EXPLANATIONS AND SUGGESTIONS

FEES

We suggest to our lawyers the rates recommended by **The Commercial Law League of America** as fair and equitable under ordinary conditions. They are as follows:

15 per cent on the first \$500.

10 per cent on the excess of \$500 to \$1,000.

5 per cent on the excess of \$1,000.

Minimum commission \$7.50.

On items of \$15.00, or less, 50 per cent.

For suit: A suit fee, of not less than \$7.50, to be added to commissions, the whole not to exceed 50 per cent of the amount of the claim. Suit fees are not contingent.

CREDIT REPORTS

When asking for a credit report, subscribers should always enclose at least fifty cents with such request. Our attorneys do not make free credit reports.

BANK TOWNS ONLY

An effort has been made to give a good lawyer at every important County Seat because as a general rule the best lawyers reside at County Seats and are in the best position to handle all business throughout the county. This List covers all towns with banks. Towns having no banks are carried in the "Accessible" list in a separate part of the **Bankers Directory**.

TO OUR LAWYERS

Lawyers are urged to acknowledge claims promptly and to advise forwarders occasionally of what is being done with claim or what the chances are for collection, because the forwarder is far away and being human, likes to keep in touch with his affairs. Remember he is your client and a reputation among your clients for good, thoughtful service builds up a business. Neglect of correspondence affects your professional standing. If you do not reply to letters promptly, your client guesses at the reason, and his guess may not be pleasant.

TO FORWARDERS

Please attach coupon to all claims (See head of list).

Remember that your business is not the only business that the lawyer has. Be considerate. He cannot spend all his time writing to you. Don't forget that some collections require time and patience and tact on the part of the lawyer. Be explicit in your instructions and remember that the "laborer is worthy of his hire."

OUR AIM

The **Rand-McNally Bankers Directory with List of Attorneys** has the largest paid subscription list of any similar publication. Its subscribers represent more capital than those of all other lists combined. We hope to be able to bring our lawyers, our banks, and our commercial houses together and to build up a big community of interest to the mutual benefit of all.

USE THIS LIST

To this end, we earnestly hope all our subscribers will use these lawyers whenever it is possible. Business begets business, and lawyers should co-operate with each other.

SUGGESTIONS

Suggestions which will cause an increase in the value of this List to subscribers will be welcomed by the publishers.
