Blue Book Attorneys Cover the World

Dunedin is a small town on the east coast of the southern island of New Zealand, the last post of civilization visited by Admiral Byrd in 1928 before leaving on the final lap of his first trip to the south pole.

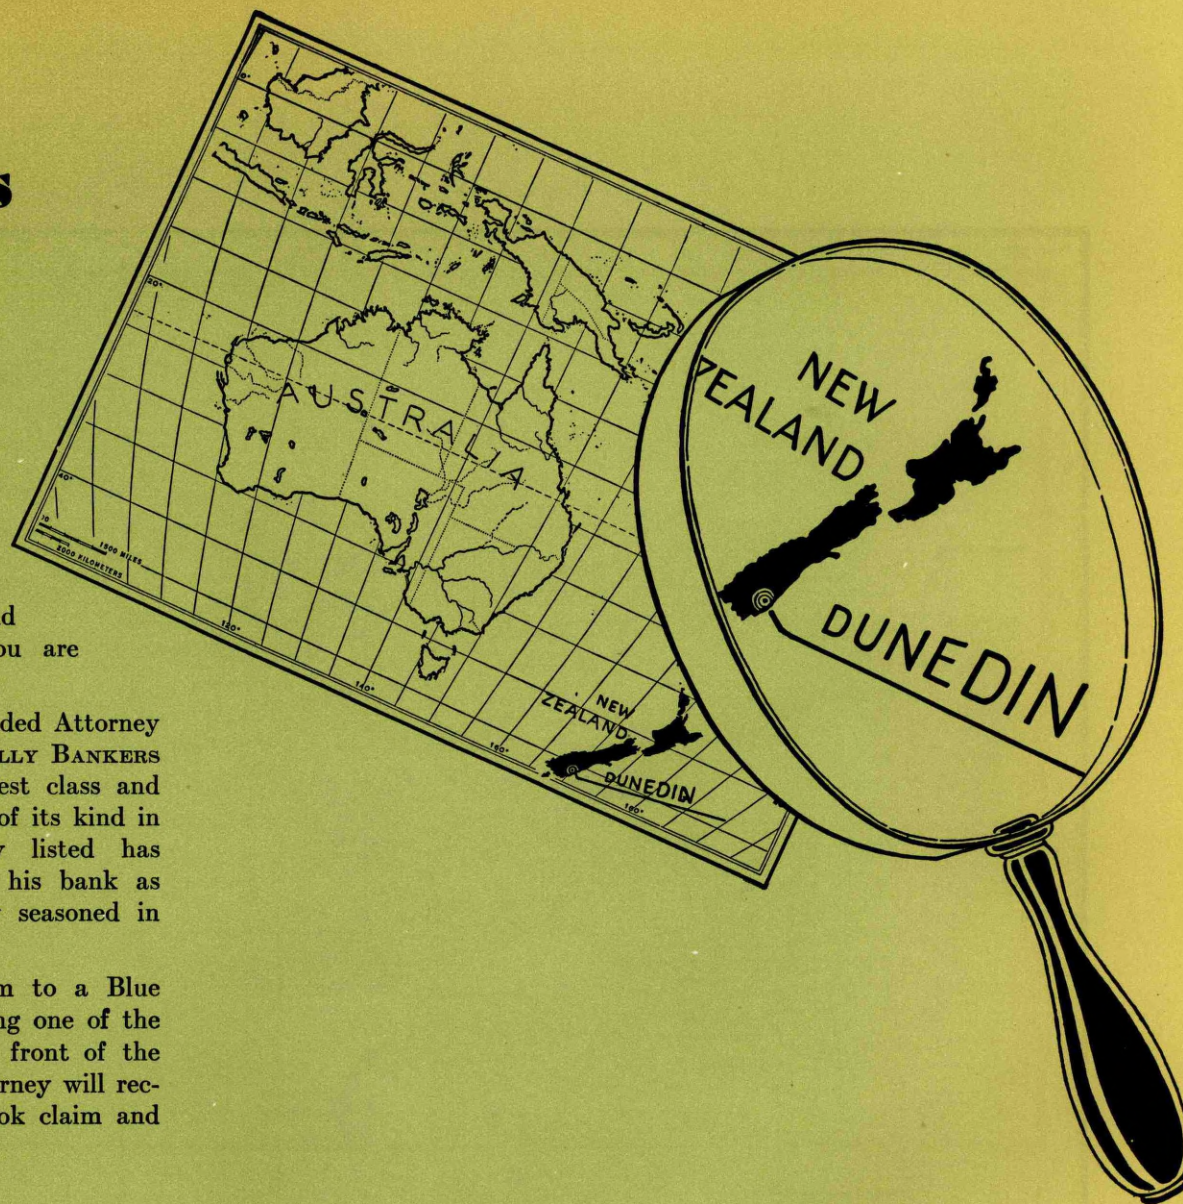

It is an out-of-the-way place to have a collection. But, if you have one there, Messrs. Duncan and MacGregor, Blue Book Attorneys recommended as competent to handle all legal-financial matters referred to that territory, will serve you promptly and efficiently.

In fact, there are Blue Book Attorneys all over the world. No matter whether you have pending legal business in Dunedin, New Zealand, Dunedin, Fla., or any other place, look for the town in the Bank Recommended Attorney section of your new Blue

Book and you will find the name of a reliable Attorney who will give you the same kind of service to which you are accustomed at home.

The Bank Recommended Attorney section of RAND McNALLY BANKERS DIRECTORY is the highest class and most complete law list of its kind in print. Every Attorney listed has been recommended by his bank as reliable and thoroughly seasoned in bank work.

