## Practical Knowledge for Key Employees

Many of the country's leading banks subscribe to Rand McNally Bankers Monthly for their officers, directors and key employees, because they have learned that only in this magazine can they find the actual current practices of other institutions on administration policies, operating and personnel methods, credits and collections, increasing deposits and selling services, adjustment of portfolios and director cooperation.

Throughout the coming months we plan to give our readers — among other articles of interest — these seven monthly features:

- a banking article of national interest
- a successful plan of vital interest to the loan officer
- a report of teamwork in a bank and what it accomplished

— a better banking house article telling of the installation of some new equipment or service that pleased customers and increased profits

— a new business feature showing how some bank developed a plan to secure deposits, sell its services or increase its loans

— spot news — pertinent items of interest to alert bankers

— all the banking changes of the previous month.

Successful bankers are attentive readers of Bankers Monthly! If your officers and key employees are not already on our roster, write immediately for special group discounts.

# “A Handbook of Banking Operation and Management”

RAND M<sup>c</sup>NALLY BANKERS MONTHLY has served banks and bankers continuously for more than half a century. . . . Throughout these years its policy has been to present practical and constructive ideas which bankers can convert into profits for their bank and community. . . . This policy has been so closely adhered to that Bankers Monthly has been labeled “A Handbook of Banking Operation and Management”.

**YOUR** new Blue Book gives you the latest and most complete bank information available—arranged in 18 convenient columns—condensed to thousands of dollars—stripped of insignificant figure digits—accessible at a glance.

With this columnar arrangement of data there is no time lost in trying to segregate the particular item you are seeking from a jumbled mass of facts. There is no time lost in comparing a given figure with a similar one in another institution, for you simply "run your eye" down the column and locate the corresponding item instantly.

