The One Decisive Fact

OF all bank directories THE BANKERS DIRECTORY stands first in Prestige, Circulation, Advertising. It has held banker confidence by honestly revising every page of every edition for the past 61 years. These decades of uninterrupted confidence have built for THE BANKERS DIRECTORY a circulation larger than those of all similar publications *combined*.

And the Two Biggest Figures In Directory Advertising

85% Bank advertising men, recognizing this preëminent circulation, concentrate their directory advertising in THE BANKERS DIRECTORY. 85% of all banks advertising in any directory, use space in the Rand McNally Bankers Blue Book.

63% Two out of three advertise exclusively in THE BANKERS DIRECTORY. They reach, at lowest cost, 95% of all bank directory subscribers. For further facts, write Bank Advertising Headquarters—Rand McNally & Company, 536 S. Clark St., Chicago.

HOW BIG IS ANY BANK?

THIS Directory shows the money size of every bank in the United States.

Certain banks are big in service and readiness to serve, in addition to their size in money. One good test of this kind of bigness is "Do they advertise in the Bankers Directory?"

SIXTY-SEVEN YEARS of intimate contact with the banking, commercial, industrial and agricultural development of Houston's Trade Territory enables us to render a valuable service to those who favor us with their business.

Send us your domestic and foreign collections for prompt and efficient handling.

THE FIRST NATIONAL BANK OF HOUSTON

ESTABLISHED 1866

The valuable "indirect publicity" obtained
by the banks advertising in THE
RAND McNALLY BANKERS BLUE BOOK
actually costs the banks NOTHING

THE BANKERS DIRECTORY is used by thousands of Commercial Houses, Security Dealers, Lawyers and Banks to send their business directly to these advertisers, with the results that the advertising banks actually make in profits on the Bill of Lading Drafts, Notes, Collections, etc., etc., sent to them more than they pay for the space itself—the resultant unequaled Prestige, "Indirect Publicity" actually costing nothing.

For 61 years, America's leading Financial Institutions, *Country Banks*, as well as Reserve City Banks, have advertised regularly and consistently in the Blue Book and the number of advertisers increases each year.

Your Bank should be prominently displayed and "stand out" among the banks of your city in the Blue Book. Your prospective customers outside of your own locality must necessarily judge and form their opinion of your bank by the way you "show up" in the Blue Book. They naturally do not know you personally or are able to see your

attractive Banking Room and Building, which things attract your local patronage.

No obligation on your part if you write us today about "Bold-Faced Type" for your bank in the next edition of the Blue Book. Neither is it necessary to subscribe to the Book in order to advertise in same.

WHO'S WHO?

IN banking, more than in any other business, personality is the controlling factor. Banking plants are very much alike. Banking practices are pretty well standardized. One check is very much like another. All \$10.00 bills are essentially the same. The difference between banks is the difference between bankers. The more you know about the officers and directors of a bank, the more distinctive and useful information you have about the bank itself. All this information appears in the pages of this Directory. Study it before you write and before you travel. Use it to inform your associates, to develop your subordinates, to widen the horizon of your business

The One Decisive Fact

OF all bank directories THE BANKERS DIRECTORY stands first in Prestige, Circulation, Advertising. It has held banker confidence by honestly revising every page of every edition for the past 61 years. These decades of uninterrupted confidence have built for THE BANKERS DIRECTORY a circulation larger than those of all similar publications *combined*.

And the Two Biggest Figures In Directory Advertising

85% Bank advertising men, recognizing this preëminent circulation, concentrate their directory advertising in THE BANKERS DIRECTORY. 85% of all banks advertising in any directory, use space in the Rand McNally Bankers Blue Book.

63% Two out of three advertise exclusively in THE BANKERS DIRECTORY. They reach, at lowest cost, 95% of all bank directory subscribers. For further facts, write Bank Advertising Headquarters—Rand McNally & Company, 536 S. Clark St., Chicago.

