

Thousands of Dollars...

FOR increased speed and facility of reading, you will find the latest statements of all United States banks shown in this and subsequent editions of your Blue Book in thousands of dollars only.

Thus, a bank with \$200,000 capital is shown as \$200, one with \$1,421,118 in deposits is shown as \$1,421.

Complete New Columnar Style

Eleven columns of figures in this edition replace eight in former ones. This new style, more costly to the publisher, but more valuable to the user, gives you three new columns of figures on every bank in the United States.

Important New Figures

Surplus and undivided profits are now divided into two columns, "Surplus" and "Undivided Profits and/or Reserves." Bond and investments are also broken down into two columns, "U. S. Government Securities" and "Other Securities."

Totals at a Glance

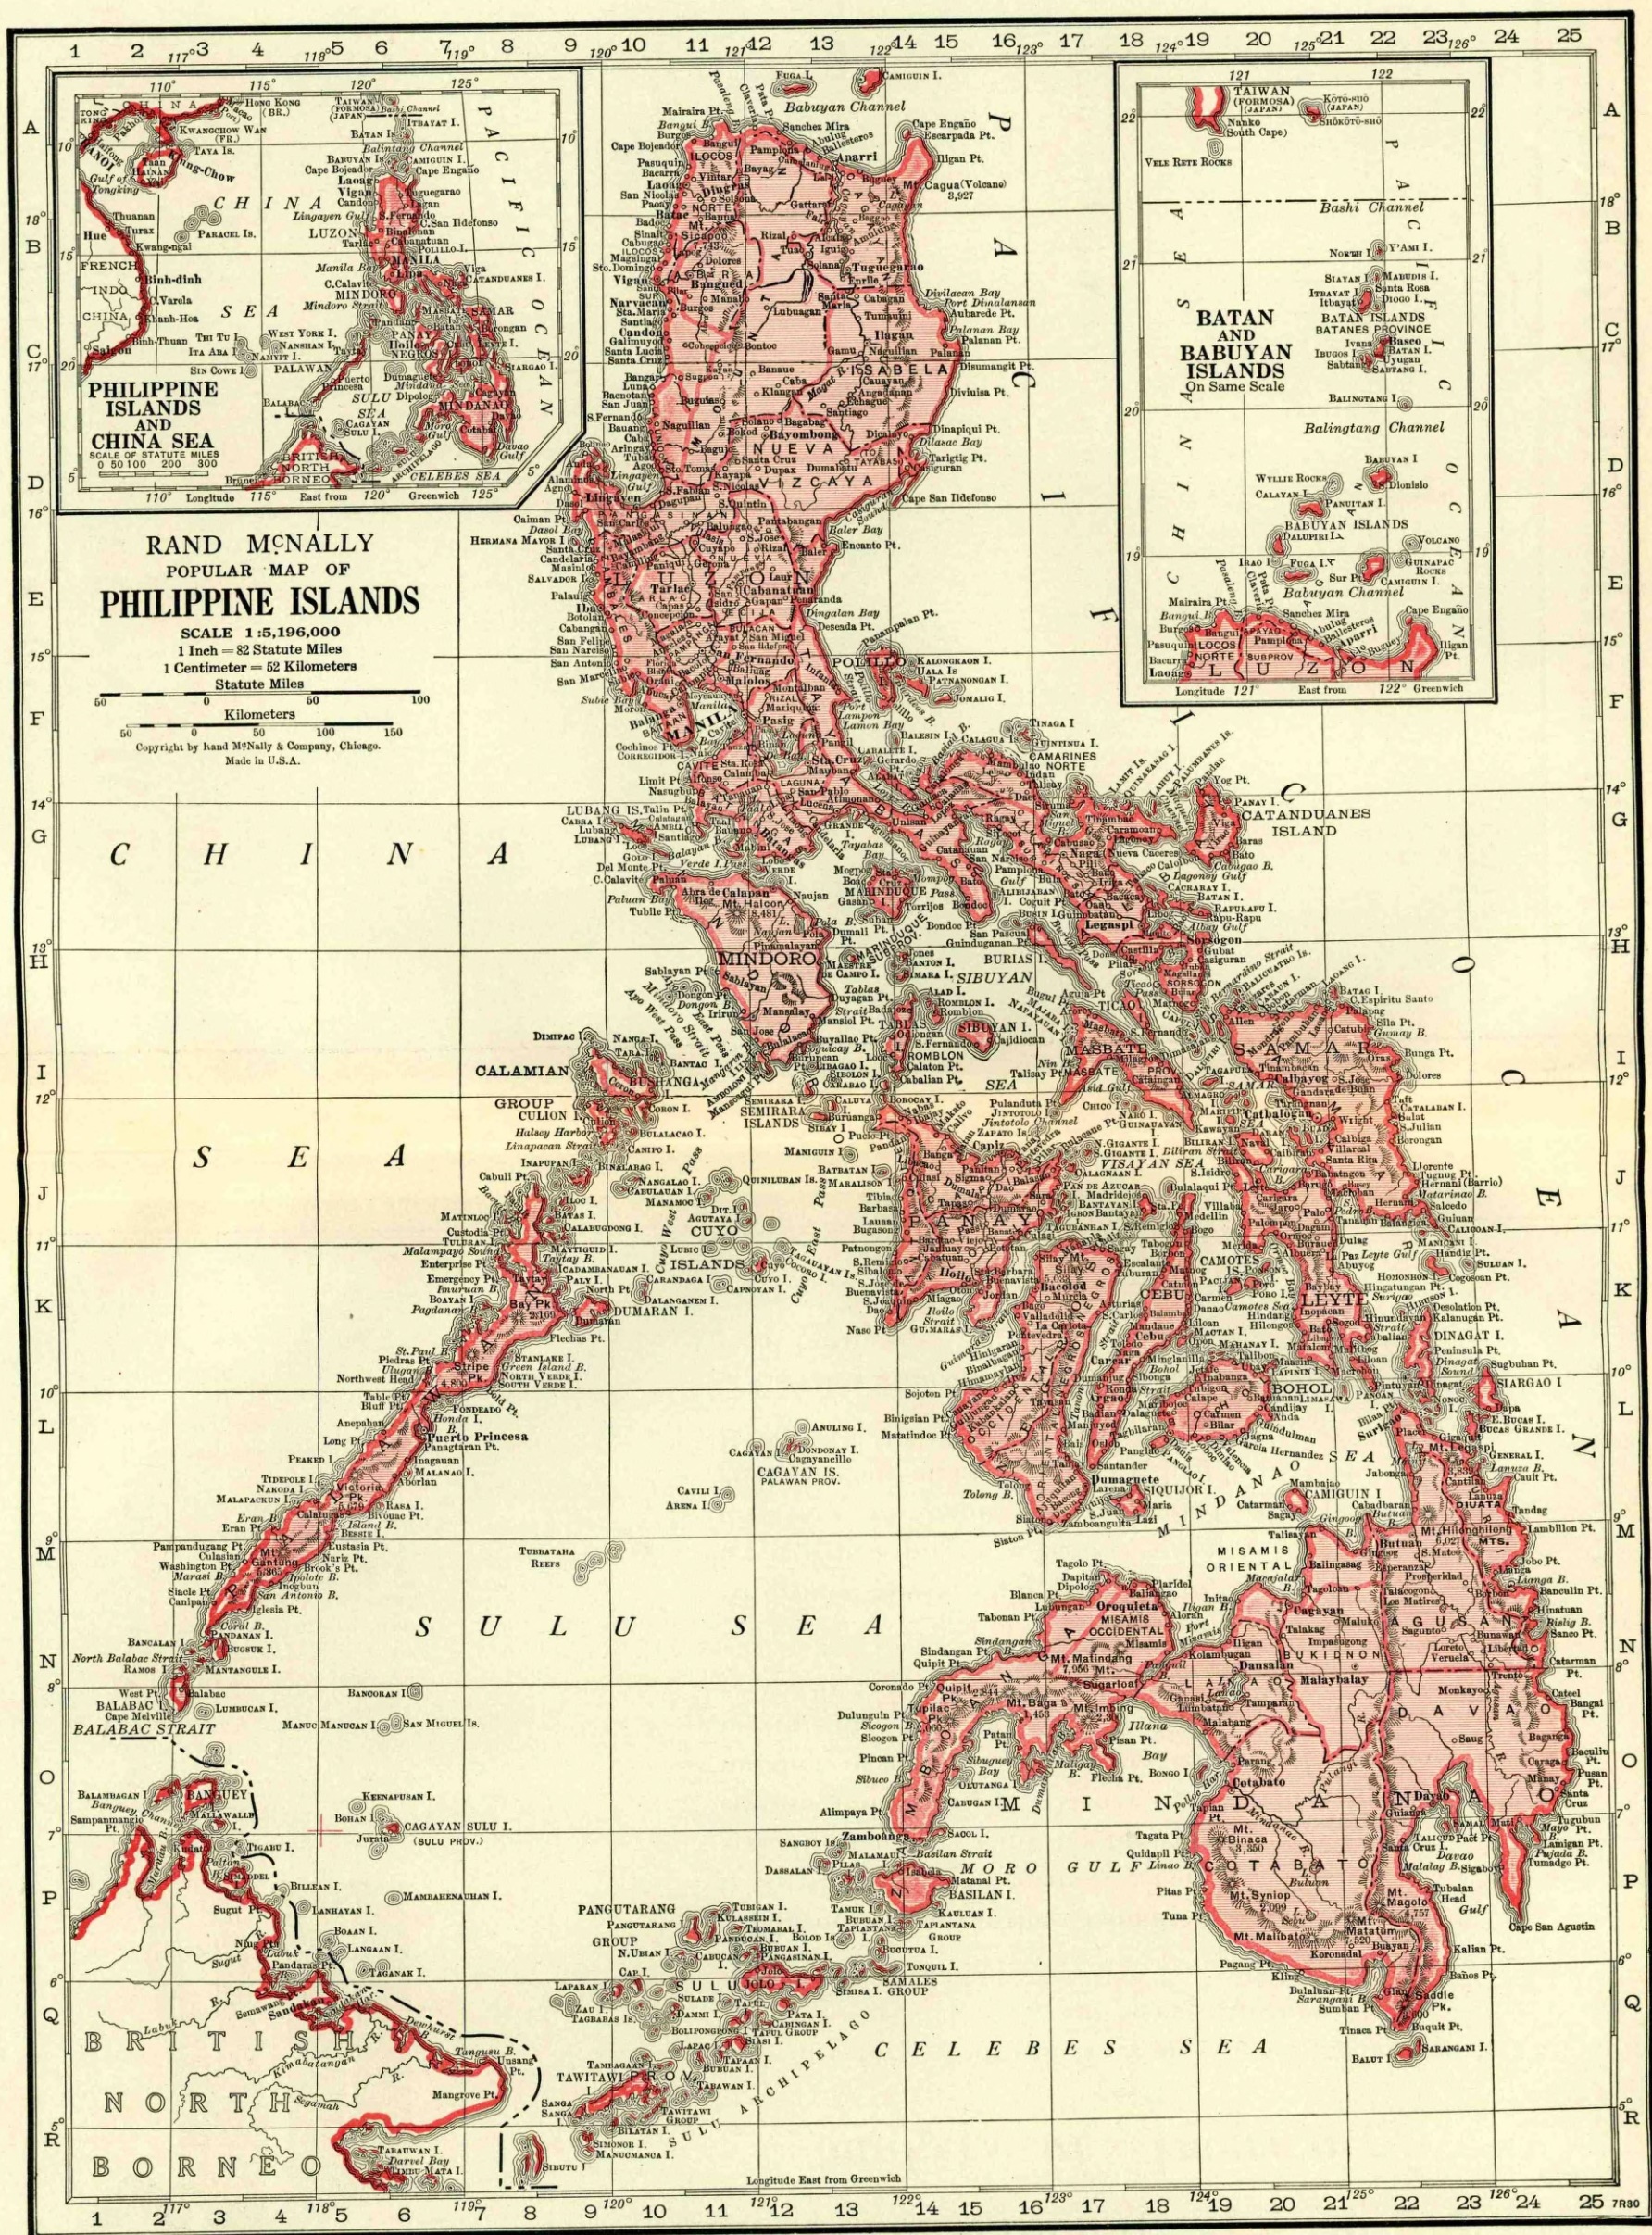

A "Totals" column separating the liabilities from the resources enables you to tell at a glance the combined resources or liabilities of any bank in the country. No other directory embodies this feature.

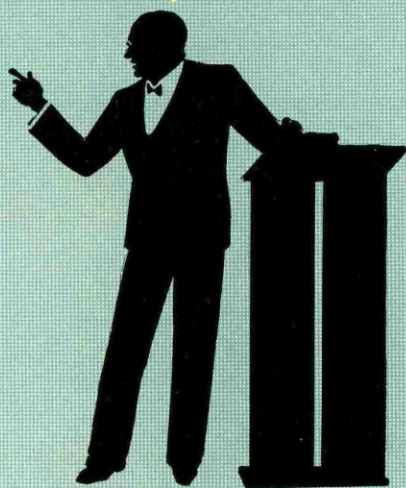

• • •

With these four major advances your Blue Book emphasizes its position as "America's Standard Financial Reference."

RAND McNALLY BANKERS DIRECTORY
Standard the World Over

USDcp.

