the Eyes have it! . . .

YOUR new Blue Book gives you the latest and most complete bank information available—arranged in 18 convenient columns—condensed to thousands of dollars—stripped of insignificant figure digits—accessible at a glance.

With this columnar arrangement of data there is no time lost in trying to segregate the particular item you are seeking from a jumbled mass of facts. There is no time lost in comparing a given figure with a similar one in another institution, for you simply "run your eye" down the column and

locate the corresponding item instantly.

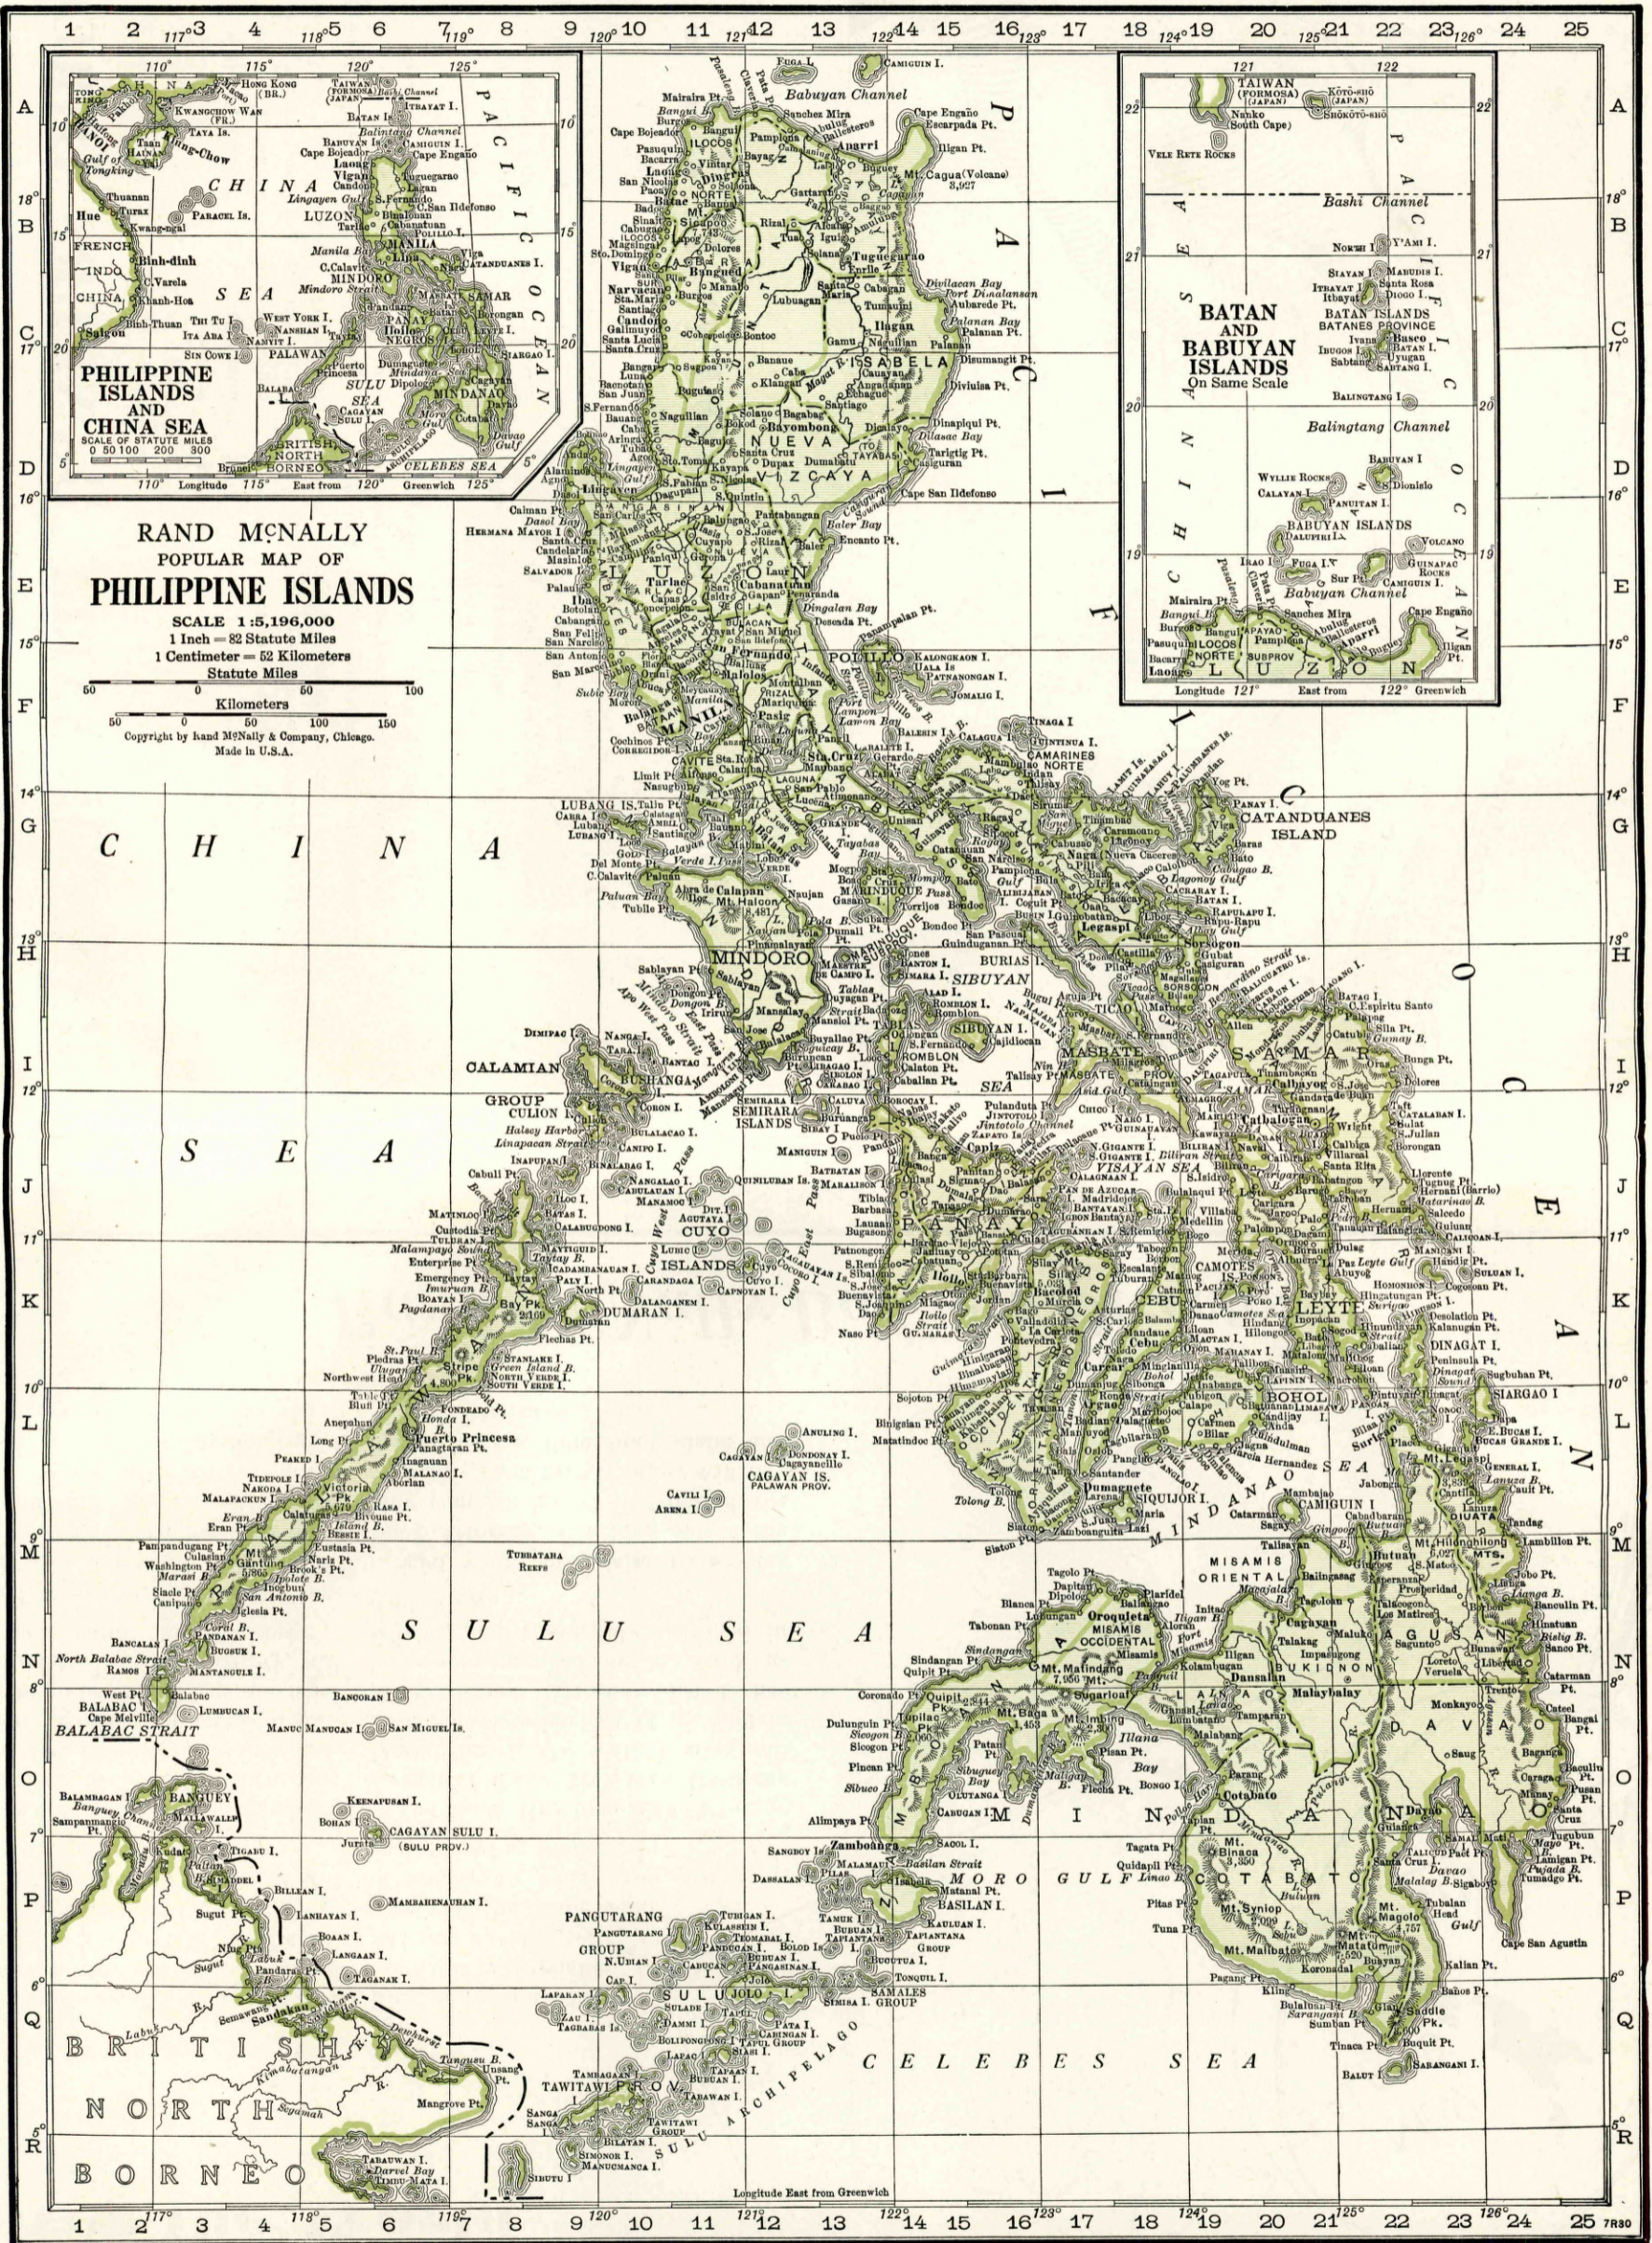

Bankers tell us this style helps them answer their own and customers' questions more promptly with less effort. Business executives say it is a money saver, because their clerks can check a greater number of banks in less time.

Provide a copy of the new Blue Book for every officer. Also, keep one on the counter for customers' use—it will not only save your time, but your customers will appreciate this extra service.

Blue Book Attorneys Cover the World

Dunedin is a small town on the east coast of the southern island of New Zealand, the last post of civilization visited by Admiral Byrd in 1928 before leaving on the final lap of his first trip to the south pole.