9 out of 10

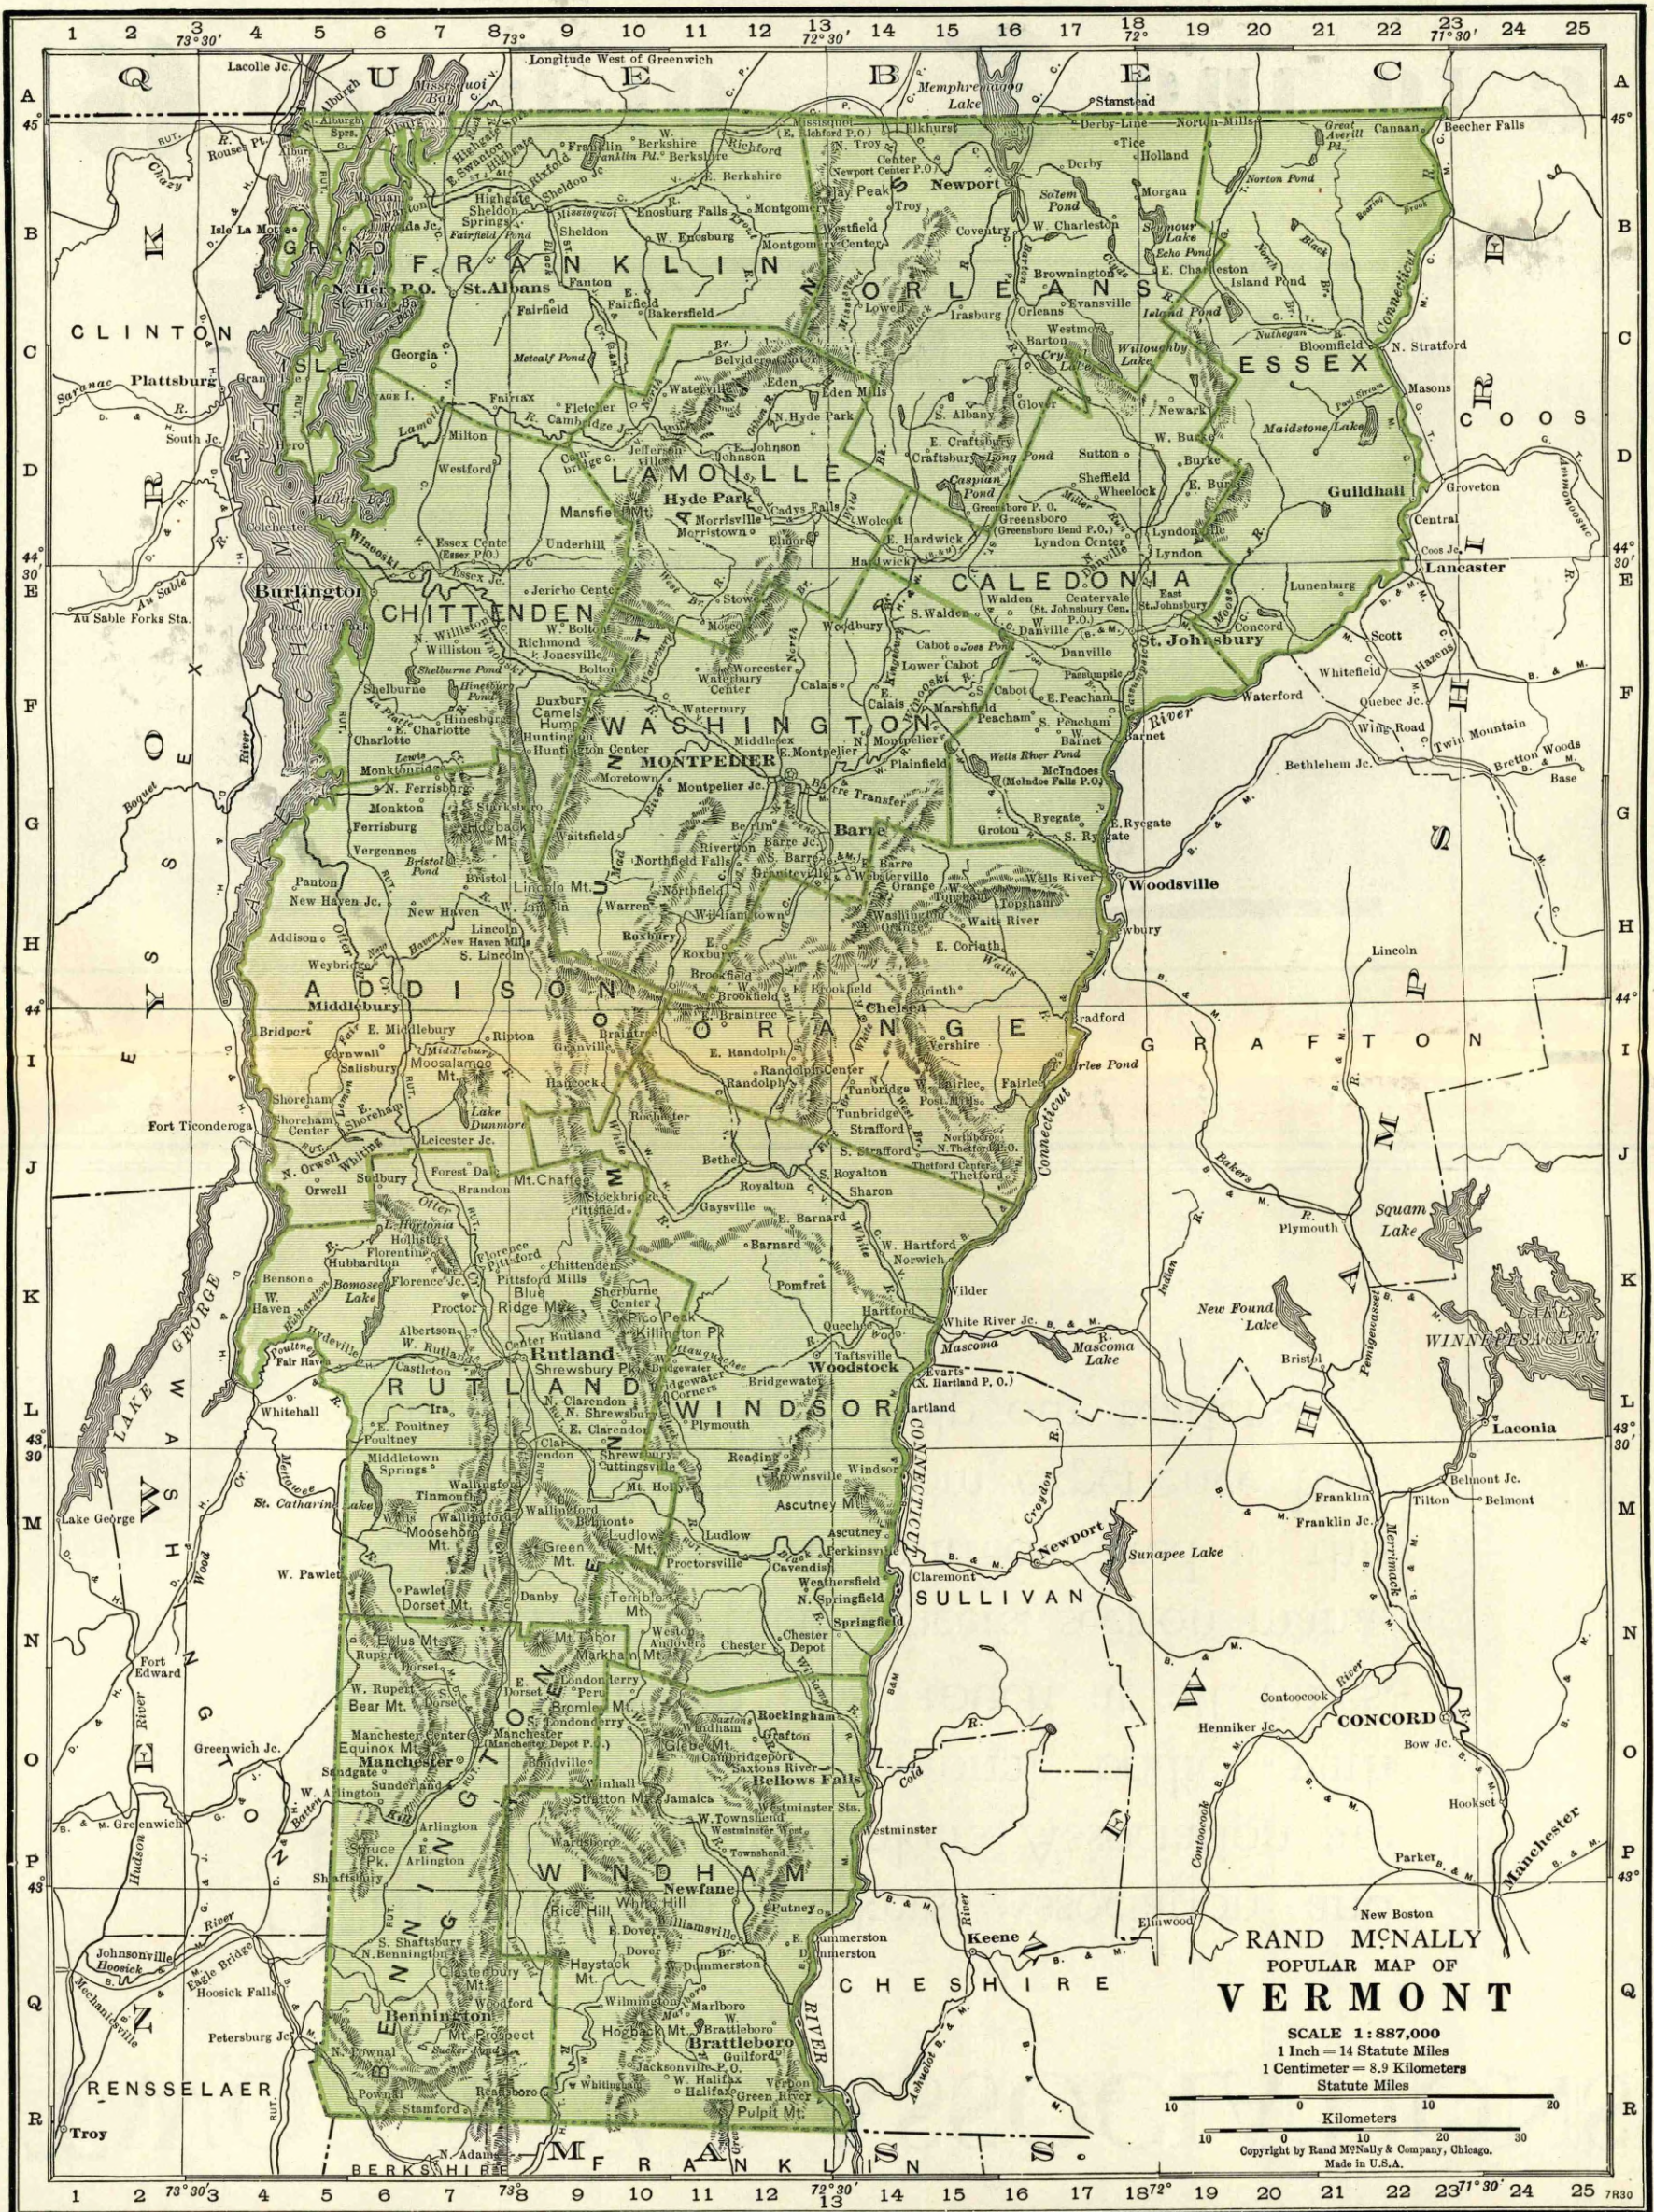

NINE OUT OF TEN of the American Banks and Investment Houses which advertise in any bank directory, advertise in the Rand McNally BANKERS DIRECTORY. Why such preference? Probably because THE BANKERS DIRECTORY has more subscribers than all other similar publications *combined*.