This attorney is competent and reliable and I recommend him to the bankers of America

A directory of attorneys ... one for each county in the United States ... and every attorney recommended by a banker.

The only basis for these banker recommendations is satisfactory performance. These attorneys are actually handling bank matters with firmness, discretion and dispatch. Nearly every mail brings a number of enthusiastic letters from bankers who use this directory of Bank Recommended Attorneys regularly and often.

If you are not using Bank Recommended Attorneys, you are not experiencing the legal service it is possible for a banker to enjoy. And the directory of Bank Recommended Attorneys is right at your elbow ... it's a valuable part of your BANKERS DIRECTORY (BLUE BOOK).

Use this attorney directory for your out-of-town legal business.

☛ It is the duty of every bank officer to use time efficiently.

☛ See that you have a BLUE BOOK always at your elbow. It will more than pay its costs by saving your time—to say nothing of increasing your efficiency.

☛ In your daily work, remember—if what you want to know has anything to do with banking, you will find it in the BANKERS DIRECTORY.

ROBERT V. FLEMING
PRESIDENT

GEORGE O. VASS
VICE PRESIDENT AND CASHIER

Acknowledging the receipt of your letter of April 2nd, I am delighted to know that you approve of one of my advertising policies, and that is, to use the Bankers Directory in liberal doses. I am very much pleased with this new contract and believe it is money well invested.

I appreciate the kind expressions in your letter, and remain, with cordial regards,

Very truly yours,

GOV/EL

Vice President and Cashier.

This letter is in response to thanks we sent Mr. Vass for practically doubling his Blue Book business.

THE Rand McNally BANKERS DIRECTORY has more *advertisers* than its nearest competitor has *subscribers*. It has more *subscribers* than all other similar publications combined.

The BANKERS DIRECTORY (BLUE BOOK) has the most advertisers because of its overwhelming lead in circulation—maintained for more than half a century by its unyielding policy of absolute accuracy and dependability.

That is why *nine out of ten* who advertise in a bank directory use Rand McNally's. And why those who advertise in the BLUE BOOK "believe it is money well invested."

STANDARDIZE ON THE BANKERS DIRECTORY

STANDARDIZED equipment means efficiency and economy in bank operation. You probably know that every officer and employee of your bank who uses a bankers directory wants *The Bankers Directory*—Rand McNally's Blue Book. You will be following the precedent set by Executives of practically all important American banks when you standardize on the Bankers Directory for inside equipment, outside information and inter-bank publicity.

The BLUE BOOK Costs Less

Based on circulation, advertising space in the Rand McNally Bankers Blue Book costs one-third that of *any* similar publication, and reaches a larger audience than that afforded by *all* similar publications combined.

STANDARDIZE ON THE BANKERS DIRECTORY

STANDARDIZED equipment means efficiency and economy in bank operation. You probably know that every officer and employee of your bank who uses a bankers directory wants *The Bankers Directory*—Rand McNally's Blue Book. You will be following the precedent set by Executives of practically all important American banks when you standardize on the Bankers Directory for inside equipment, outside information and inter-bank publicity.

Every bank officer should have a Blue Book at his elbow.

The Blue Book besides containing a complete and accurate list of all banks and bank officers, has—

a complete list of discontinued bank titles for the past five years. Includes titles discontinued because of merger, absorption, failure—

a carefully compiled, thoroughly revised digest of all State laws affecting banking—

a list of all non-bank towns, showing the nearest accessible banking point—

a list of Bank Recommended Attorneys, one for each county—

and a great deal of other information needed by bankers, handily indexed for quick reference.

Keep a Blue Book always at your elbow because—*“if what you want to know has anything to do with banking, you will find it in the Blue Book.”*

Choose legal representatives as you choose securities—

The list of selected investment dealers in your Blue Book has helped you steadily—so can the Blue Book list of Bank Recommended Attorneys.

Safe

Bank Recommended Attorneys—listed in your Bankers Directory (Blue Book)—are each recommended by a banker as worthy of handling your out-of-town legal matters.

Seasoned

These attorneys are recommended because they have handled satisfactorily the business of one or more local banks. They are experienced in the work you want them to do.

Marketable

By “marketable” we mean that the list of Bank Recommended Attorneys is easily obtainable at all times. It is right at your elbow—in your Blue Book.

Good Yield

Matters sent to Bank Recommended Attorneys are handled with dispatch. Your money is back to work again when it should be—your delay and detail correspondence is reduced to a minimum.

Choose your legal representatives by the same standards used for buying securities. Use only Bank Recommended Attorneys listed in your Blue Book.