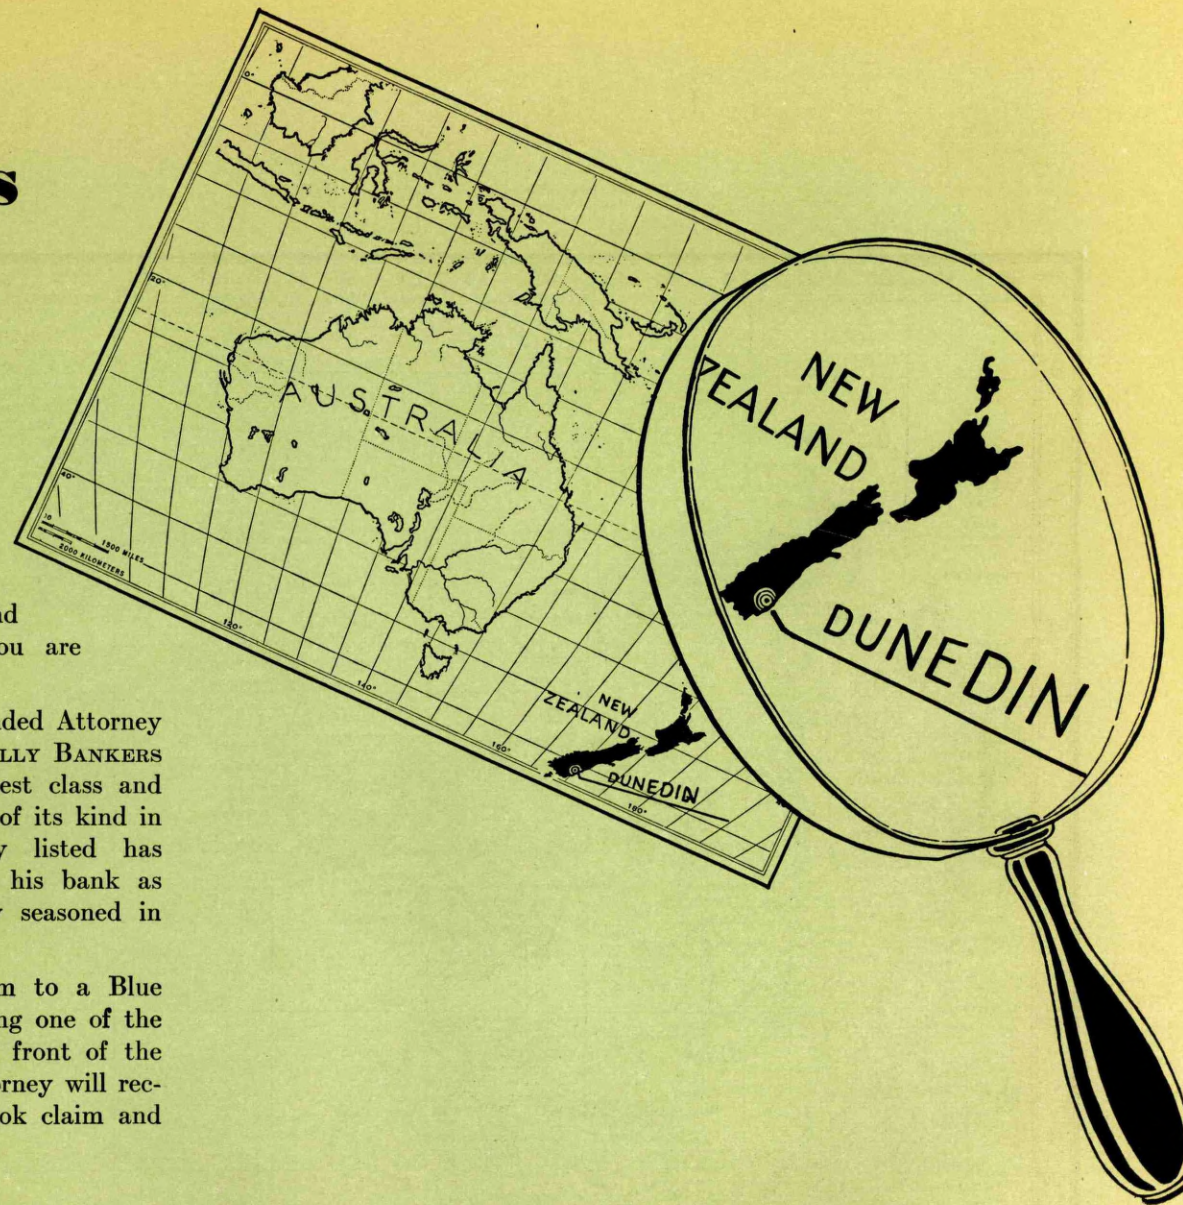

It is an out-of-the-way place to have a collection. But, if you have one there, Messrs. Duncan and MacGregor, Blue Book Attorneys recommended as competent to handle all legal-financial matters referred to that territory, will serve you promptly and efficiently.

In fact, there are Blue Book Attorneys all over the world. No matter whether you have pending legal business in Dunedin, New Zealand, Dunedin, Fla., or any other place, look for the town in the Bank Recommended Attorney section of your new Blue

Book and you will find the name of a reliable Attorney who will give you the same kind of service to which you are accustomed at home.

The Bank Recommended Attorney section of **RAND McNALLY BANKERS DIRECTORY** is the highest class and most complete law list of its kind in print. Every Attorney listed has been recommended by his bank as reliable and thoroughly seasoned in bank work.