2 out of 3

TWO OUT OF THREE of these banks and investment houses advertise *exclusively* in THE BANKERS DIRECTORY. By concentrating they enjoy more satisfactory results, at considerable saving. * * * Before you sign any directory contract, make sure it is for the Rand McNally BANKERS DIRECTORY (BLUE BOOK)

*This attorney is competent and reliable
and I recommend him to the
bankers of America*

A directory of attorneys . . . one for each county in the United States . . . and every attorney recommended by a banker.

The only basis for these banker recommendations is satisfactory performance. These attorneys are actually handling bank matters with firmness, discretion and dispatch. Nearly every mail brings a number of enthusiastic letters from bankers who use this directory of Bank Recommended Attorneys regularly and often.

If you are not using Bank Recommended Attorneys, you are not experiencing the legal service it is possible for a banker to enjoy. And the directory of Bank Recommended Attorneys is right at your elbow . . . it's a valuable part of your BANKERS DIRECTORY (BLUE BOOK).

Use this attorney directory for your out-of-town legal business.

¶ It is the duty of every bank officer to use time efficiently.

¶ See that you have a BLUE BOOK always at your elbow. It will more than pay its costs by saving your time—to say nothing of increasing your efficiency.

¶ In your daily work, remember—if *what you want to know has anything to do with banking, you will find it in the BANKERS DIRECTORY.*

Number under Name of Bank is the New Transit Number given to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.

THE NUMERICAL SYSTEM

THE A.B.A. NUMERICAL SYSTEM has been of definite value to business and banking in the United States and we are proud of our part in that system as official numbering agents of American Bankers Association. Each bank listed in this Directory has its transit number shown next to its name.

The entire system is explained and mapped in the first part of the Directory.

We devote a special publication to this numerical system which lists by numbers and by banks and your bank should have a copy of the latest number. Write for the Key to the Numerical System, A. B. A., Volume XIV, Published September 15, 1932. Price \$2.50.

its nearest competitor has
subscribers.

**Ten
Indices that
Produce Business**

1 Your name in large type
assures you of consideration
when any of our thousands
of subscribers have business
to transact in your city.

2 The names of your officers
in bold face letters signify your
belief that your executive staff
is thoroughly trained and com-
petent to handle any matters.

3 Your statement in heavy
type, underlined, allows quick,
easy comparison of your state-
ment with others in your city.

4 Strong correspondent rela-
tions should be stressed and
emphasized by heavy type.

5 Every Directory user is
interested in your *up-to-date*
report—and your readiness to
display it.

6 Your policies are strong
factors with other banks, man-
ufacturers, etc.

7 A definite statement of the
business you want means
more of that kind of business.

8 Forwarders tell us that our
advertising banks give more
prompt and careful attention.

9 Age, coupled with aggres-
siveness, is a compelling evi-
dence of your ability to render
banking service.

10 Big forwarders are big
advertisers, they naturally
prefer advertising banks.

HAVE a talk with the Blue
Book man in charge of your ter-
ritory. He is in daily touch with
your regional opportunities and
has Rand McNally national bank-
ing acquaintanceship at his
fingers ends.

The First Wisconsin

and Milwaukee have grown big together

Milwaukee was a seven-year-old city of 20,000 souls when the Farmers' and Millers' Bank . . . now the First Wisconsin . . . was founded in 1853. Today . . . with a population of 570,000 . . . Milwaukee stands out as a thriving industrial center. And today, this bank . . . Wisconsin's largest . . . serves 2 out of 3 Milwaukee families and more than three-fourths of the banks in the state.

FIND the town, select one of the advertising banks, write your letter, enclose the fee 25c or 50c, mail the letter and your part is done—the bank will do the rest. I say “advertising banks” because those banks specialize in this service. You can depend upon their being prompt, intelligent and efficient. Always enclose the fee in advance, as you expect them to do with us.

FIND the town, select one of the advertising banks, write your letter, enclose the fee 25c or 50c, mail the letter and your part is done—the bank will do the rest. I say “advertising banks” because those banks specialize in this service. You can depend upon their being prompt, intelligent and efficient. Always enclose the fee in advance, as you expect them to do with us.
