Discontinued Titles

YOUR BLUE BOOK now makes it possible for you to find in one separate section a complete geographical listing of all of the bank titles which have been changed or discontinued within the past five years.

In this section, indexed as above, you can trace any title which has been changed or discontinued as a result of consolidation, liquidation, or absorption and find the exact year of the change together with the old title and the new one (if any).

Every officer should have this and the other indispensable information the latest Blue Book contains at his instant command.

Practical Knowledge for Key Employees

Many of the country's leading banks subscribe to Rand McNally Bankers Monthly for their officers, directors and key employees, because they have learned that only in this magazine can they find the actual current practices of other institutions on administration policies, operating and personnel methods, credits and collections, increasing deposits and selling services, adjustment of portfolios and director cooperation.

Throughout the coming months we plan to give our readers—among other articles of interest—these seven monthly features:

- a banking article of national interest
- a successful plan of vital interest to the loan officer
- a report of teamwork in a bank and what it accomplished

—a better banking house article telling of the installation of some new equipment or service that pleased customers and increased profits

—a new business feature showing how some bank developed a plan to secure deposits, sell its services or increase its loans

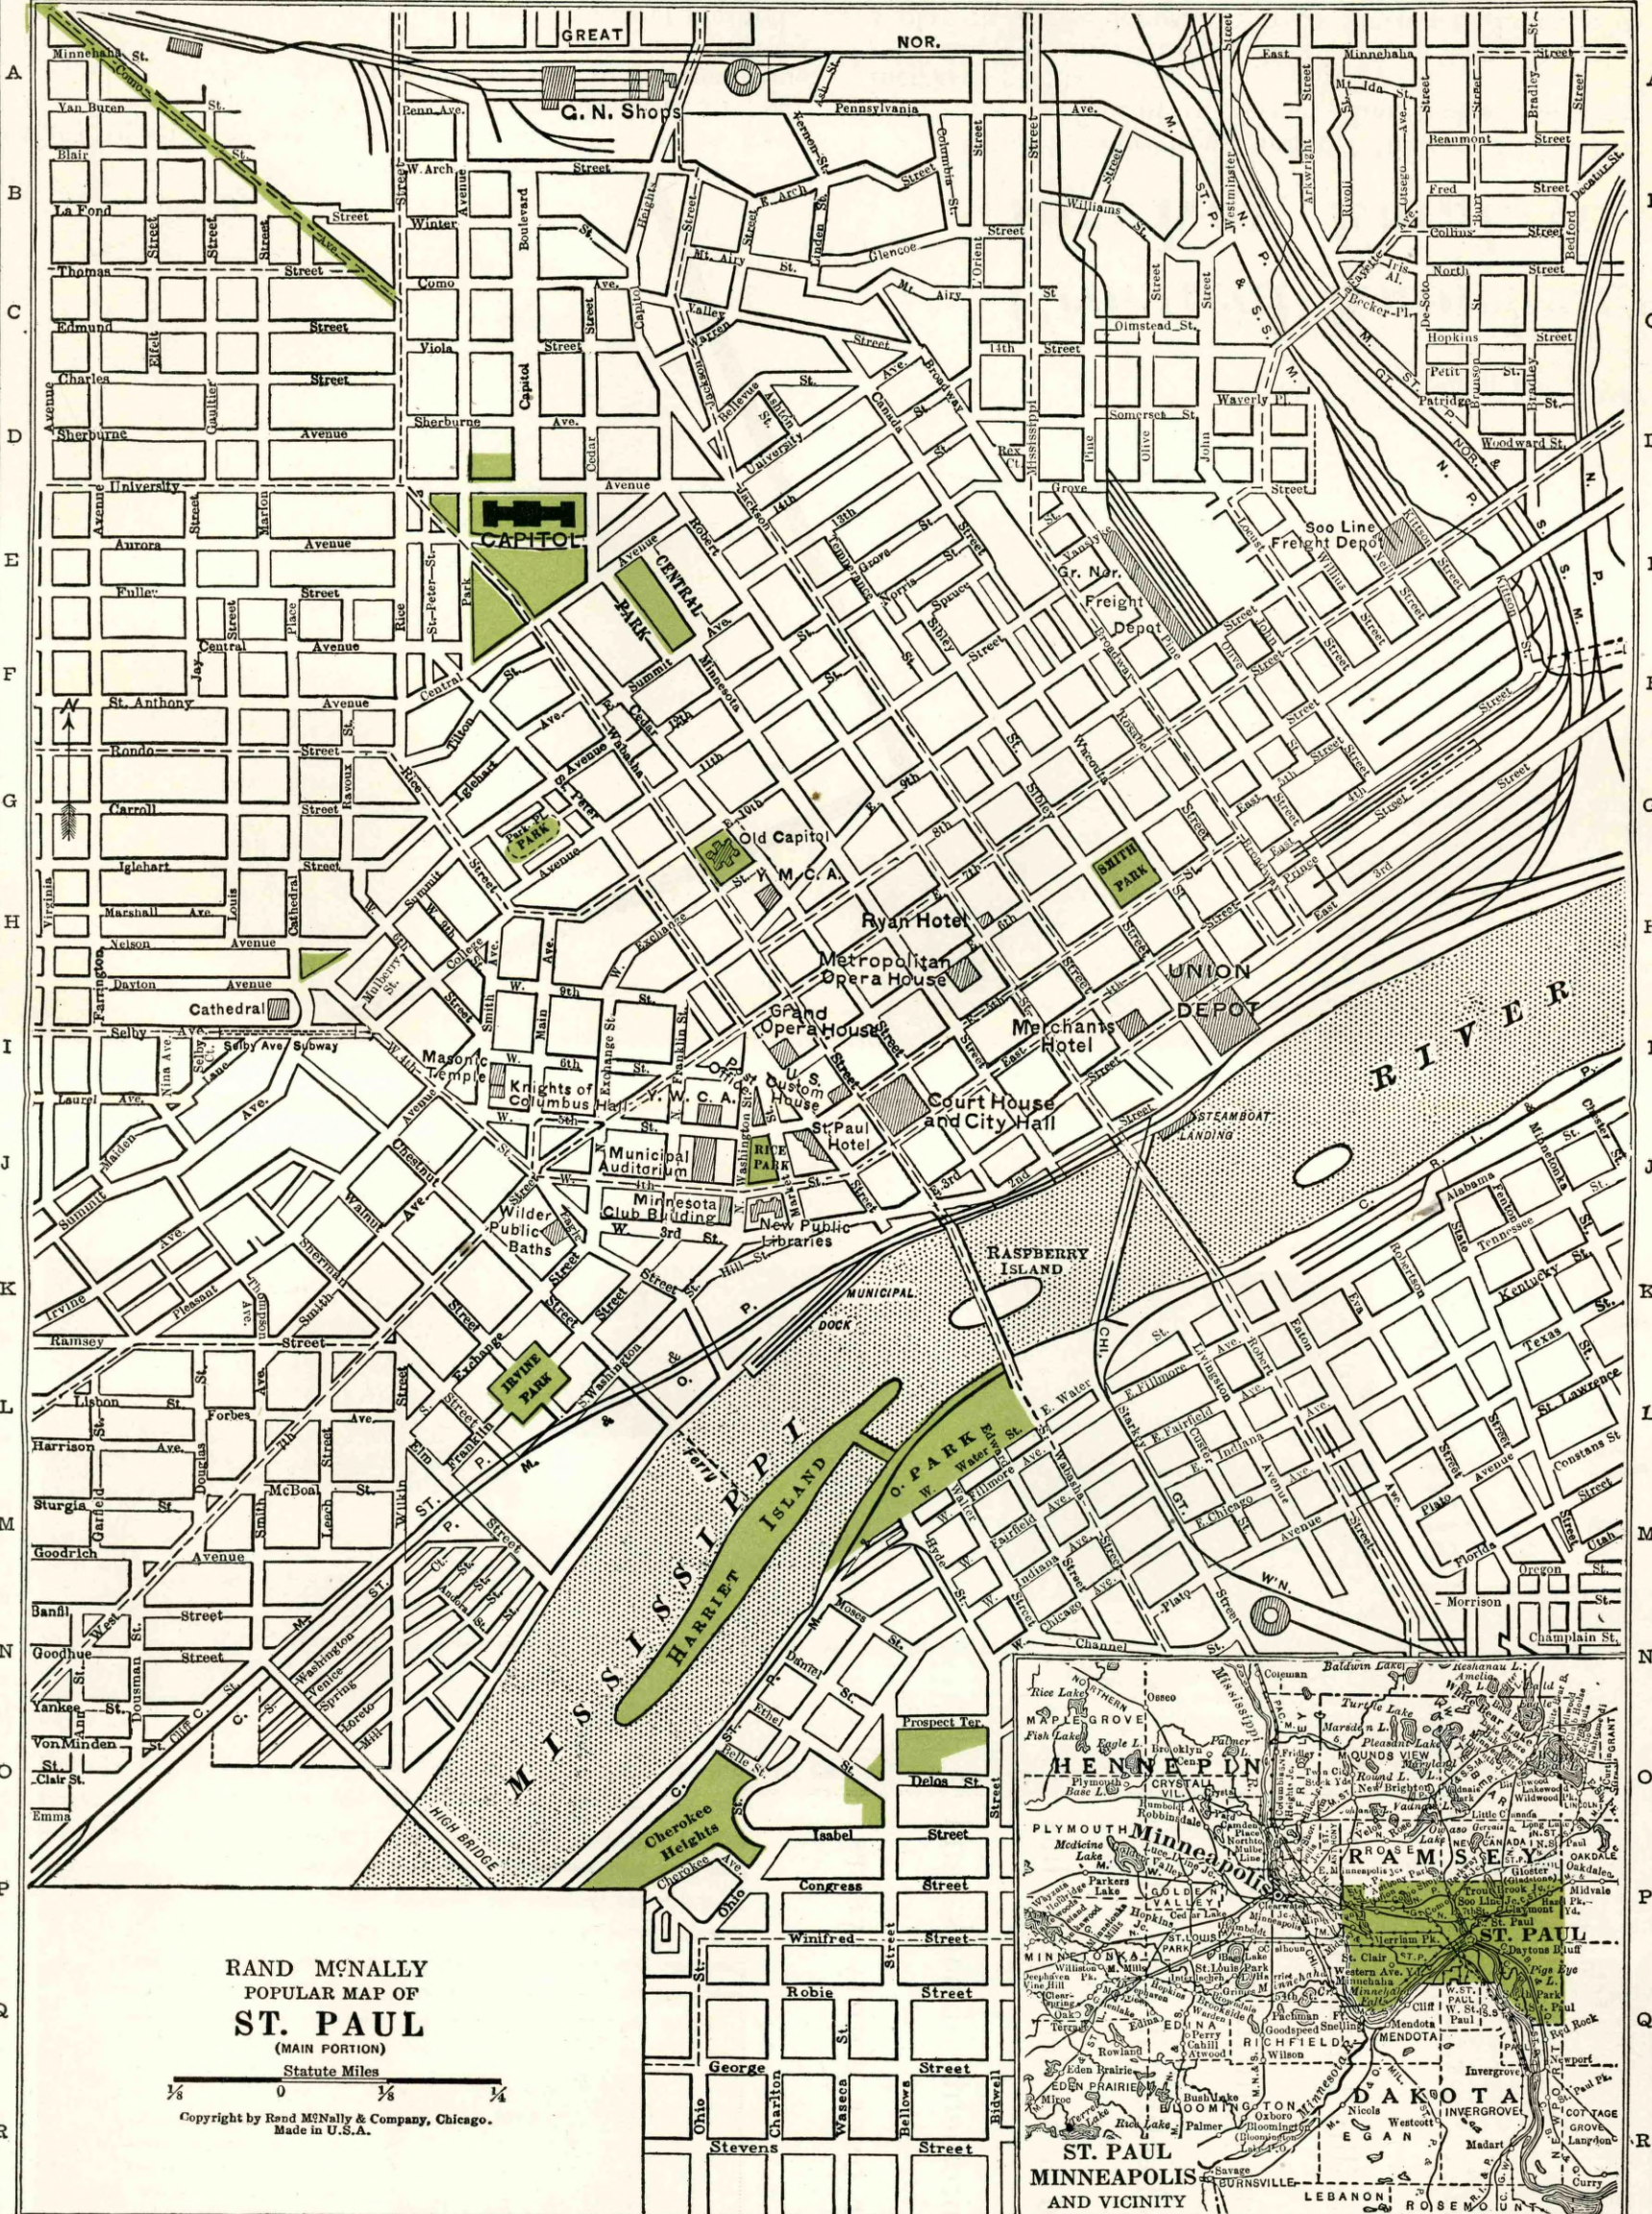

—spot news—pertinent items of interest to alert bankers

—all the banking changes of the previous month.

Successful bankers are attentive readers of Bankers Monthly! If your officers and key employees are not already on our roster, write immediately for special group discounts.

YOUR new Blue Book gives you the latest and most complete bank information available—arranged in 18 convenient columns—condensed to thousands of dollars—stripped of insignificant figure digits—accessible at a glance.

With this columnar arrangement of data there is no time lost in trying to segregate the particular item you are seeking from a jumbled mass of facts. There is no time lost in comparing a given figure with a similar one in another institution, for you simply “run your eye” down the column and locate the corresponding item instantly.

Bankers tell us this style helps them answer their own and customers’

questions more promptly with less effort. Business executives say it is a money saver, because their clerks can check a greater number of banks in less time.

Provide a copy of the new Blue Book for every officer. Also, keep one on the counter for customers’ use—it will not only save your time, but your customers will appreciate this extra service.