Send your next claim to a Blue Book Attorney, attaching one of the blue coupons bound in front of the section. Then the Attorney will recognize it as a Blue Book claim and give it preference.

CHARLES C. GLOVER, JR.
VICE-CHAIRMAN OF THE BOARD

ROBERT V. FLEMING
PRESIDENT

GEORGE O. VASS
VICE PRESIDENT AND CASHIER

Acknowledging the receipt of your letter of April 2nd, I am delighted to know that you approve of one of my advertising policies, and that is, to use the Bankers Directory in liberal doses. I am very much pleased with this new contract and believe it is money well invested.

I appreciate the kind expressions in your letter, and remain, with cordial regards,

Very truly yours,

GOV/EL

Vice President and Cashier.

This letter is in response to thanks we sent Mr. Vass for practically doubling his Blue Book business.

THE Rand M^cNally BANKERS DIRECTORY has more *advertisers* than its nearest competitor has *subscribers*. It has more *subscribers* than all other similar publications combined.

The BANKERS DIRECTORY (BLUE BOOK) has the most advertisers because of its overwhelming lead in circulation—maintained for more than half a century by its unyielding policy of absolute accuracy and dependability.

That is why *nine out of ten* who advertise in a bank directory use Rand M^cNally's. And why those who advertise in the BLUE BOOK "believe it is money well invested."

Choose legal representatives as you choose securities—

Every bank officer should have a Blue Book at his elbow.

The Blue Book besides containing a complete and accurate list of all banks and bank officers, has—

a complete list of discontinued bank titles for the past five years. Includes titles discontinued because of merger, absorption, failure—

a carefully compiled, thoroughly revised digest of all State laws affecting banking—

a list of all non-bank towns, showing the nearest accessible banking point—

a list of Bank Recommended Attorneys, one for each county—

and a great deal of other information needed by bankers, handily indexed for quick reference.

Keep a Blue Book always at your elbow because—*“if what you want to know has anything to do with banking, you will find it in the Blue Book.”*

The list of selected investment dealers in your Blue Book has helped you steadily—so can the Blue Book list of Bank Recommended Attorneys.

Safe

Bank Recommended Attorneys—listed in your Bankers Directory (Blue Book)—are each recommended by a banker as worthy of handling your out-of-town legal matters.

Seasoned

These attorneys are recommended because they have handled satisfactorily the business of one or more local banks. They are experienced in the work you want them to do.

Marketable

By “marketable” we mean that the list of Bank Recommended Attorneys is easily obtainable at all times. It is right at your elbow—in your Blue Book.

Good Yield

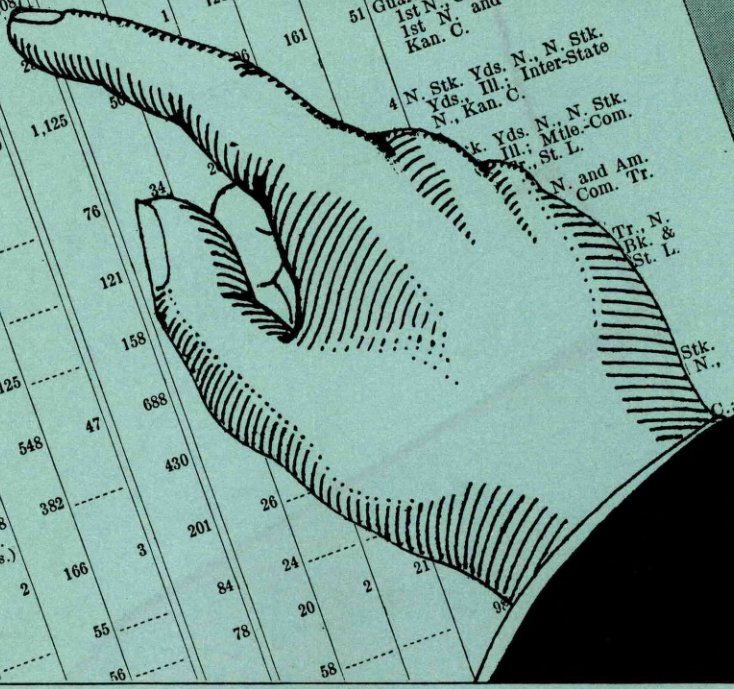

Matters sent to Bank Recommended Attorneys are handled with dispatch. Your money is back to work again when it should be—your delay and detail correspondence is reduced to a minimum.

Choose your legal representatives by the same standards used for buying securities. Use only Bank Recommended Attorneys listed in your Blue Book.

YOUR new Blue Book gives you the latest and most complete bank information available—arranged in 18 convenient columns—condensed to thousands of dollars—stripped of insignificant figure digits—accessible at a glance.

With this columnar arrangement of data there is no time lost in trying to segregate the particular item you are seeking from a jumbled mass of facts. There is no time lost in comparing a given figure with a similar one in another institution, for you simply “run your eye” down the column and locate the corresponding item instantly.

Bankers tell us this style helps them answer their own and customers’

questions more promptly with less effort. Business executives say it is a money saver, because their clerks can check a greater number of banks in less time.

Provide a copy of the new Blue Book for every officer. Also, keep one on the counter for customers’ use—it will not only save your time, but your customers will appreciate this extra service.

THE thousands of banks advertising in this publication do not advertise in order to grow and become prosperous.

They advertise in the BLUE BOOK because they are already growing and already prosperous.

Such are the type of banks you wish to entrust with your business.

To pick out the growing and prosperous bank in any average city is very easy for the user of a Blue Book.

Which is the best bank in (Say) Des Moines, Iowa to entrust with a collection?

Which bank in (Say) Belleville, Illinois shall I select to act in a trust capacity?

At which bank in any reserve city will my account be welcome, appreciated and deserved?