Send your next claim to a Blue Book Attorney, attaching one of the blue coupons bound in front of the section. Then the Attorney will recognize it as a Blue Book claim and give it preference.

CHARLES C. GLOVER, JR.
VICE-CHAIRMAN OF THE BOARD

ROBERT V. FLEMING
PRESIDENT

GEORGE O. VASS
VICE PRESIDENT AND CASHIER

Acknowledging the receipt of your letter of April 2nd, I am delighted to know that you approve of one of my advertising policies, and that is, to use the Bankers Directory in liberal doses. I am very much pleased with this new contract and believe it is money well invested.

I appreciate the kind expressions in your letter, and remain, with cordial regards,

Very truly yours,

GOV/EL

Vice President and Cashier.

This letter is in response to thanks we sent Mr. Vass for practically doubling his Blue Book business.

THE Rand M^cNally BANKERS DIRECTORY has more *advertisers* than its nearest competitor has *subscribers*. It has more *subscribers* than all other similar publications combined.

The BANKERS DIRECTORY (BLUE BOOK) has the most advertisers because of its overwhelming lead in circulation—maintained for more than half a century by its unyielding policy of absolute accuracy and dependability.

That is why *nine out of ten* who advertise in a bank directory use Rand M^cNally's. And why those who advertise in the BLUE BOOK "believe it is money well invested."

Practical Knowledge for Key Employees

Many of the country's leading banks subscribe to Rand McNally Bankers Monthly for their officers, directors and key employees, because they have learned that only in this magazine can they find the actual current practices of other institutions on administration policies, operating and personnel methods, credits and collections, increasing deposits and selling services, adjustment of portfolios and director cooperation.

Throughout this coming year we plan to give our readers—among other articles of interest—these seven monthly features:

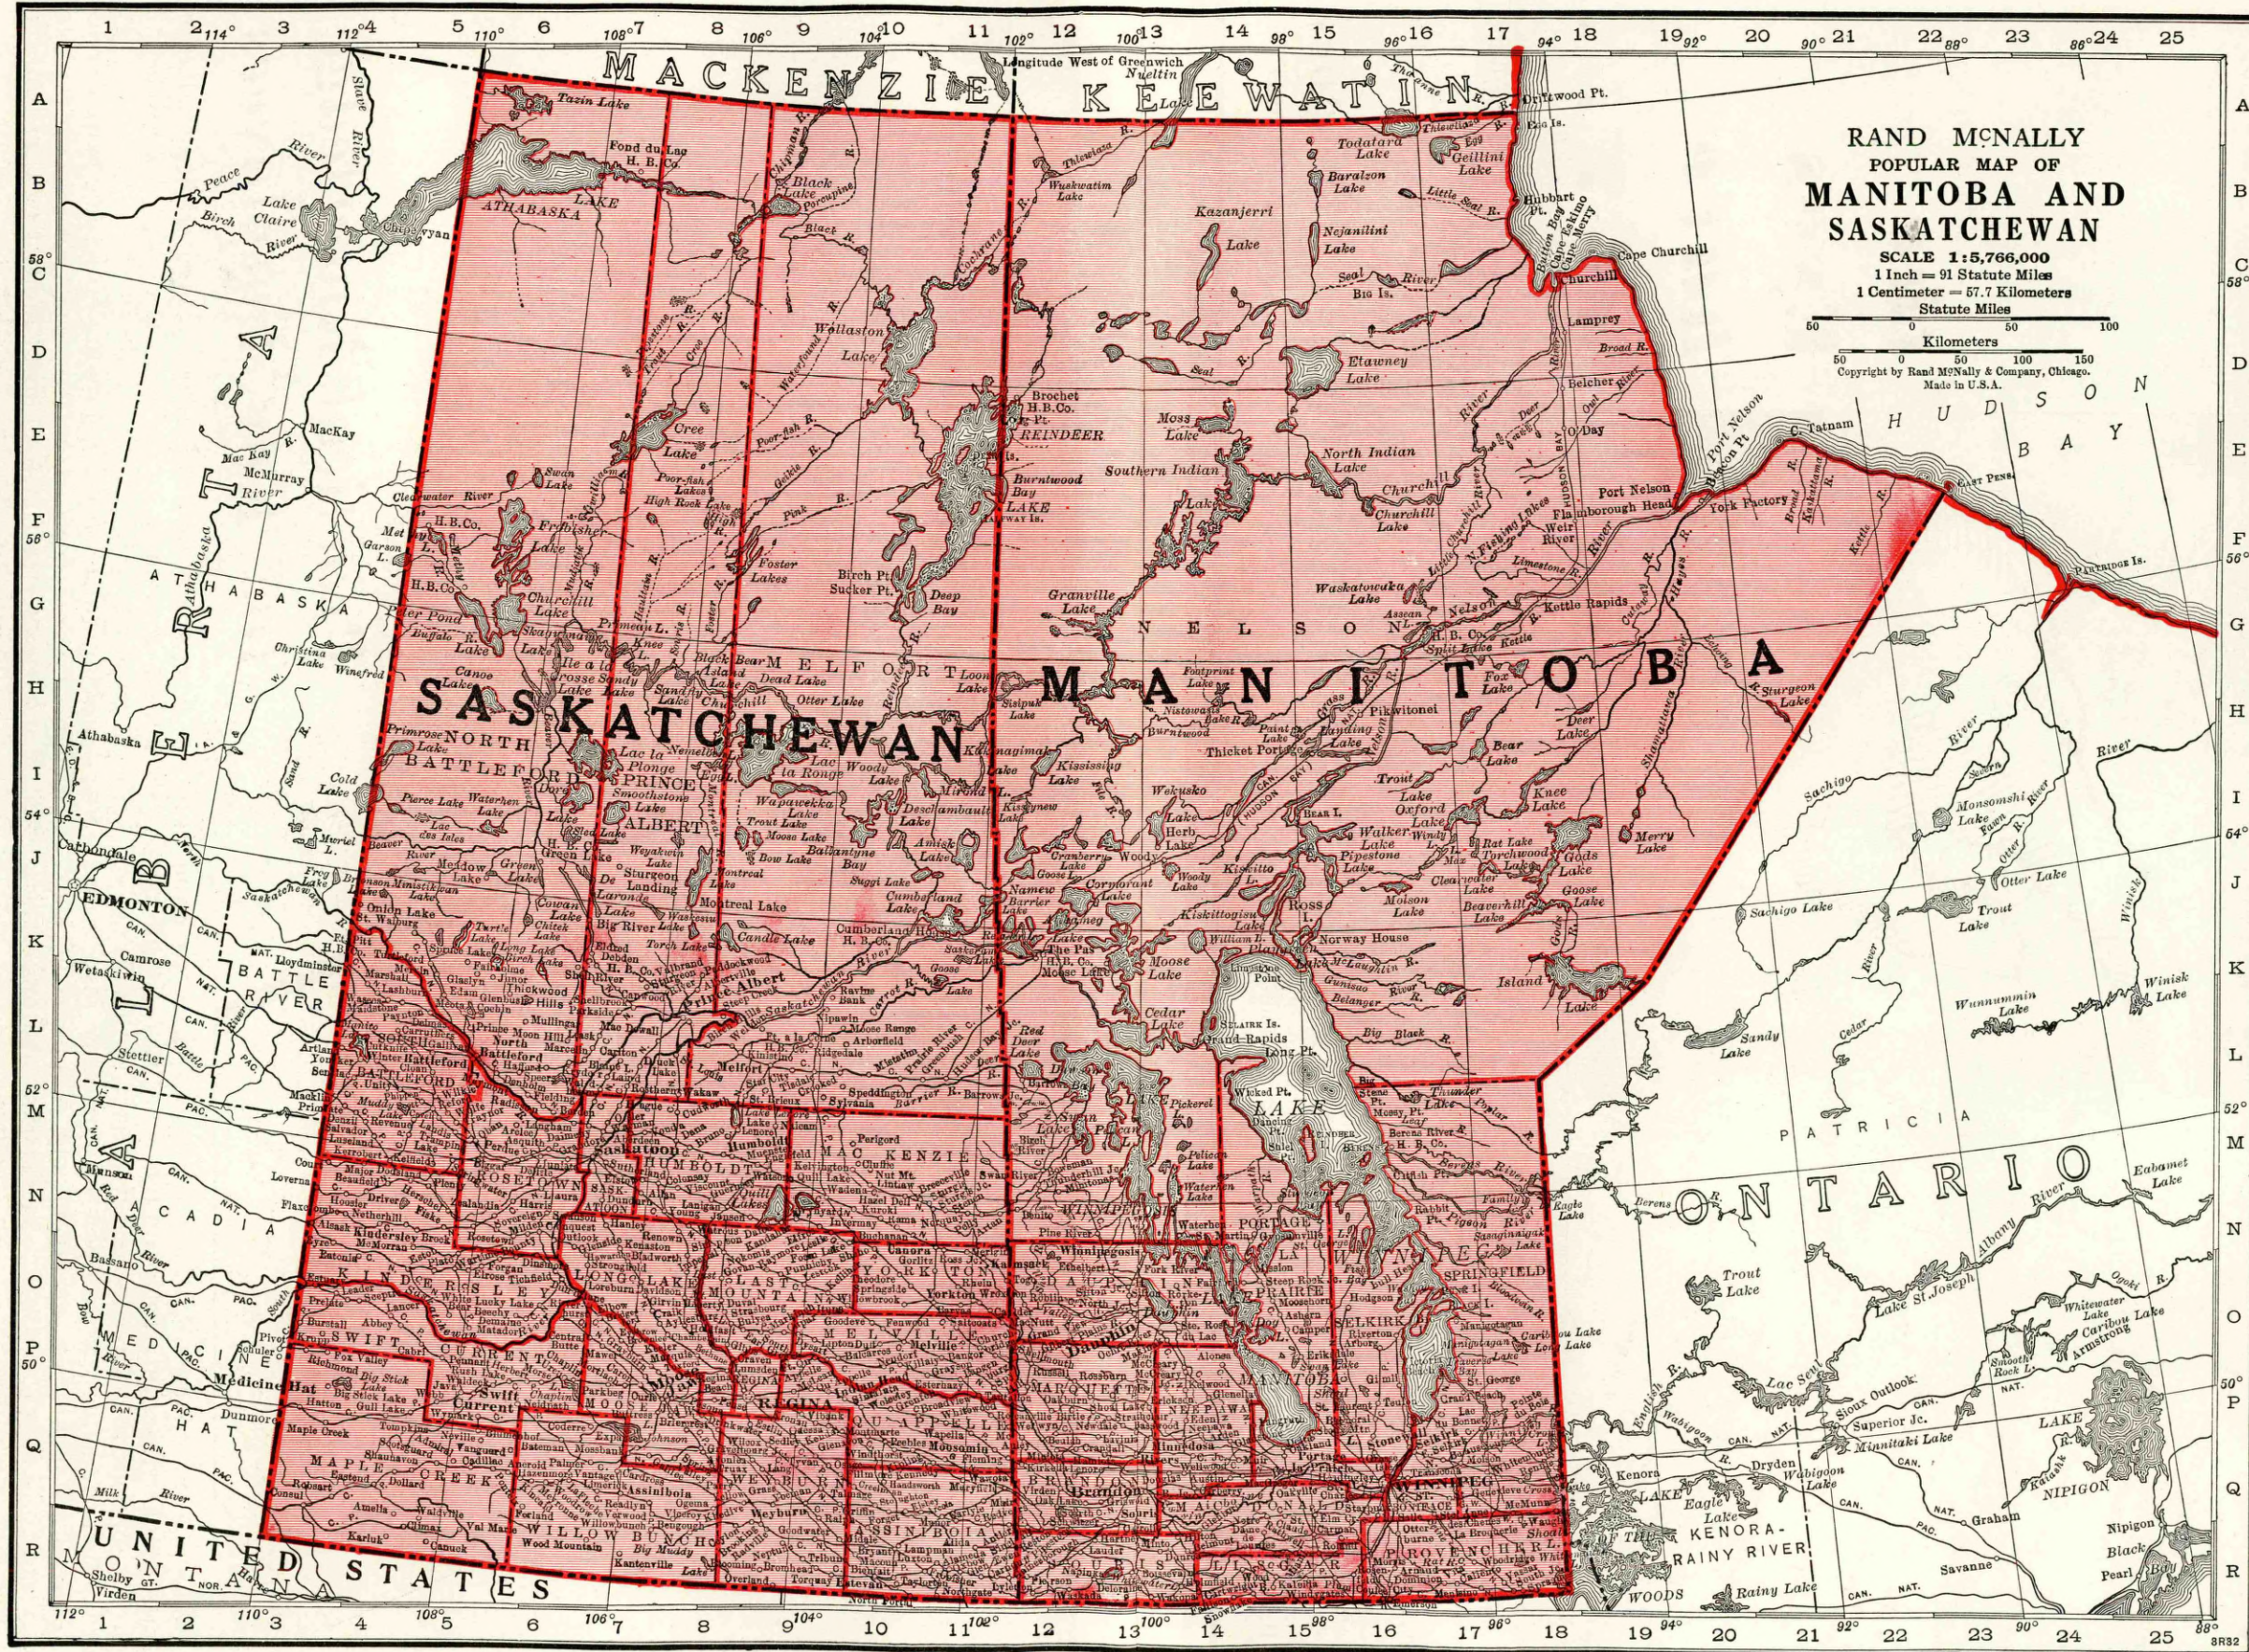

- a banking article of national interest
- a successful plan of vital interest to the loan officer
- a report of teamwork in a bank and what it accomplished

—a better banking house article telling of the installation of some new equipment or service that pleased customers and increased profits

- a new business feature showing how some bank developed a plan to secure deposits, sell its services or increase its loans
- spot news—pertinent items of interest to alert bankers
- all the banking changes of the previous month.