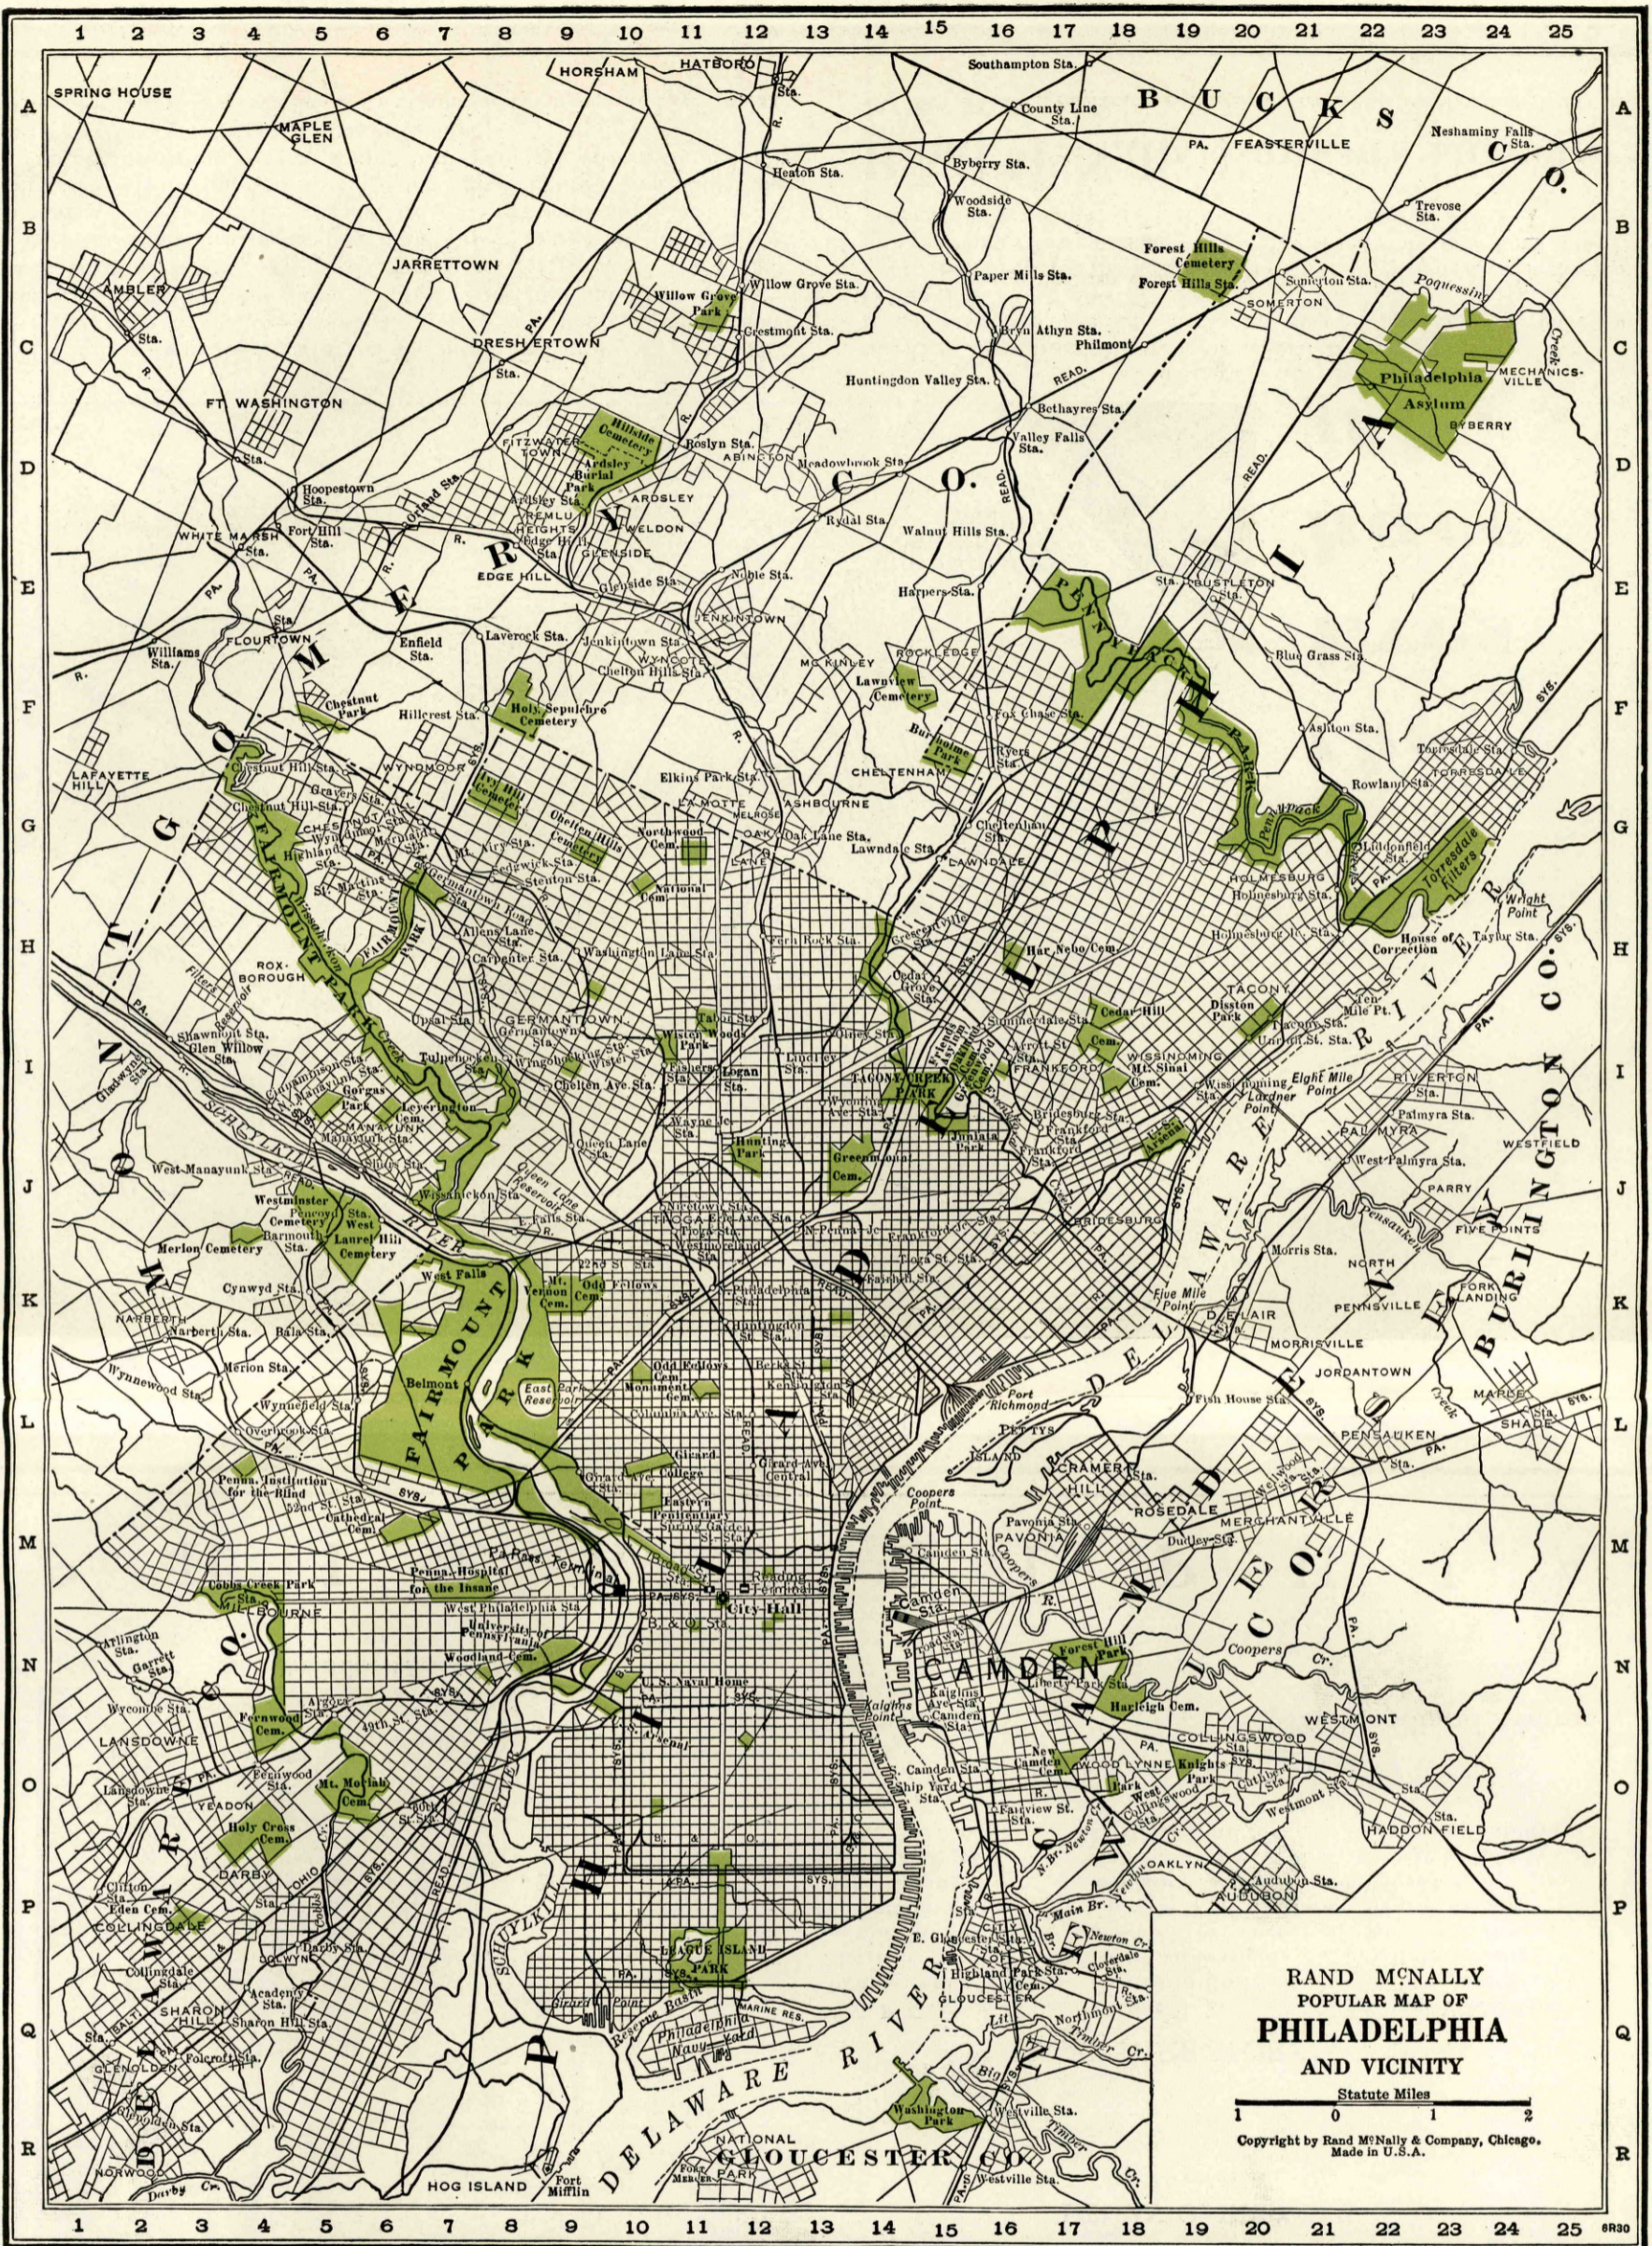

Bankers tell us this style helps them answer their own and customers'

questions more promptly with less effort. Business executives say it is a money saver, because their clerks can check a greater number of banks in less time.

Provide a copy of the new Blue Book for every officer. Also, keep one on the counter for customers' use—it will not only save your time, but your customers will appreciate this extra service.

# *Dedicated to Service!*

For over 50 years Rand McNally Bankers Monthly has been dedicated to the service of American banks . . . . . pointing the way to new methods of economy and profit . . . . . the only magazine that offers complete, audited coverage of the banking field every month in the year.

