FIND the town, select one of the advertising banks, write your letter, enclose the fee 25c or 50c, mail the letter and your part is done—the bank will do the rest. I say “advertising banks” because those banks specialize in this service. You can depend upon their being prompt, intelligent and efficient. Always enclose the fee in advance, as you expect them to do with you.

Number under Name of Bank is the Transit Number given to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.

Practical Knowledge for Key Employees

Many of the country's leading banks subscribe to Rand McNally Bankers Monthly for their officers, directors and key employees, because they have learned that only in this magazine can they find the actual current practices of other institutions on administration policies, operating and personnel methods, credits and collections, increasing deposits and selling services, adjustment of portfolios and director cooperation.

Throughout the coming months we plan to give our readers—among other articles of interest—these seven monthly features:

- a banking article of national interest
- a successful plan of vital interest to the loan officer
- a report of teamwork in a bank and what it accomplished

—a better banking house article telling of the installation of some new equipment or service that pleased customers and increased profits

—a new business feature showing how some bank developed a plan to secure deposits, sell its services or increase its loans

- spot news—pertinent items of interest to alert bankers
- all the banking changes of the previous month.

Successful bankers are attentive readers of Bankers Monthly! If your officers and key employees are not already on our roster, write immediately for special group discounts.

YOUR new Blue Book gives you the latest and most complete bank information available—arranged in 18 convenient columns—condensed to thousands of dollars—stripped of insignificant figure digits—accessible at a glance.

With this columnar arrangement of data there is no time lost in trying to segregate the particular item you are seeking from a jumbled mass of facts. There is no time lost in comparing a given figure with a similar one in another institution, for you simply "run your eye" down the column and locate the corresponding item instantly.

Bankers tell us this style helps them answer their own and customers'

questions more promptly with less effort. Business executives say it is a money saver, because their clerks can check a greater number of banks in less time.

Provide a copy of the new Blue Book for every officer. Also, keep one on the counter for customers' use—it will not only save your time, but your customers will appreciate this extra service.

Blue Book Attorneys Cover the World

Dunedin is a small town on the east coast of the southern island of New Zealand, the last post of civilization visited by Admiral Byrd in 1928 before leaving on the final lap of his first trip to the south pole.

