Ten Indices that Produce Business

1 Your name in large type
assures you of consideration
when any of our thousands
of subscribers have business
to transact in your city.

2 The names of your officers
in bold face letters signify your
belief that your executive staff
is thoroughly trained and com-
petent to handle any matters.

3 Your statement in heavy
type, underlined, allows quick,
easy comparison of your state-
ment with others in your city.

4 Strong correspondent rela-
tions should be stressed and
emphasized by heavy type.

5 Every Directory user is
interested in your *up-to-date*
report—and your readiness to
display it.

6 Your policies are strong
factors with other banks, man-
ufacturers, etc.

7 A definite statement of the
business you want means
more of that kind of business.

8 Forwarders tell us that our
advertising banks give more
prompt and careful attention.

9 Age, coupled with aggres-
siveness, is a compelling evi-
dence of your ability to render
banking service.

10 Big forwarders are big
advertisers, they naturally
prefer advertising banks.

HAVE a talk with the Blue
Book man in charge of your ter-
ritory. He is in daily touch with
your regional opportunities and
has Rand McNally national bank-
ing acquaintanceship at his
fingers ends.

A complete list of American banks listed alphabetically by states and cities, and cross-indexed by transit numbers, \$2.50.

Supplements of transit changes over previous editions are furnished free to each Key Book subscriber.

This book saves more than it costs

YOU can't side-step transit costs. But you *can* cut them to the "irreducible minimum" with the American Bankers Association KEY Book.

Practically any question in regard to recording and sending items is answered by quick reference to the new KEY Book. Blurred endorsements and checks without transit numbers are handled with no bother at all. Changes in titles, mergers and closed banks are located and verified in a few seconds. Transit letter writing is reduced to copying two numbers only.

If you now spend just 30 minutes a day entering and sending transit items, you will find that a new A. B. A. KEY Book will more than pay for itself.

The 1933 KEY TO NUMERICAL SYSTEM OF THE AMERICAN BANKERS ASSOCIATION containing well over 5,000 changes since the last edition, was published June 10, 1933. An up-to-date edition is absolutely essential to the efficient operation of the transit department of any bank, large or small.

American Bankers Association

issues this book to

Help You Cut Costs

If you want to enjoy bed rock transit costs, you must first have a good operational system ... then an accurate check list of transit numbers.

The American Bankers Association publishes a book which enables clerks to look up any transit number by bank name, and *vice versa*.

This book also permits the writing of transit letters by listing the drawee and en-

dorser by number instead of by name. This system—

Saves money by reducing clerical time.

Eliminates misunderstandings and inconveniences.

Saves time in filing, finding and handling while being checked.

All of these savings are yours for only \$2.50. The 1933 edition was published June 10th. A copy will be mailed postpaid upon receipt of your order.

BANK ATTORNEYS

Y

OUR BLUE BOOK contains the most select, the highest-class law list published today. Every attorney is listed because he has been recommended by his local banker as competent, reliable and thoroughly seasoned in bank work. Refer *your* collections and other legal business only to Bank Recommended Attorneys. Then, you may be sure of complete satisfaction.

Because of the high character of The Blue Book's Bank Recommended Attorneys, several thousand commercial firms use no other list in their credit work. Some of *your* commercial customers would be definitely helped by your suggestion that they do the same.

A copy of the Rand McNally list of Bank Recommended Attorneys, bound separately, will be sent free of charge to any of your customers you indicate. Send the names to Rand McNally & Company, 536 S. Clark Street, Chicago, Ill.

This New Feature

Doubles Your Blue Book's Usefulness!

YOUR BLUE BOOK now makes it possible for you to find in one separate section a complete geographical listing of all Bank titles changed or discontinued within the past 5 years.

In this new section you can trace any Bank title which has been changed or discontinued as a result of Merger, Consolidation, Absorption, or Suspension and find the exact year of change, the old title, and the new one, if any.

Always a necessary part of any Bank's operating equipment, your BLUE BOOK is now doubly useful to you.

These are not claims but facts. No research is necessary to check them. Simply compare THE BANKERS DIRECTORY with its nearest competitor.

83%

BY ACTUAL count, 83% of the American Banks and Investment Houses which advertise in any bank directory, advertise in THE BANKERS DIRECTORY. * * * Such outstanding popularity must have a reason. * * * Perhaps it is the fact that THE BANKERS DIRECTORY is the oldest and best known of such publications; therefore, carries greater Pres-

tige. Perhaps it is because 61 years of honestly revising every page of every edition has given bankers more confidence in THE BANKERS DIRECTORY; therefore, has powerful Reader Influence. Probably it is because of the fact that THE BANKERS DIRECTORY has more subscribers than all other similar publications combined.

58%

ALL THREE reasons explain why 58% of all American Banks and Investment Houses which advertise in any bank directory, advertise *exclusively* in THE BANKERS DIRECTORY, treating all similar media as expensive, unnecessary duplication. * * * Expensive because other directories have similar rates but cover only one-third as many subscribers, or less. Unnecessary because an advertisement in THE BANKERS DIRECTORY

reaches 95% of all directory subscribers. * * * Keep these facts in mind. When you need a new directory, buy THE BANKERS DIRECTORY and be sure that you have the most up-to-date, most inclusive, handiest volume obtainable. And when you buy directory advertising, insist on THE BANKERS DIRECTORY to insure complete coverage at a minimum of expense.

Your listing is your bank

TENS of thousands of bank and commercial executives know your bank by your Blue Book listing only.

Every day thousands of bank officers use their Blue Book in sending out requests for credit reports, estate settlements, real estate transactions and bill of lading drafts. Several thousand commercial executives use the same directory for sight drafts, credit reports and the selection of territorial depositories.

If you want this business, you must say so in your directory listing. "Business goes where it is invited."

A truly representative listing will pay for itself many times over.

The most important factors for you to consider in bank directory advertising are circulation and prestige. The Blue Book enjoys a larger circulation than all similar publications *combined*. Based on circulation, its advertising rates are only one-third those of the nearest competitor.

Look over the Blue Book and notice how other banks tell their story. Pick out one which would be representative of your bank. Decide what copy changes should be made. Then expect to be surprised at how little such a listing will cost. We will gladly give you this information with no obligation whatsoever.

It is hardly a coincidence that 85% of all directory advertisers use space in the Blue Book, and that 63% advertise only in the Blue Book.
