKERS MONTHLY regularly and thoroughly, for it always contains material that is beneficial to the proper management and operation of banking institutions.

Vice President
Deposits \$49,000,000

If I had to tell in less than ten words why I always read each issue of THE BANKERS MONTHLY, I'd say: "THE BANKERS MONTHLY tells how something has been accomplished."

We are all surfeited with rambling articles on vague theories which might possibly have some merit if we could find out how to apply them to our business, but THE BANKERS MONTHLY gets down to cases and cites some one's specific experiences so that we can easily gauge its adaptability to our problems.

Read It? Who wouldn't?
More power to you!

Vice President
Deposits \$45,000,000

Names and Banks are omitted simply to save space. We have permission to send you any one or all of them on request.

* * *

I read THE BANKERS MONTHLY regularly because it is one of the best, if not the best magazine that comes to my desk. Ever since I started in the banking business in June 1903 I have found it advisable to read various banking journals and I have yet to pick up a number of THE BANKERS MONTHLY without finding at least one valuable constructive article.

President
Deposits \$11,000,000

In my opinion THE BANKERS MONTHLY is the most helpful magazine in the banking field, giving as it does practical, worth while suggestions and plans. No banker can help but profit from reading this magazine.

Director of Public Relations
Deposits \$34,000,000

I want to offer a few voluntary commendations on your publication for the good work you are doing. THE BANKERS MONTHLY is one publication that I look forward to receiving and take it home with me for reading the first night it comes.

I may be a bit prejudiced in your behalf but it seems to me that you discuss in your pages more items of greater pertinent and current interest to banks and bankers than any banking publication in the national field.

Business Development Dept.
Deposits \$74,000,000

I have found THE BANKERS MONTHLY both entertaining and instructive and the ideas which I have obtained from reading the magazine have been worth many times the subscription price.

Cashier
Deposits \$1,000,000

All officers of the First National receive THE BANKERS MONTHLY at their homes, and each issue is a welcomed visitor. I, personally derive a great deal of benefit from the articles and can assure you that it would be very unprofitable not to receive the magazine regularly.

THE BANKERS MONTHLY may or may not be helpful to you. The probability that it will prove a worth while investment to you is so strong that we are willing to stand the expense of proving which it is in your case.

Within one year you probably will write us a letter such as these reproduced here. You cannot lose by accepting our offer. It's your move! Write to Bankers Monthly, 536 S. Clark St., Chicago.