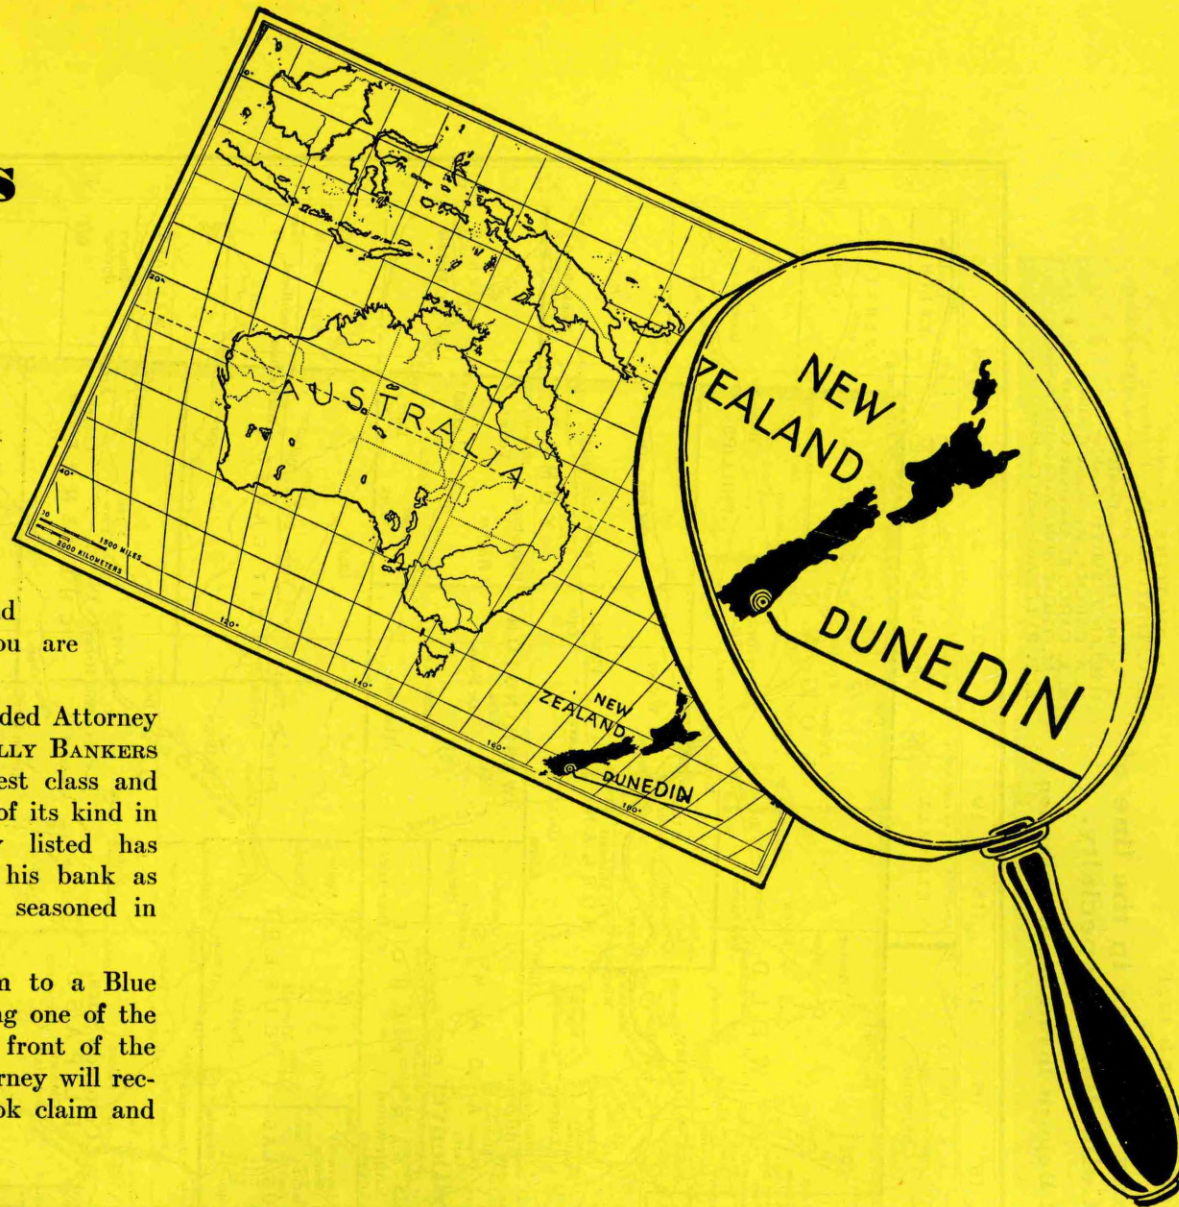

It is an out-of-the-way place to have a collection. But, if you have one there, Messrs. Duncan and MacGregor, Blue Book Attorneys recommended as competent to handle all legal-financial matters referred to that territory, will serve you promptly and efficiently.

In fact, there are Blue Book Attorneys all over the world. No matter whether you have pending legal business in Dunedin, New Zealand, Dunedin, Fla., or any other place, look for the town in the Bank Recommended Attorney section of your new Blue

Book and you will find the name of a reliable Attorney who will give you the same kind of service to which you are accustomed at home.

The Bank Recommended Attorney section of RAND McNALLY BANKERS DIRECTORY is the highest class and most complete law list of its kind in print. Every Attorney listed has been recommended by his bank as reliable and thoroughly seasoned in bank work.

Send your next claim to a Blue Book Attorney, attaching one of the blue coupons bound in front of the section. Then the Attorney will recognize it as a Blue Book claim and give it preference.

FOR BRIDGEPORT ITEMS

THE FIRST NATIONAL BANK & TRUST CO.

Why It Will Pay You to Use Bankers Secretary Service!

1. Because it will save you time and money by giving you complete, up-to-date buying information on any article of equipment and supplies—or service—a bank needs . . . All you have to do is check the list below and write your needs to the Bankers Secretary. If the article you want is not included in the list, tell us what it is and we will gladly supply the information.

2. It gives you information about which you probably have nothing in your files and could not locate yourself. Every week we receive inquiries of this nature. It is a simple matter for us to locate the manufacturers of such items, but sometimes it is a near impossibility for a banker to locate certain ones.

3. The Bankers Secretary is a service offered free of charge to the subscribers of Rand McNally Banking Publications. It is the whole-hearted desire on our part to fill a place in the banking field which we know no other person or organization is so well qualified to take . . . Call on the Bankers Secretary . . . Our files, filled with valuable information on any item a bank needs, is at your disposal.

A match for any Banking Books in print! . . .