For Banks and

SUCCESSFUL BANKS

23 of the 39 banks in the United States that have been operating 125 years or more advertise in Rand McNally Bankers Directory and have done so for the past 20 years. Both of the 2 institutions that are over 150 years old are Blue Book advertisers. The 85 largest advertising banks (50 million or over in deposits) are all large users of Blue Book space.

These institutions did not use the Blue Book to become successful. They advertised in it and continue to advertise in it because they are the successful type of bank.

If your bank fills these requirements and does not carry a representative listing now, have a talk with the Blue Book representative in charge of your territory. He is in daily touch with the field and can help you realize the most from your territorial opportunities.

Are Your Out=Of=Town Legal Matters Handled By Bank Attorneys?

YOU will get the same service on legal matters in other cities that you do in your own if you use BLUE BOOK attorneys *exclusively*. For every attorney listed comes to us through the voluntary recommendation of his local banker who has first hand knowledge of that attorney's integrity and ability.

In most cases, the attorney recommended is the bank's own attorney. In all cases, the attorney is recommended because he is competent and reliable, and because he has demonstrated efficiency in handling bank work.

At the right are samples of the attorneys and law firms listed in the BLUE BOOK. These were picked at random to show the character of our Bank Recommended Attorneys.

We invite anyone having a competent confidential attorney rating book to examine the character of our list. It will be found *at least* as high as any in the country.

The BLUE BOOK with its valuable list of Bank Recommended Attorneys should be on the desk of every bank executive.

The cost of BLUE BOOK service is less than 60c a week. The list of Bank Recommended Attorneys alone is worth that to you, yet it is only 4% of the vital information your BLUE BOOK contains.

Any bank officer is too highly paid an executive to be without such assistance constantly at his command.

Save Money on Your Addressing

WE keep an accurate, up-to-date addressograph list of all the banks in the United States, corrected weekly. This list is at your service. If we can address your circulars, envelopes, fill in letters or "pull a proof" of it, you can have the service at a reasonable price and be assured that there will be no "come back" mail. Every name is live, active and kept so by careful attention.

If interested we should be glad to hear from you
and to quote prices and give other information.

Before YOU SIGN ~

A contract for bank directory service, give careful consideration to the following facts:

1. The Rand McNally Bankers Directory (The Bankers Blue Book) for more than 60 years has been the standard publication of its kind.
2. It has a paid circulation several times larger than its nearest competitor, and larger than all similar directories combined.
3. 95% of the banks subscribing to bank directories buy the Rand McNally Bankers Blue Book.
4. Based on circulation its rates are one-third that of any similar publication.
5. Thousands of Commercial Banks, Savings, Trust and Investment Banking Houses advertise only in THE BANKERS DIRECTORY.
6. The number of advertisers alone greatly exceeds the number of paid subscribers to any similar work.
7. Its greater prestige, circulation and preference is deserved because it is the most reliable and comprehensive reference book of its kind and the publishers spare no expense in keeping it complete, thorough and up-to-date.
8. The Blue Book is the Official Numbering Agent of the American Bankers Association.

Your next bank directory should be

CHARLES C. GLOVER
CHAIRMAN OF THE BOARD

The Kings National Bank
of
Washington, D. C.

CHARLES C. GLOVER, JR.
VICE-CHAIRMAN OF THE BOARD

ROBERT V. FLEMING
PRESIDENT

GEORGE O. VASS
VICE PRESIDENT AND CASHIER

Acknowledging the receipt of your letter of April 2nd, I am delighted to know that you approve of one of my advertising policies, and that is, to use the Bankers Directory in liberal doses. I am very much pleased with this new contract and believe it is money well invested.

I appreciate the kind expressions in your letter, and remain, with cordial regards,

Very truly yours,

GOV/EL

Vice President and Cashier.

This letter is in response to thanks we sent Mr. Vass for practically doubling his Blue Book business.

THE Rand M^cNally BANKERS DIRECTORY has more *advertisers* than its nearest competitor has *subscribers*. It has more *subscribers* than all other similar publications combined.

