ROBERT V. FLEMING
PRESIDENT

GEORGE O. VASS
VICE PRESIDENT AND CASHIER

Acknowledging the receipt of your letter of April 2nd, I am delighted to know that you approve of one of my advertising policies, and that is, to use the Bankers Directory in liberal doses. I am very much pleased with this new contract and believe it is money well invested.

I appreciate the kind expressions in your letter, and remain, with cordial regards,

Very truly yours,

GOV/EL

Vice President and Cashier.

This letter is in response to thanks we sent Mr. Vass for practically doubling his Blue Book business.

THE Rand M^cNally BANKERS DIRECTORY has more advertisers than its nearest competitor has subscribers. It has more subscribers than all other similar publications combined.

The BANKERS DIRECTORY (BLUE BOOK) has the most advertisers because of its overwhelming lead in circulation—maintained for more than half a century by its unyielding policy of absolute accuracy and dependability.

That is why *nine out of ten* who advertise in a bank directory use Rand M^cNally's. And why those who advertise in the BLUE BOOK "believe it is money well invested."

Blue Book Attorneys Cover the World

Dunedin is a small town on the east coast of the southern island of New Zealand, the last post of civilization visited by Admiral Byrd in 1928 before leaving on the final lap of his first trip to the south pole.

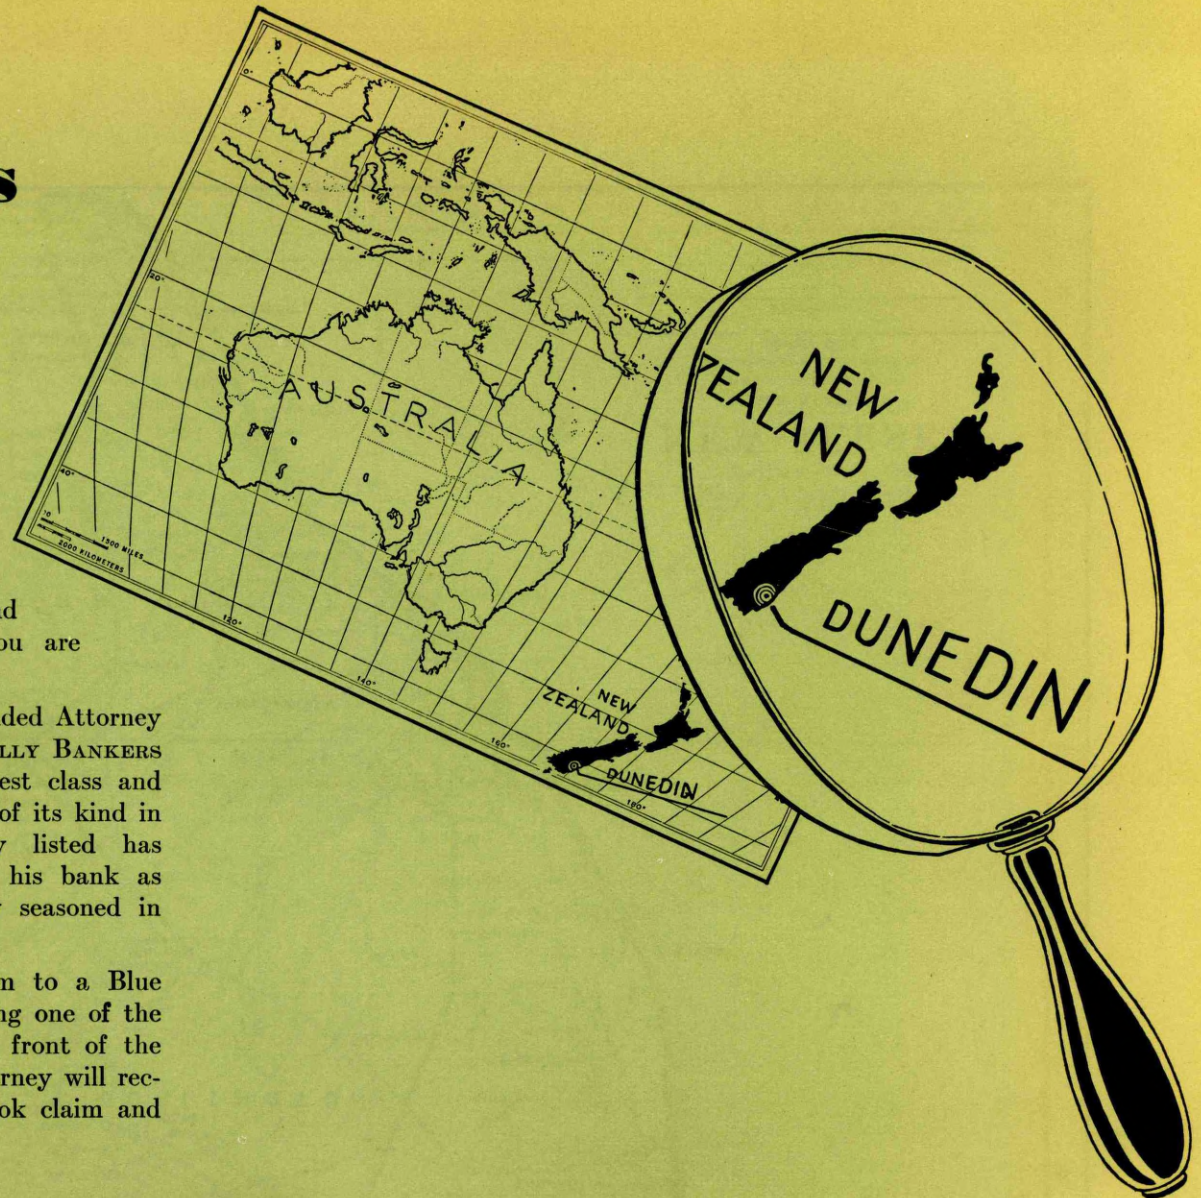

It is an out-of-the-way place to have a collection. But, if you have one there, Messrs. Duncan and MacGregor, Blue Book Attorneys recommended as competent to handle all legal-financial matters referred to that territory, will serve you promptly and efficiently.

