The One Decisive Fact

OF ALL bank directories THE BANKERS DIRECTORY stands first in Prestige, Circulation, Advertising. It has held banker confidence by honestly revising every page of every edition for the past 61 years. These decades of uninterrupted confidence have built for THE BANKERS DIRECTORY a circulation larger than those of all similar publications *combined*.

And the Two Biggest Figures In Directory Advertising

87% Bank advertising men, recognizing this preëminent circulation, concentrate their directory advertising in THE BANKERS DIRECTORY. 87% of all banks advertising in any directory, use space in the Rand McNally Bankers Blue Book.

60% Three out of five advertise exclusively in THE BANKERS DIRECTORY. They reach, at lowest cost, 95% of all bank directory subscribers. For further facts, write Bank Advertising Headquarters—Rand McNally & Company, 536 S. Clark St., Chicago.

**FIRST NATIONAL BANK
IN HOUSTON**

The valuable "indirect publicity" obtained
by the banks advertising in THE
RAND McNALLY BANKERS BLUE BOOK
actually costs the banks NOTHING

THE BANKERS DIRECTORY is used by thousands of Commercial Houses, Security Dealers, Lawyers and Banks to send their business directly to these advertisers, with the results that the advertising banks actually make in profits on the Bill of Lading Drafts, Notes, Collections, etc., etc., sent to them more than they pay for the space itself—the resultant unequaled Prestige, "Indirect Publicity" actually costing nothing.

For 61 years, America's leading Financial Institutions, *Country Banks*, as well as Reserve City Banks, have advertised regularly and consistently in the Blue Book and the number of advertisers increases each year.

Your Bank should be prominently displayed and "stand out" among the banks of your city in the Blue Book. Your prospective customers outside of your own locality must necessarily judge and form their opinion of your bank by the way you "show up" in the Blue Book. They naturally do not know you personally or are able to see your

attractive Banking Room and Building, which things attract your local patronage.

No obligation on your part if you write us today about "Bold-Faced Type" for your bank in the next edition of the Blue Book. Neither is it necessary to subscribe to the Book in order to advertise in same.

These are not claims but facts. No research is necessary to check them. Simply compare THE BANKERS DIRECTORY with its nearest competitor.

83%

BY ACTUAL count, 83% of the American Banks and Investment Houses which advertise in any bank directory, advertise in THE BANKERS DIRECTORY. » » » Such outstanding popularity must have a reason. » » » Perhaps it is the fact that THE BANKERS DIRECTORY is the oldest and best known of such publications; therefore, carries greater Pres-

tige. Perhaps it is because 61 years of honestly revising every page of every edition has given bankers more confidence in THE BANKERS DIRECTORY; therefore, has powerful Reader Influence. Probably it is because of the fact that THE BANKERS DIRECTORY has more subscribers than all other similar publications combined.

58%

ALL THREE reasons explain why 58% of all American Banks and Investment Houses which advertise in any bank directory, advertise *exclusively* in THE BANKERS DIRECTORY, treating all similar media as expensive, unnecessary duplication. » » » Expensive because other directories have similar rates but cover only one-third as many subscribers, or less. Unnecessary because an advertisement in THE BANKERS DIRECTORY

reaches 95% of all directory subscribers. » » » Keep these facts in mind. When you need a new directory, buy THE BANKERS DIRECTORY and be sure that you have the most up-to-date, most inclusive, handiest volume obtainable. And when you buy directory advertising, insist on THE BANKERS DIRECTORY to insure complete coverage at a minimum of expense.

REFERS TO ANY BANK IN UTAH

OLDEST BROKERAGE HOUSE IN UTAH

35 Years Under Same Management

These are not claims but facts. No research is necessary to check them. Simply compare THE BANKERS DIRECTORY with its nearest competitor.