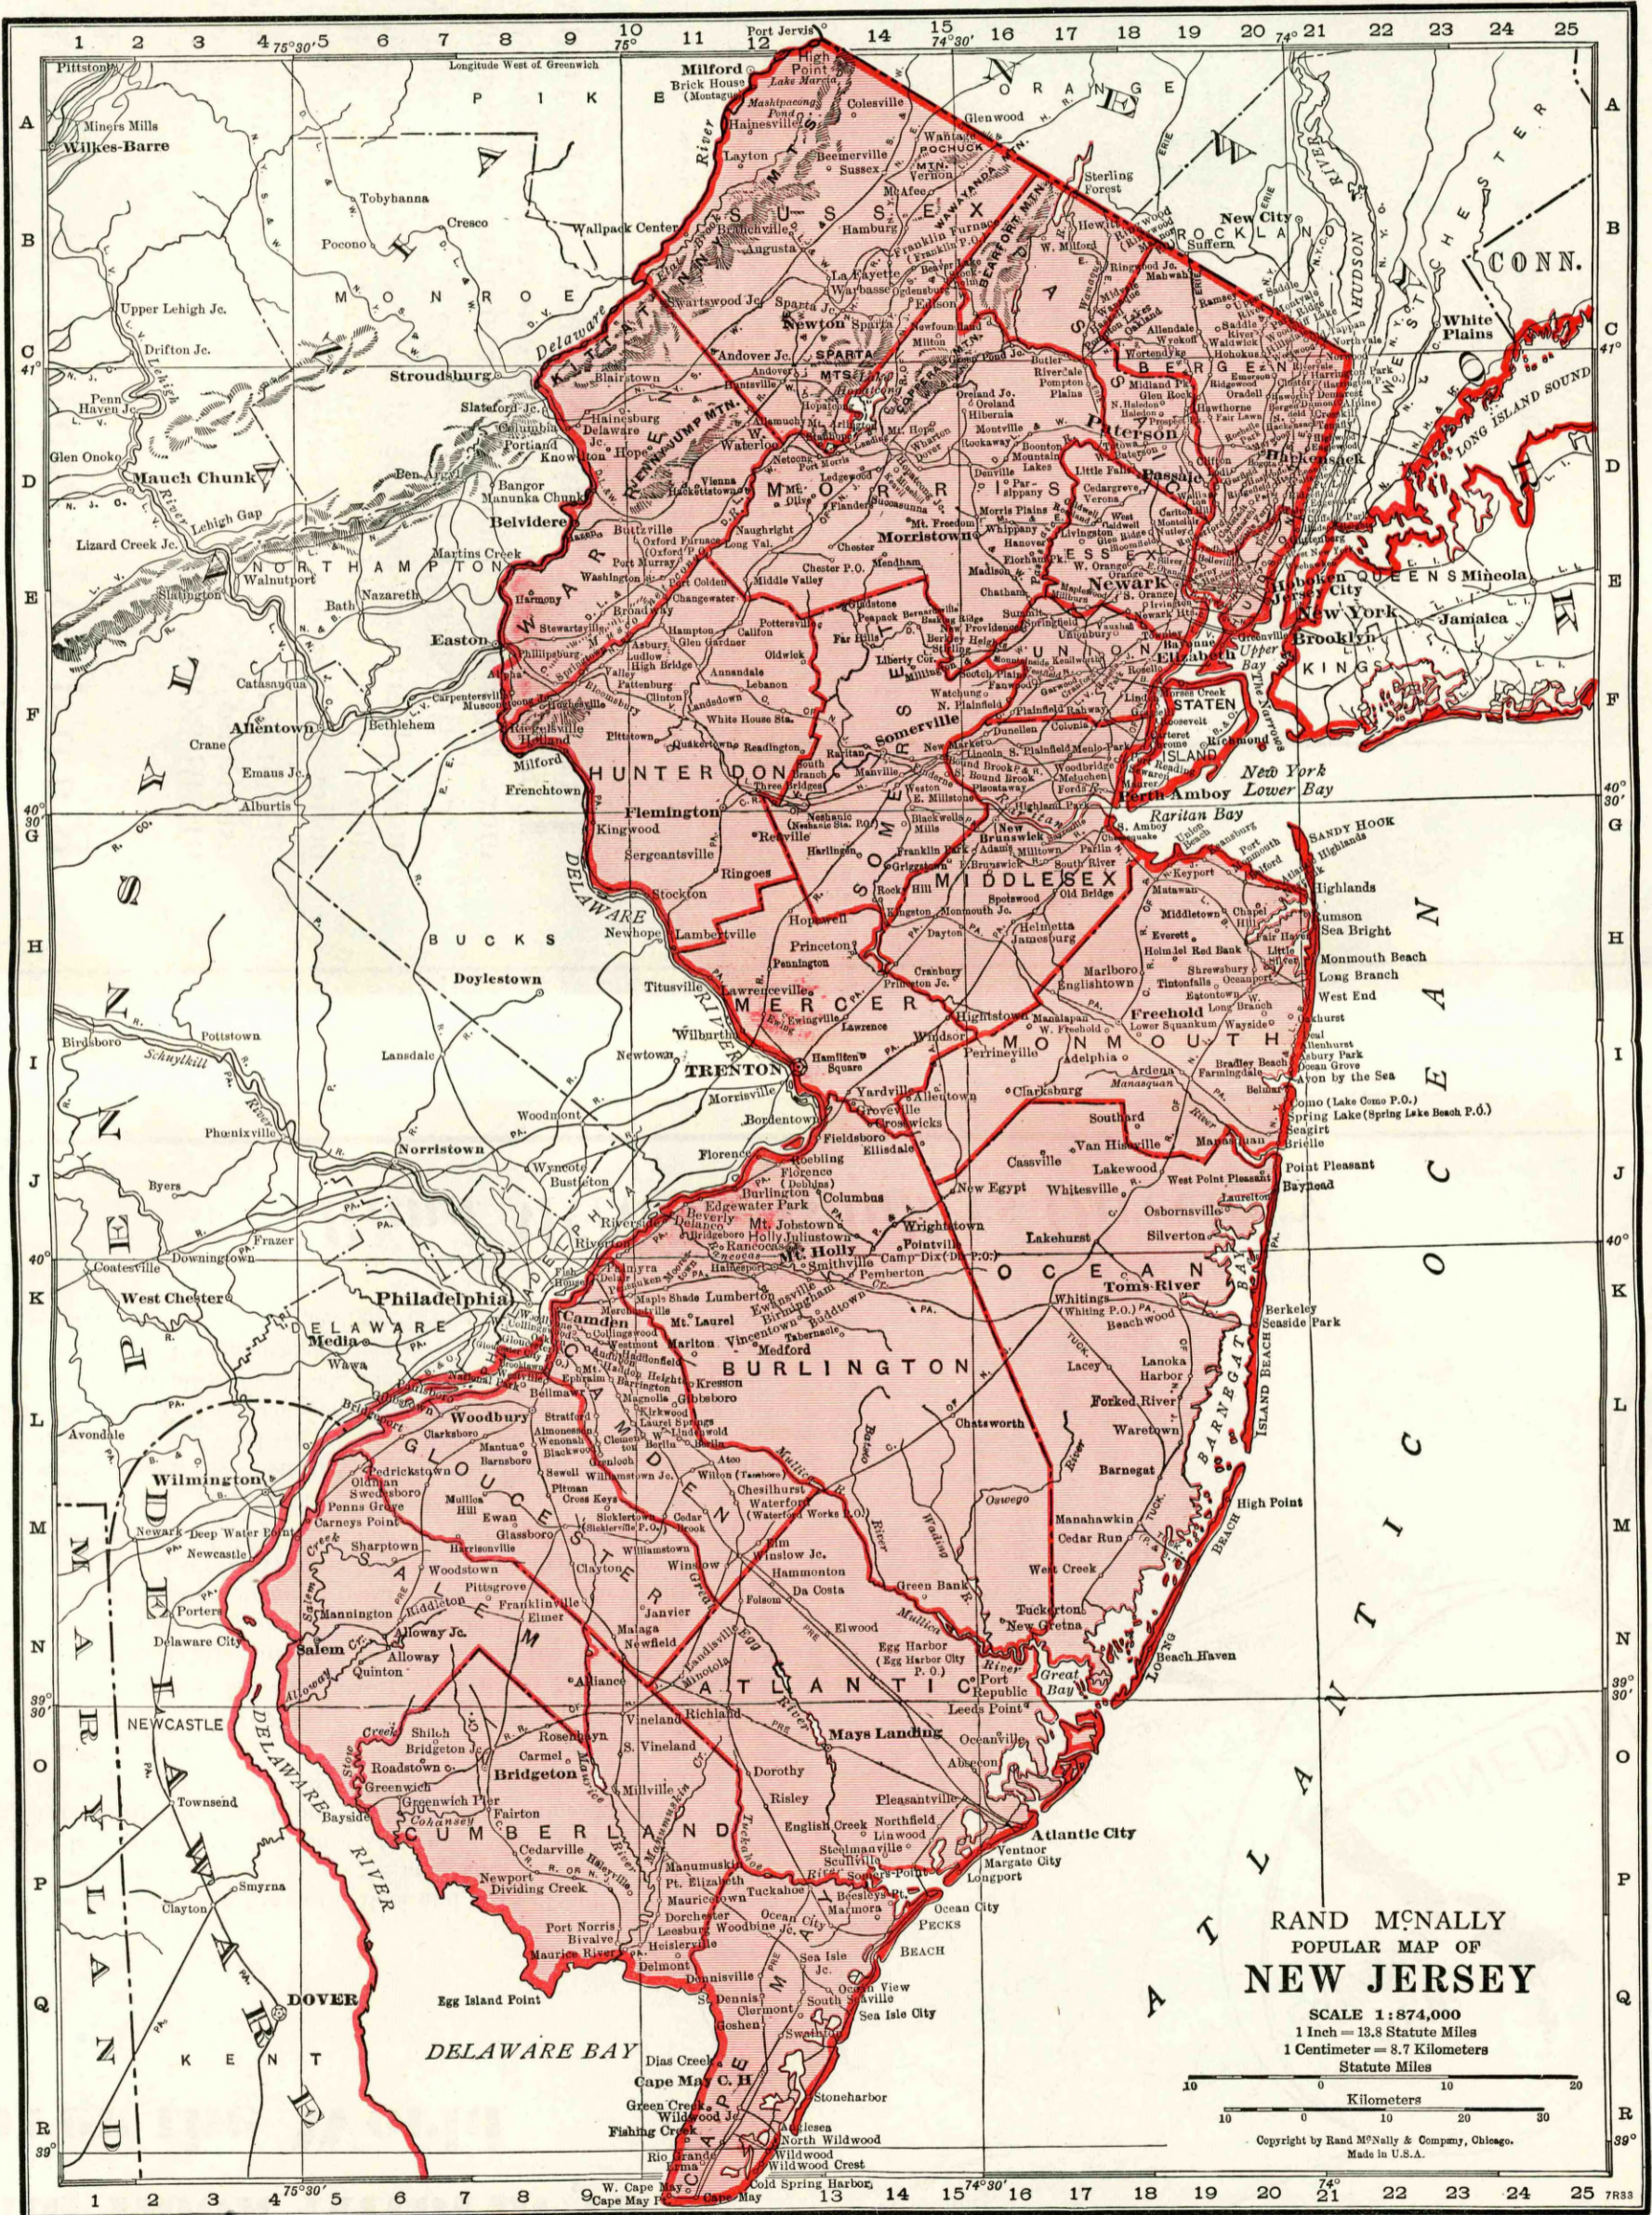

The BANKERS DIRECTORY (BLUE BOOK) has the most advertisers because of its overwhelming lead in circulation—maintained for more than half a century by its unyielding policy of absolute accuracy and dependability.

That is why *nine out of ten* who advertise in a bank directory use Rand M^cNally's. And why those who advertise in the BLUE BOOK "believe it is money well invested."

Rand M^cNally & Company

Blue Book Attorneys Cover the World

Dunedin is a small town on the east coast of the southern island of New Zealand, the last post of civilization visited by Admiral Byrd in 1928 before leaving on the final lap of his first trip to the south pole.