In fact, there are Blue Book Attorneys all over the world. No matter whether you have pending legal business in Dunedin, New Zealand, Dunedin, Fla., or any other place, look for the town in the Bank Recommended Attorney section of your new Blue

Book and you will find the name of a reliable Attorney who will give you the same kind of service to which you are accustomed at home.

The Bank Recommended Attorney section of RAND McNALLY BANKERS DIRECTORY is the highest class and most complete law list of its kind in print. Every Attorney listed has been recommended by his bank as reliable and thoroughly seasoned in bank work.

Send your next claim to a Blue Book Attorney, attaching one of the blue coupons bound in front of the section. Then the Attorney will recognize it as a Blue Book claim and give it preference.

ALBUQUERQUE

Largest city in New Mexico

... is the commercial and banking center of this 122,634 square-mile state. It is the hub of a great livestock industry, the distribution point for an area as large as New York and Pennsylvania combined, the center of the irrigated farming section of the Rio Grande River which is drained, irrigated, flood-controlled and supplied with stored water by the vast canals and dams of the Middle Rio Grande Conservancy District, just being completed. Located at Albuquerque are 38 offices of agencies of the United States Government, an enormous Veterans' Administration Hospital and a Government

Indian Hospital, placed here because of the truly remarkable year-round sunshiny climate which is neither unusually hot in summer or cold in winter. Here, also, is the State University of New Mexico, with archaeological and Spanish departments second to none in the country. Albuquerque is on the main line of the Santa Fe Railway, on the TWA and Varney Speed Lines with either coast accessible in less than a day, on U. S. Highways 66 and 85. We will be glad to supply information about New Mexico, Albuquerque, or banking facilities, to all those interested.

TEN DOLLARS NOW BUYS THIS COMPLETE BANKING REFERENCE LIBRARY! . . .

Making Profits

Bank Loan Management, by H. N. Stronck and J. Eigelberner, 268 pages. This volume covers the entire financial administration of a bank. It shows how to handle every type of loan from the three-fold standpoint of yield, liquidity and safety—how to judge the credit risk—how to utilize outside credit information—how to handle the investment account and the ten commandments of successful loan administration. It is a handy guide for all profit-making activities.

Preserving Economies

Bank Cost Control, by Benjamin E. Young, 299 pages. This volume shows how to coordinate the auditing and accounting functions in a bank to establish a control that will eliminate waste and risks. By means of this audit and control system you can determine and allocate your various operating costs and figure a finished cost per transaction. It is a handy guide for the control of all inside operations.

Building Business

Advertising For Banks, by Don Knowlton, 533 pages. The author of this book shows how a bank of any size can

decide upon an advertising budget—how it can make that budget cover the necessary forms of publicity—how the one in charge of publicity can write and produce the various forms of advertisements—how he can build effective interior and window displays—how to build new business and maintain favorable customer and community relations. It is a handy guide for all publicity and deposit building activities.

The Bankers Secretary is a free service, but a necessary one. We run it for three reasons. In the first place, we are in a better position to keep track of manufacturers of bank equipment and supplies than any other organization in the banking field. Second, we can render a distinctive service to our subscribers through the Bankers Secretary. And third, Bankers Secretary inquiries tell us the basic interests of banking and in that way help us to mould our editorial policies.

GUILFORD NATIONAL BANK OF GREENSBORO WE SOLICIT YOUR COLLECTIONS RESPONSIBLE, EFFICIENT ATTENTION—PROMPT REMITTANCE

Before YOU SIGN

A contract for bank directory service, give careful consideration to the following facts:

1. The Rand McNally Bankers Directory (The Bankers Blue Book) for more than 60 years has been the standard publication of its kind.
2. It has a paid circulation several times larger than its nearest competitor, and larger than all similar directories combined.
3. 95% of the banks subscribing to bank directories buy the Rand McNally Bankers Blue Book.
4. Based on circulation its rates are one-third that of any similar publication.
5. Thousands of Commercial Banks, Savings, Trust and Investment Banking Houses advertise only in THE BANKERS DIRECTORY.
6. The number of advertisers alone greatly exceeds the number of paid subscribers to any similar work.
7. Its greater prestige, circulation and preference is deserved because it is the most reliable and comprehensive reference book of its kind and the publishers spare no expense in keeping it complete, thorough and up-to-date.
8. The Blue Book is the Official Numbering Agent of the American Bankers Association.

Your next bank directory should be the

YOUR new Blue Book gives you the latest and most complete bank information available—arranged in 18 convenient columns—condensed to thousands of dollars—stripped of insignificant figure digits—accessible at a glance.

With this columnar arrangement of data there is no time lost in trying to segregate the particular item you are seeking from a jumbled mass of facts. There is no time lost in comparing a given figure with a similar one in another institution, for you simply "run your eye" down the column and locate the corresponding item instantly.

Bankers tell us this style helps them answer their own and customers'

questions more promptly with less effort. Business executives say it is a money saver, because their clerks can check a greater number of banks in less time.

Provide a copy of the new Blue Book for every officer. Also, keep one on the counter for customers' use—it will not only save your time, but your customers will appreciate this extra service.