## **READER INTEREST**

The unexcelled reader interest in Bankers Monthly results from its continuous publication of types of articles which can be translated into terms of greater bank profits.

## **SERVICES TO BANKERS**

**THE BANKERS SECRETARY**—Each month a list of bank requirements is published. Bankers are invited to request buying information on any article of supplies or equipment that a bank needs. We will gladly supply it free of charge.

**WEEKLY MARKET SURVEY**—Every advertiser in Bankers Monthly receives weekly a mimeographed record of all banking changes that occurred during the previous week.

**DIRECT MAIL SERVICE**—Rand McNally maintains an addressograph system for direct mail service to banks. The list is corrected weekly and may be segregated into groups of metropolitan city banks, banks above or below a million dollars in resources, or banks in any given state or group of states.

# Your Most Important Customers Need World-Wide Banking Data

**YOUR** most important customers now require complete national and international banking information. For example: the Manufacturer, who is developing his markets; the Importer, who is concerned with international shipping and foreign exchange; the Globe-Trotter, who wants foreign as well as domestic financial information—all of these people naturally look to their bank for authentic, up-to-date World-wide banking facts.

These are the types of accounts you wish to keep, and with the new Blue Book handy, you are fully equipped to extend complete service to them.

For greater efficiency, every officer serving this type of depositor should have the latest Blue Book at his elbow.