WE'LL accept your judgment of these three volumes as against any current books on banking.

Each of them gives successful experiences of hundreds of bankers in meeting every major problem that confronts you every day. **BANK LOAN MANAGEMENT** covers the entire financial administration of a bank from the three-fold standpoint of yield, liquidity and safety. **BANK COST CONTROL** shows how you can coordinate your accounting and auditing functions to eliminate internal waste and risks. **ADVERTISING FOR BANKS** is a complete manual of approved methods for creating and

maintaining public confidence and building new business. With these three books on your desk, you will be well armed for the daily job of making and preserving bank profits.

But, we will not ask you to buy these books until they themselves convince you. Send for them today and look them over at our expense.

READ THEM FREE

Send for these volumes and read them through at our expense. Then, if you decide you want to keep them on your desk for daily reference, you may do so by simply sending us your check for \$10. Otherwise, you may return them and you will owe us nothing for the privilege of reading them. We will pay the return charges.

YOUR new Blue Book gives you the latest and most complete bank information available—arranged in 18 convenient columns—condensed to thousands of dollars—stripped of insignificant figure digits—accessible at a glance.

With this columnar arrangement of data there is no time lost in trying to segregate the particular item you are seeking from a jumbled mass of facts. There is no time lost in comparing a given figure with a similar one in another institution, for you simply “run your eye” down the column and locate the corresponding item instantly.

Bankers tell us this style helps them answer their own and customers’

questions more promptly with less effort. Business executives say it is a money saver, because their clerks can check a greater number of banks in less time.

Provide a copy of the new Blue Book for every officer. Also, keep one on the counter for customers’ use—it will not only save your time, but your customers will appreciate this extra service.

For Credit Information — THE EXCHANGE NATIONAL BANK of Tampa TAMPA, FLORIDA — For Prompt Collections

The Matson liner Malolo (Flying Fish) entering Honolulu Harbor. Natives in outrigger canoes are escorting her, as is the custom with all incoming steamers.

Is Your Bank's Horizon World Wide?

The customers you care the most about keeping are the very ones who would be most interested in seeing international banking services offered by your bank: the manufacturer interested in establishing world markets; the importer who helps settle international debts; the inexperienced or the seasoned globe-trotter—they all look to you for *international* information.

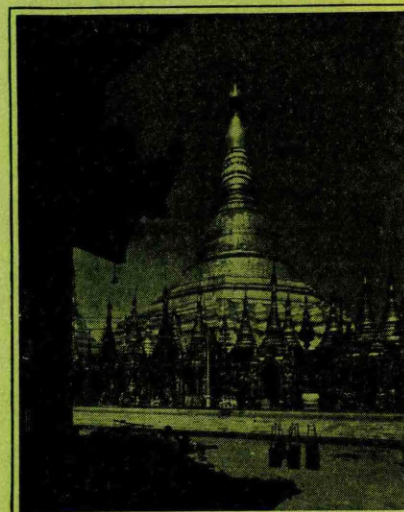

Their accounts are valuable. And, with a BLUE BOOK at your elbow, you are fully equipped to extend your bank's service throughout the world.

The Foreign Banks Section of your BLUE BOOK contains a complete and accurate list of all banks in the world. It shows the statement of condition of the chief foreign banks, together with officers and principal correspondents.

The BLUE BOOK also contains a table of postal and parcel post rates to any section of the globe. It gives a list of common commercial terms in ten languages.

Your BLUE BOOK contains maps of Europe, Asia, Africa, England, Philippine Islands, South America, Mexico, West Indies and Alaska.

Every officer who serves depositors should have a BLUE BOOK—an up-to-date copy—for his personal use. Especially those who serve importers, exporters and travellers.

The Shiva Dragon Pagoda at Rangoon in Burma. This is the country Kipling wrote about in his poem "The Road to Mandalay."

Dusk at Honaunau, Kona district of the island of Hawaii. The ruins of the ancient city of refuge shows in the background.

Ga.

THE thousands of banks advertising in this publication do not advertise in order to grow and become prosperous.

They advertise in the BLUE BOOK because they are already growing and already prosperous.

Such are the type of banks you wish to entrust with your business.

To pick out the growing and prosperous bank in any average city is very easy for the user of a Blue Book.

Which is the best bank in (Say) Des Moines, Iowa to entrust with a collection?

Which bank in (Say) Belleville, Illinois shall I select to act in a trust capacity?

At which bank in any reserve city will my account be welcome, appreciated and deserved?