Successful bankers will be attentive readers during 1935! If your officers and key employees are not already on our roster, write immediately for special group discounts.

YOUR new Blue Book gives you the latest and most complete bank information available—arranged in 18 convenient columns—condensed to thousands of dollars—stripped of insignificant figure digits—accessible at a glance.

With this columnar arrangement of data there is no time lost in trying to segregate the particular item you are seeking from a jumbled mass of facts. There is no time lost in comparing a given figure with a similar one in another institution, for you simply "run your eye" down the column and locate the corresponding item instantly.

Bankers tell us this style helps them answer their own and customers'

questions more promptly with less effort. Business executives say it is a money saver, because their clerks can check a greater number of banks in less time.

Provide a copy of the new Blue Book for every officer. Also, keep one on the counter for customers' use—it will not only save your time, but your customers will appreciate this extra service.

The Most Profitable Advertising

Expenditure we made!

GUILFORD NATIONAL BANK
GREENSBORO, N. C.

June 11, 1934

Mr. H. F. Wintrol, Advertising Manager
Rand McNally Bankers Directory
536 South Clark Street
Chicago, Illinois

Dear Mr. Wintrol:

Your records will show that during my connection with the Cabarrus Bank & Trust Company, Concord, North Carolina, as Executive Vice President, we favored you with a contract for a page of space, which, incidentally, I regard as the most profitable advertising expenditure that we made. It should be of even more value to us in Greensboro under the circumstances.

Yours very truly,

W. L. BURNS,
President

WLB/bfb

THOUSANDS of other Blue Book advertisers, by renewing their schedules, have acclaimed the Bankers Directory a sound publicity investment.

Rand McNally Bankers Directory has more subscribers than all other bank directories combined. Through its pages you reach all of the directory users among the banks, investment houses and business organizations in America.

If your bank is equipped to handle additional out-of-town business in an efficient manner and does not advertise in the Blue Book now, write for our rates immediately. You will find that, based upon circulation, our rates are lower than any similar publication.

Blue Book Symbols

answer *more* questions in *less* time and space

BY means of a system of symbols your Blue Book is able to list 36 important facts about every American bank in 18 columns of space. And the columnar arrangement of data—not possible without these symbols—makes it possible for you to locate and compare at a glance any or all items of banks in a community.

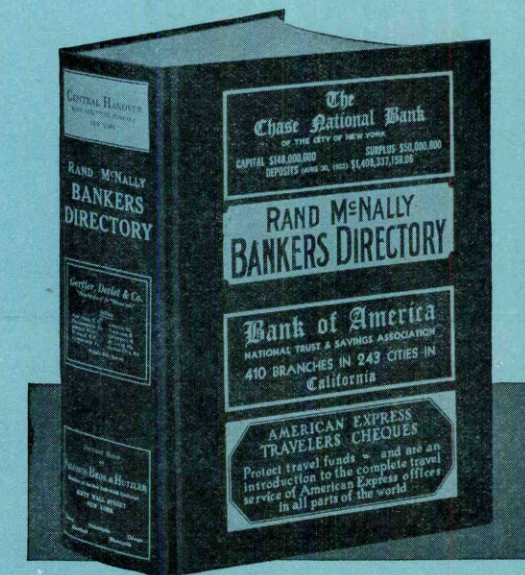

In the new 1934 Blue Book's 18 columns of data you will find answers to the following questions:

Quick Reference via these symbols

- * —signifies county seat
- 7 —shows number of Federal Reserve district
- —shows American Bankers Association membership
- ‡ —shows State Bankers Association membership
- ⁿ —signifies new bank
- § —signifies State bank
- † —signifies private bank
- ◆ —Federal Reserve member
- T —trust department
- B —bond department

YOUR new Blue Book gives you the latest and most complete bank information available—arranged in 18 convenient columns—condensed to thousands of dollars—stripped of insignificant figure digits—accessible at a glance.

With this columnar arrangement of data there is no time lost in trying to segregate the particular item you are seeking from a jumbled mass of facts. There is no time lost in comparing a given figure with a similar one in another institution, for you simply “run your eye” down the column and locate the corresponding item instantly.

Bankers tell us this style helps them answer their own and customers’

questions more promptly with less effort. Business executives say it is a money saver, because their clerks can check a greater number of banks in less time.

Provide a copy of the new Blue Book for every officer. Also, keep one on the counter for customers’ use—it will not only save your time, but your customers will appreciate this extra service.
