*This attorney is competent and reliable
and I recommend him to the
bankers of America*

A directory of attorneys . . . one for each county in the United States . . . and every attorney recommended by a banker.

The only basis for these banker recommendations is satisfactory performance. These attorneys are actually handling bank matters with firmness, discretion and dispatch. Nearly every mail brings a number of enthusiastic letters from bankers who use this directory of Bank Recommended Attorneys regularly and often.

If you are not using Bank Recommended Attorneys, you are not experiencing the legal service it is possible for a banker to enjoy. And the directory of Bank Recommended Attorneys is right at your elbow . . . it's a valuable part of your BANKERS DIRECTORY (BLUE BOOK).

Use this attorney directory for your out-of-town legal business.

☞ It is the duty of every bank officer to use time efficiently.

☞ See that you have a BLUE BOOK always at your elbow. It will more than pay its costs by saving your time—to say nothing of increasing your efficiency.

☞ In your daily work, remember—if *what you want to know has anything to do with banking, you will find it in the BANKERS DIRECTORY.*

Number under Name of Bank is the Transit Number given to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.

A match for any Banking Books in print! . . .

WE'LL accept your judgment of these three volumes as against any current books on banking.

Each of them gives successful experiences of hundreds of bankers in meeting every major problem that confronts you every day. **BANK LOAN MANAGEMENT** covers the entire financial administration of a bank from the three-fold standpoint of yield, liquidity and safety. **BANK COST CONTROL** shows how you can coordinate your accounting and auditing functions to eliminate internal waste and risks. **ADVERTISING FOR BANKS** is a complete manual of approved methods for creating and

maintaining public confidence and building new business. With these three books on your desk, you will be well armed for the daily job of making and preserving bank profits.

But, we will not ask you to buy these books until they themselves convince you. Send for them today and look them over at our expense.

READ THEM FREE

Send for these volumes and read them through at our expense. Then, if you decide you want to keep them on your desk for daily reference, you may do so by simply sending us your check for \$10. Otherwise, you may return them and you will owe us nothing for the privilege of reading them. We will pay the return charges.

Before YOU SIGN ~

A contract for bank directory service, give careful consideration to the following facts:

1. The Rand McNally Bankers Directory (The Bankers Blue Book) for more than 60 years has been the standard publication of its kind.
2. It has a paid circulation several times larger than its nearest competitor, and larger than all similar directories combined.
3. 95% of the banks subscribing to bank directories buy the Rand McNally Bankers Blue Book.
4. Based on circulation its rates are one-third that of any similar publication.
5. Thousands of Commercial Banks, Savings, Trust and Investment Banking Houses advertise only in THE BANKERS DIRECTORY.
6. The number of advertisers alone greatly exceeds the number of paid subscribers to any similar work.
7. Its greater prestige, circulation and preference is deserved because it is the most reliable and comprehensive reference book of its kind and the publishers spare no expense in keeping it complete, thorough and up-to-date.
8. The Blue Book is the Official Numbering Agent of the American Bankers Association.

Your next bank directory should be

YOUR new Blue Book gives you the latest and most complete bank information available—arranged in 18 convenient columns—condensed to thousands of dollars—stripped of insignificant figure digits—accessible at a glance.

With this columnar arrangement of data there is no time lost in trying to segregate the particular item you are seeking from a jumbled mass of facts. There is no time lost in comparing a given figure with a similar one in another institution, for you simply “run your eye” down the column and locate the corresponding item instantly.

Bankers tell us this style helps them answer their own and customers’

questions more promptly with less effort. Business executives say it is a money saver, because their clerks can check a greater number of banks in less time.

Provide a copy of the new Blue Book for every officer. Also, keep one on the counter for customers’ use—it will not only save your time, but your customers will appreciate this extra service.

Practical Knowledge for Key Employees

Many of the country's leading banks subscribe to Rand McNally Bankers Monthly for their officers, directors and key employees, because they have learned that only in this magazine can they find the actual current practices of other institutions on administration policies, operating and personnel methods, credits and collections, increasing deposits and selling services, adjustment of portfolios and director cooperation.

Throughout the coming months we plan to give our readers—among other articles of interest—these seven monthly features:

- a banking article of national interest
- a successful plan of vital interest to the loan officer

—a report of teamwork in a bank and what it accomplished

—a better banking house article telling of the installation of some new equipment or service that pleased customers and increased profits

—a new business feature showing how some bank developed a plan to secure deposits, sell its services or increase its loans.

—spot news—pertinent items of interest to alert bankers

—all the banking changes of the previous month.

Successful bankers are attentive readers of Bankers Monthly! If your officers and key employees are not already on our roster, write immediately for special group discounts.

Is Your Bank's Horizon World Wide?

The customers you care the most about keeping are the very ones who would be most interested in seeing international banking services offered by your bank: the manufacturer interested in establishing world markets; the importer who helps settle international debts; the inexperienced or the seasoned globe-trotter—they all look to you for *international* information.

Their accounts are valuable. And, with a BLUE BOOK at your elbow, you are fully equipped to extend your bank's service throughout the world.

The Foreign Banks Section of your BLUE BOOK contains a complete and accurate list of all banks in

the world. It shows the statement of condition of the chief foreign banks, together with officers and principal correspondents.

The BLUE BOOK also contains a table of postal and parcel post rates to any section of the globe. It gives a list of common commercial terms in ten languages.

Your BLUE BOOK contains maps of Europe, Asia, Africa, England, Philippine Islands, South America, Mexico, West Indies and Alaska.

Every officer who serves depositors likely to need foreign banking service should have a BLUE BOOK—an up-to-date copy—for his personal use.

The Shiva Dragon Pagoda at Rangoon in Burma. This is the country Kipling wrote about in his poem "The Road to Mandalay."