## Complete Foreign Banking Data

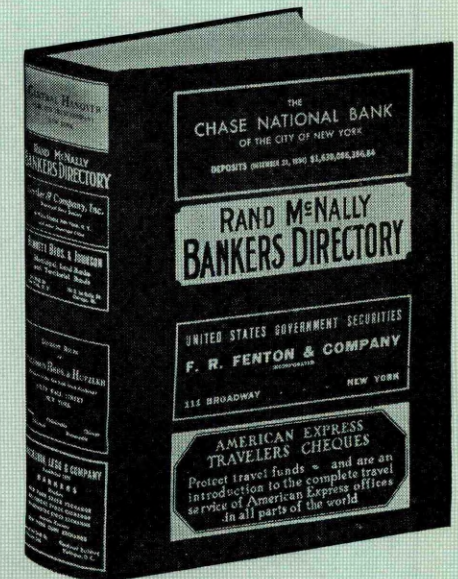

Your new Blue Book lists banks in all parts of the globe, giving their statements together with their official personnel and principal correspondents.

Its Bank-Recommended Attorney Section lists properly qualified lawyers all over the World. When internationally-minded customers need confidential legal service, refer them to

the most select law list in print—your Blue Book Attorney list.

Another section shows the rates for postage and parcel post to any country in the World. As an added help, the foreign bank section contains up-to-date maps of Europe, Africa, Asia, England, Mexico, South America and the West Indies.

# Non-Bank Towns . . .

**Acces**

In the third from last section of the BLUE BOOK you will find over 100 pages, indexed as above, listing all of the towns in the United States that are without Banking facilities.

After each town listed you will find its nearest accessible Banking point. Behind each name is information as to whether or not the town is a county seat, has a money order office, or a telegraph station.