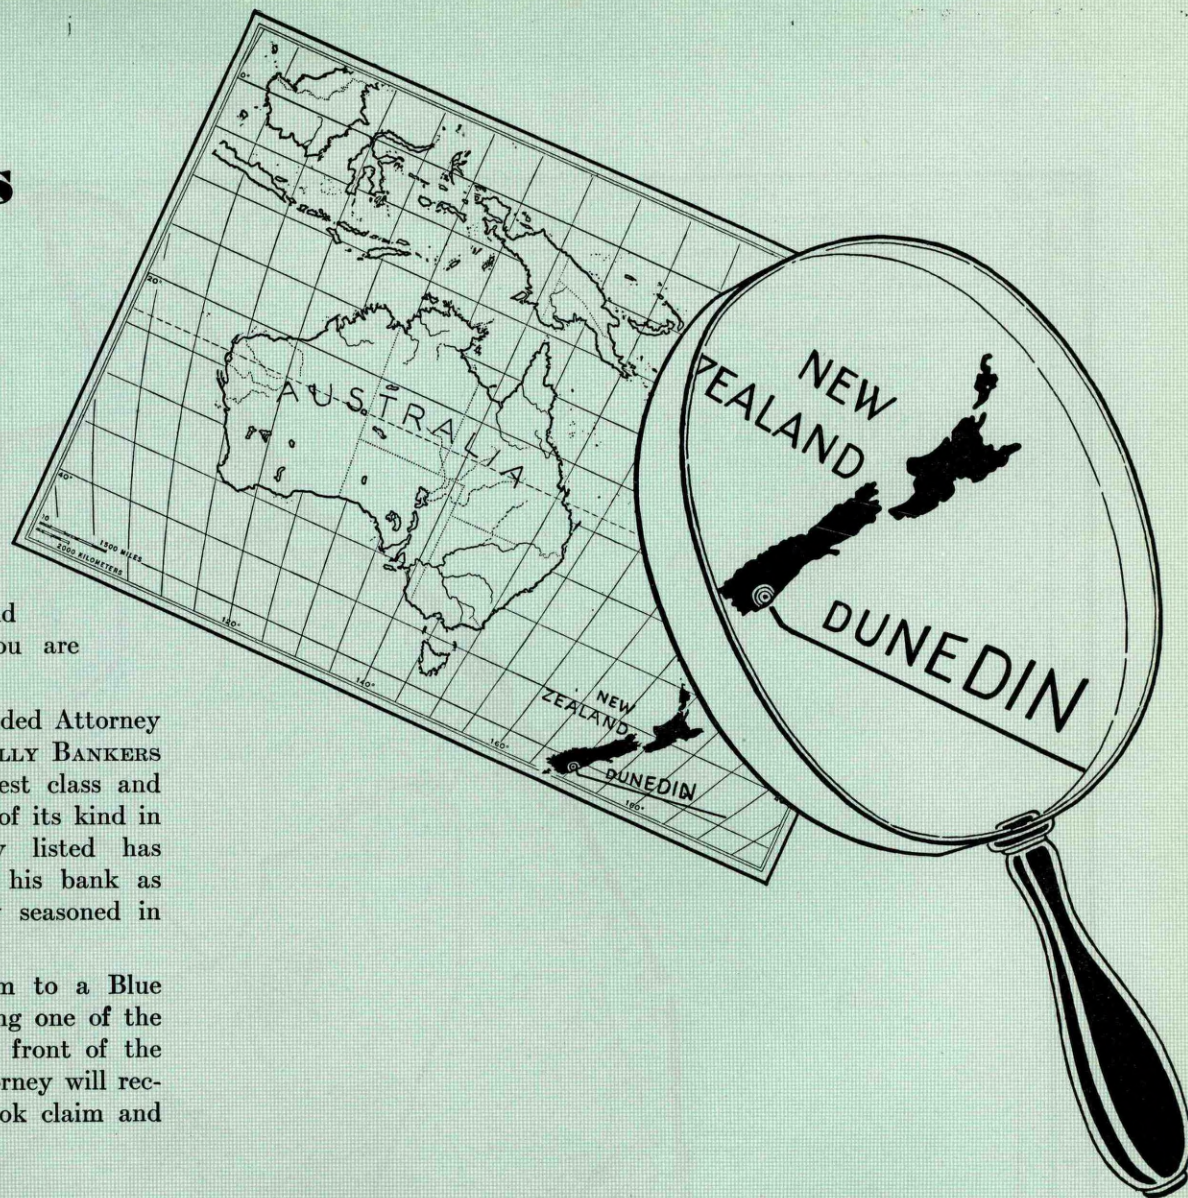

It is an out-of-the-way place to have a collection. But, if you have one there, Messrs. Duncan and MacGregor, Blue Book Attorneys recommended as competent to handle all legal-financial matters referred to that territory, will serve you promptly and efficiently.

In fact, there are Blue Book Attorneys all over the world. No matter whether you have pending legal business in Dunedin, New Zealand, Dunedin, Fla., or any other place, look for the town in the Bank Recommended Attorney section of your new Blue

Book and you will find the name of a reliable Attorney who will give you the same kind of service to which you are accustomed at home.

The Bank Recommended Attorney section of **RAND McNALLY BANKERS DIRECTORY** is the highest class and most complete law list of its kind in print. Every Attorney listed has been recommended by his bank as reliable and thoroughly seasoned in bank work.

Send your next claim to a Blue Book Attorney, attaching one of the blue coupons bound in front of the section. Then the Attorney will recognize it as a Blue Book claim and give it preference.

ALBUQUERQUE

Largest city in New Mexico

... is the commercial and banking center of this 122,634 square-mile state. It is the hub of a great livestock industry, the distribution point for an area as large as New York and Pennsylvania combined, the center of the irrigated farming section of the Rio Grande River which is drained, irrigated, flood-controlled and supplied with stored water by the vast canals and dams of the Middle Rio Grande Conservancy District, just being completed. Located at Albuquerque are 38 offices of agencies of the United States Government, an enormous Veterans' Administration Hospital and a Government

Indian Hospital, placed here because of the truly remarkable year-round sunshiny climate which is neither unusually hot in summer or cold in winter. Here, also, is the State University of New Mexico, with archaeological and Spanish departments second to none in the country. Albuquerque is on the main line of the Santa Fe Railway, on the TWA and Varney Speed Lines with either coast accessible in less than a day, on U. S. Highways 66 and 85. We will be glad to supply information about New Mexico, Albuquerque, or banking facilities, to all those interested.
