CHARLES C. GLOVER, JR.
VICE-CHAIRMAN OF THE BOARD

ROBERT V. FLEMING
PRESIDENT

GEORGE O. VASS
VICE PRESIDENT AND CASHIER

Acknowledging the receipt of your letter of April 2nd, I am delighted to know that you approve of one of my advertising policies, and that is, to use the Bankers Directory in liberal doses. I am very much pleased with this new contract and believe it is money well invested.

I appreciate the kind expressions in your letter, and remain, with cordial regards,

Very truly yours,

GOV/EL

Vice President and Cashier.

This letter is in response to thanks we sent Mr. Vass for practically doubling his Blue Book business.

THE Rand M^cNally BANKERS DIRECTORY has more *advertisers* than its nearest competitor has *subscribers*. It has more *subscribers* than all other similar publications combined.

The BANKERS DIRECTORY (BLUE BOOK) has the most advertisers because of its overwhelming lead in circulation—maintained for more than half a century by its unyielding policy of absolute accuracy and dependability.

That is why *nine out of ten* who advertise in a bank directory use Rand M^cNally's. And why those who advertise in the BLUE BOOK "believe it is money well invested."

YOUR new Blue Book gives you the latest and most complete bank information available—arranged in 18 convenient columns—condensed to thousands of dollars—stripped of insignificant figure digits—accessible at a glance.

With this columnar arrangement of data there is no time lost in trying to segregate the particular item you are seeking from a jumbled mass of facts. There is no time lost in comparing a given figure with a similar one in another institution, for you simply "run your eye" down the column and locate the corresponding item instantly.

Bankers tell us this style helps them answer their own and customers'

questions more promptly with less effort. Business executives say it is a money saver, because their clerks can check a greater number of banks in less time.

Provide a copy of the new Blue Book for every officer. Also, keep one on the counter for customers' use—it will not only save your time, but your customers will appreciate this extra service.

THE thousands of banks advertising in this publication do not advertise in order to grow and become prosperous.

They advertise in the BLUE BOOK because they are already growing and already prosperous.

Such are the type of banks you wish to entrust with your business.

To pick out the growing and prosperous bank in any average city is very easy for the user of a Blue Book.

Which is the best bank in (Say) Des Moines, Iowa to entrust with a collection?

Which bank in (Say) Belleville, Illinois shall I select to act in a trust capacity?

At which bank in any reserve city will my account be welcome, appreciated and deserved?