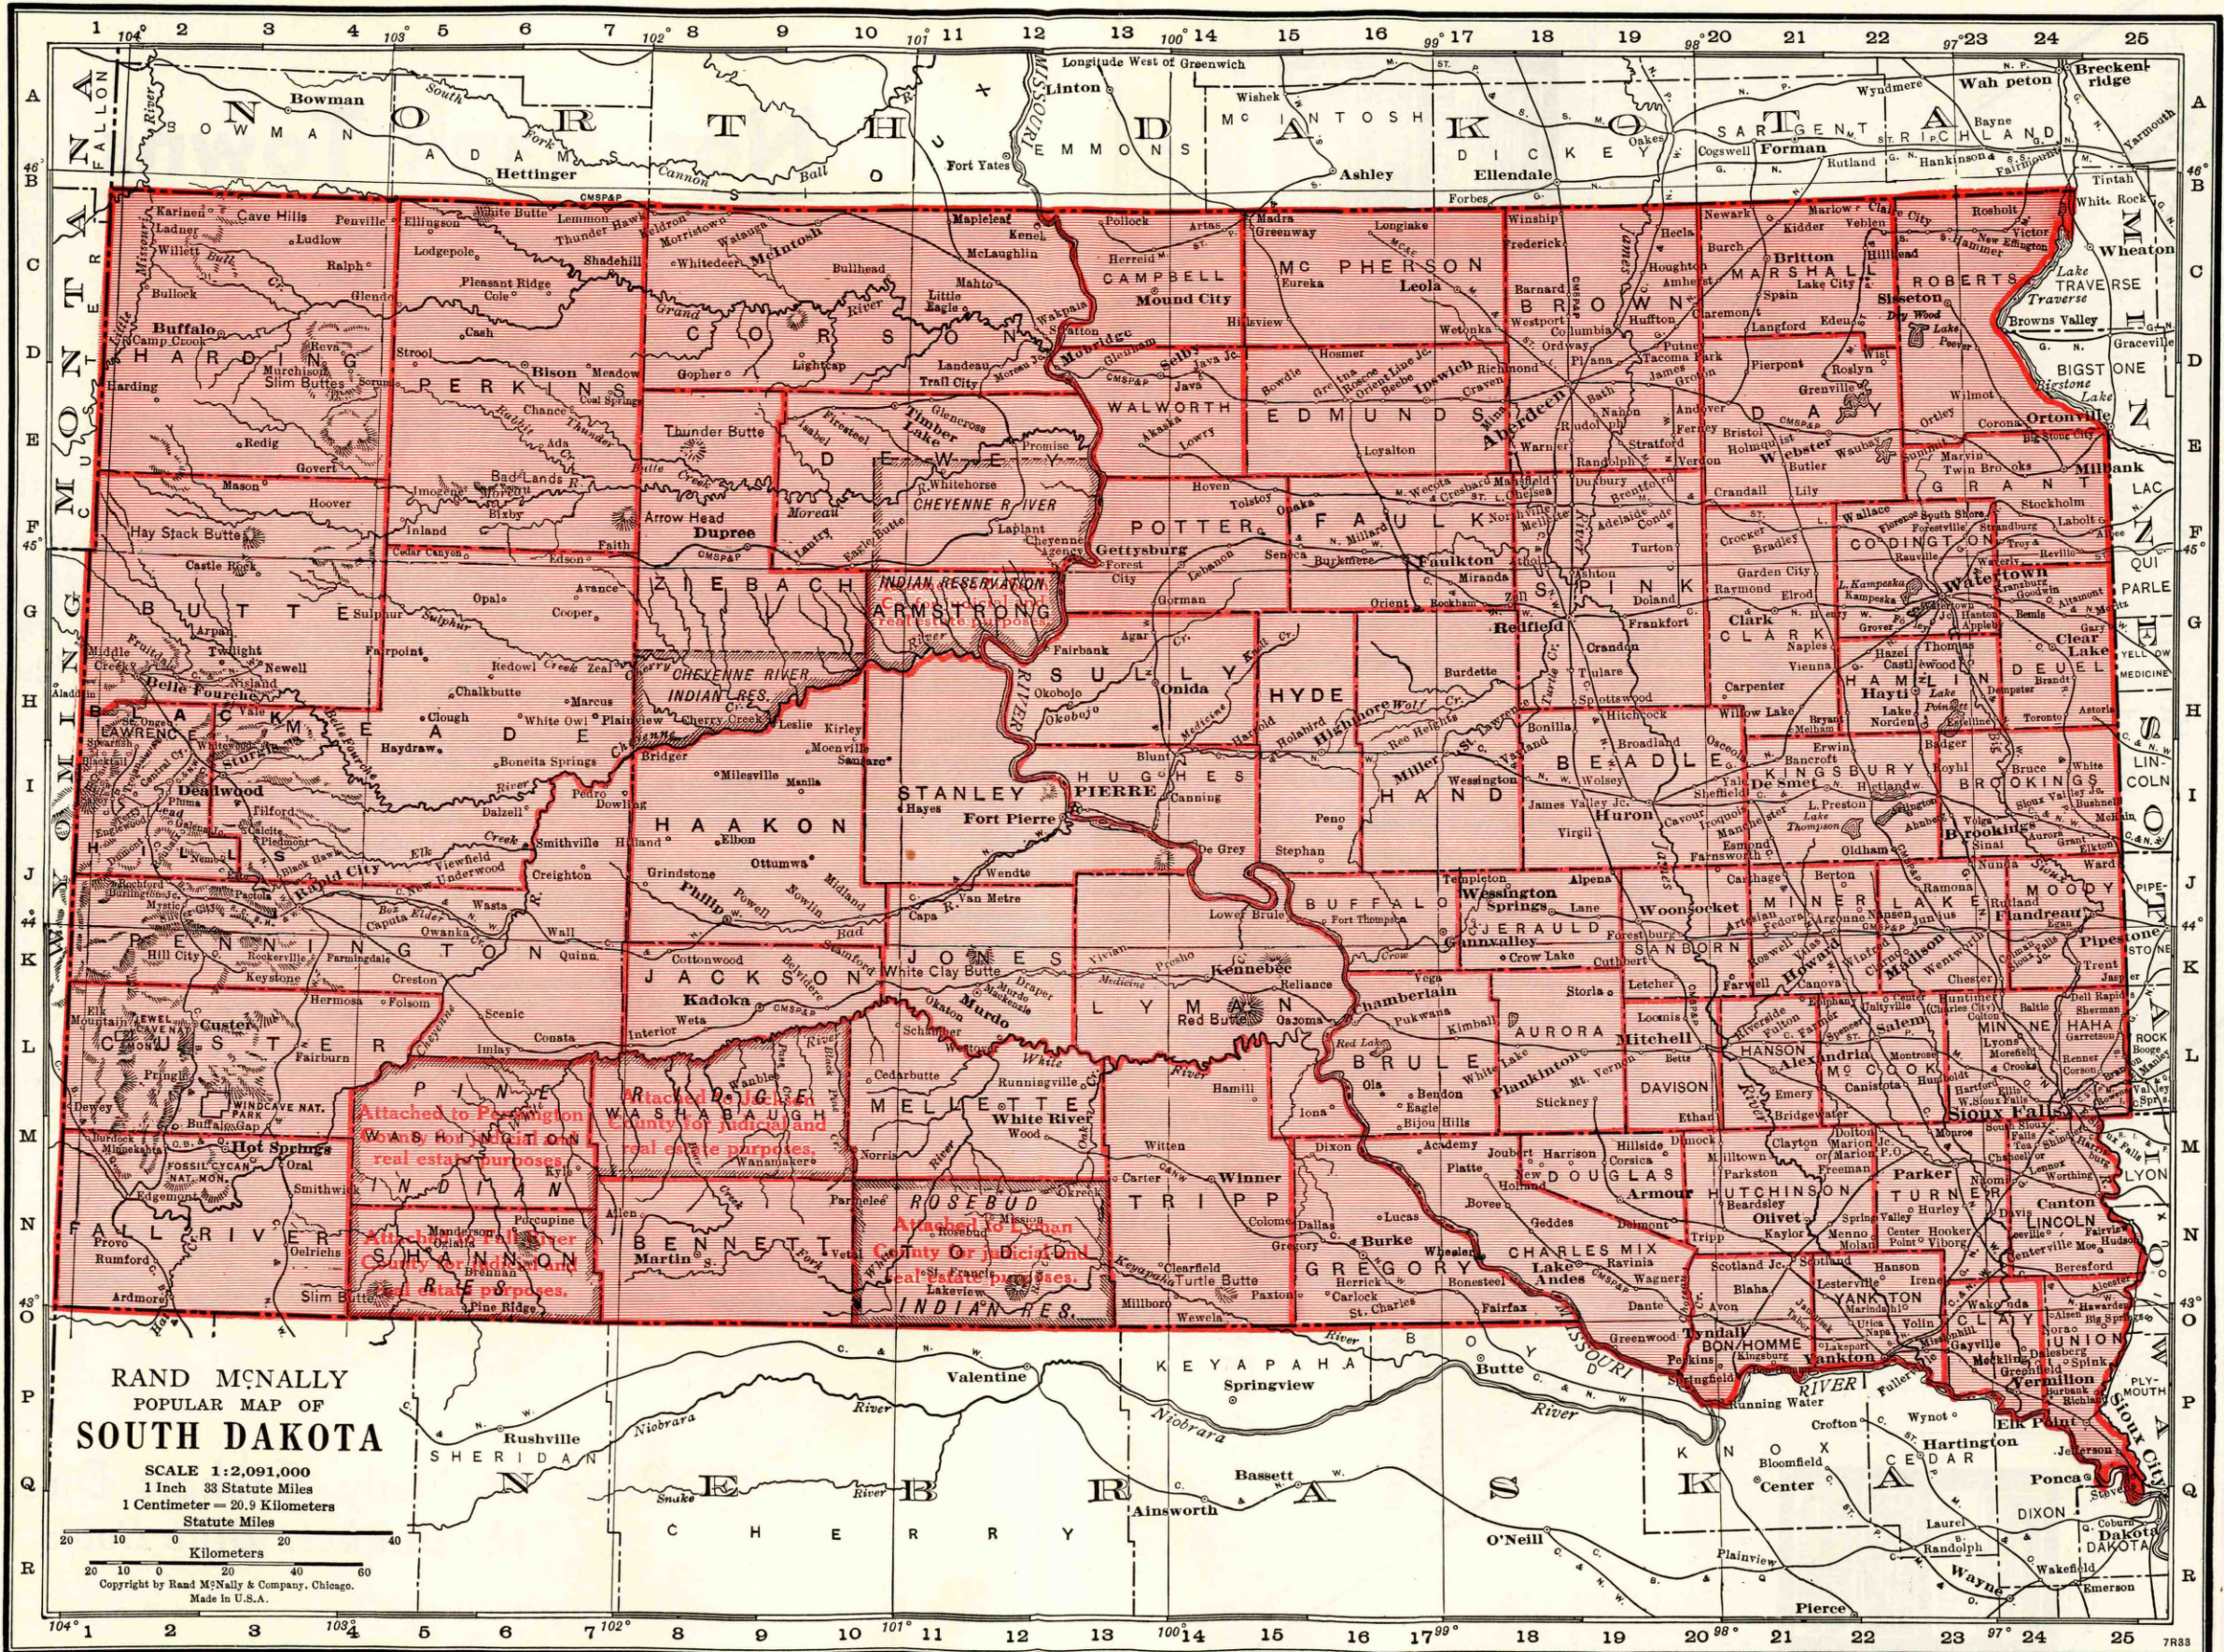

Conscientiously revised every six months, this is the most accurate and up-to-date list of non-Bank towns and their nearest accessible Banking points that it is possible to obtain.

## *the Eyes have it! . . .*

**YOUR** new Blue Book gives you the latest and most complete bank information available—arranged in 18 convenient columns—condensed to thousands of dollars—stripped of insignificant figure digits—accessible at a glance.

With this columnar arrangement of data there is no time lost in trying to segregate the particular item you are seeking from a jumbled mass of facts. There is no time lost in comparing a given figure with a similar one in another institution, for you simply "run your eye" down the column and

locate the corresponding item instantly.