83%

BY ACTUAL count, 83% of the American Banks and Investment Houses which advertise in any bank directory, advertise in THE BANKERS DIRECTORY. * * * Such outstanding popularity must have a reason. * * * Perhaps it is the fact that THE BANKERS DIRECTORY is the oldest and best known of such publications; therefore, carries greater Pres-

tige. Perhaps it is because 61 years of honestly revising every page of every edition has given bankers more confidence in THE BANKERS DIRECTORY; therefore, has powerful Reader Influence. Probably it is because of the fact that THE BANKERS DIRECTORY has more subscribers than all other similar publications combined.

58%

ALL THREE reasons explain why 58% of all American Banks and Investment Houses which advertise in any bank directory, advertise *exclusively* in THE BANKERS DIRECTORY, treating all similar media as expensive, unnecessary duplication. * * * Expensive because other directories have similar rates but cover only one-third as many subscribers, or less. Unnecessary because an advertisement in THE BANKERS DIRECTORY

reaches 95% of all directory subscribers. * * * Keep these facts in mind. When you need a new directory, buy THE BANKERS DIRECTORY and be sure that you have the most up-to-date, most inclusive, handiest volume obtainable. And when you buy directory advertising, insist on THE BANKERS DIRECTORY to insure complete coverage at a minimum of expense.

5 out of 6

FIVE OUT OF SIX of the American Banks and Investment Houses which advertise in any bank directory, advertise in the Rand M^cNally BANKERS DIRECTORY. Why such preference? Probably because THE BANKERS DIRECTORY has more subscribers than all other similar publications *combined*.

3 out of 5

THREE OUT OF FIVE of these banks and investment houses advertise *exclusively* in THE BANKERS DIRECTORY. By concentrating they enjoy more satisfactory results, at considerable saving. * * * Before you sign any directory contract, make sure it is for the Rand M^cNally BANKERS DIRECTORY (BLUE BOOK).

*This attorney is competent and reliable
and I recommend him to the
bankers of America*

A directory of attorneys...one for each county in the United States...and every attorney recommended by a banker.

The only basis for these banker recommendations is satisfactory performance. These attorneys are actually handling bank matters with firmness, discretion and dispatch. Nearly every mail brings a number of enthusiastic letters from bankers who use this directory of Bank Recommended Attorneys regularly and often.

If you are not using Bank Recommended Attorneys, you are not experiencing the legal service it is possible for a banker to enjoy. And the directory of Bank Recommended Attorneys is right at your elbow...it's a valuable part of your BANKERS DIRECTORY (BLUE BOOK).

Use this attorney directory for your out-of-town legal business.

☞ It is the duty of every bank officer to use time efficiently.

☞ See that you have a BLUE BOOK always at your elbow. It will more than pay its costs by saving your time—to say nothing of increasing your efficiency.

☞ In your daily work, remember—if *what you want to know has anything to do with banking, you will find it in the BANKERS DIRECTORY.*

FIND the town, select one of the advertising banks, write your letter, enclose the fee 25c or 50c, mail the letter and your part is done—the bank will do the rest. I say “advertising banks” because those banks specialize in this service. You can depend upon their being prompt, intelligent and efficient. Always enclose the fee in advance, as you expect them to do with us.

This New Feature

Makes Your Blue Book Doubly Useful

YOUR Blue Book makes it possible for you to find in one separate section a complete geographical listing of All Bank Titles changed or discontinued within the past five years.

In this NEW section you can trace any Bank Title which has been changed or discontinued as a result of Merger, Consolidation, Absorption, or Suspension and find the exact year of the change with the new title, if any.

Always a necessary part of any Bank's operating equipment, now your Blue Book is doubly useful.

FIND the town, select one of the advertising banks, write your letter, enclose the fee 25c or 50c, mail the letter and your part is done—the bank will do the rest. I say “advertising banks” because those banks specialize in this service. You can depend upon their being prompt, intelligent and efficient. Always enclose the fee in advance, as you expect them to do with us.