Bankers tell us this style helps them answer their own and customers' questions more promptly with less effort. Business executives say it is a money saver, because their clerks can check a greater number of banks in less time.

Provide a copy of the new Blue Book for every officer. Also, keep one on the counter for customers' use—it will not only save your time, but your customers will appreciate this extra service.

The Valuable "Indirect Publicity" Obtained by 5,500 Banks Advertising in the Rand McNally Bankers Blue Book Actually Costs the Bank NOTHING

THOUSANDS of Commercial Houses, Security Dealers, Lawyers, Banks and other users of the Bankers Directory send their business to Blue Book advertisers. This results in the advertising banks making more in profits on bill of lading drafts, collections and other items sent them than the advertising itself costs . . . . . And the resultant Prestige and Indirect Publicity actually costs the bank nothing.

For 58 years, America's leading Financial Institutions—*Country Banks* as well as Reserve City Banks—have advertised regularly and consistently in the Blue Book, and the number of advertisers increases each year.

Your Bank should be prominently displayed among the banks of your city in the Blue Book. Your prospective customers outside of your own locality must necessarily judge and form their opinion of your bank by the way you "show up" in the Blue Book. They naturally do not know you personally and are not able to see your attractive Banking Room and Building, which things attract your local patronage.

There will be no obligation on your part if you write us about a "Bold-faced Type" listing for your bank in the next edition of the Blue Book. Neither is it necessary to subscribe to the Book in order to advertise in it.
