Gentlemen:

In looking over the advertisements in your banker's magazine I have noticed the enclosed out of books which I believe will be very useful to me, and you may send them in accordance with the inspection coupon which I have signed.

I take this opportunity to congratulate you on the excellent articles in your bank magazine, I find them very interesting and informative.

Yours very truly,

HARDLY a day passes that we do not receive at least one unsolicited word of praise for the practical editorial content of the **BANKERS MONTHLY**.

Many banks, realizing there is no other publication specializing in the current practices of successful banks, subscribe to the **Bankers Monthly** for groups of their employees.

For complete particulars as to special group rates for your key employees, address one of the offices below. There will be no obligation, of course, and you will be surprised to learn how small the investment will be.

Every bank officer should have a Blue Book at his elbow.

The Blue Book besides containing a complete and accurate list of all banks and bank officers, has—

a complete list of discontinued bank titles for the past five years. Includes titles discontinued because of merger, absorption, failure—

a carefully compiled, thoroughly revised digest of all State laws affecting banking—

a list of all non-bank towns, showing the nearest accessible banking point—

a list of Bank Recommended Attorneys, one for each county—

and a great deal of other information needed by bankers, handily indexed for quick reference.

Keep a Blue Book always at your elbow because—*“if what you want to know has anything to do with banking, you will find it in the Blue Book.”*

Choose legal representatives as you choose securities—

The list of selected investment dealers in your Blue Book has helped you steadily—so can the Blue Book list of Bank Recommended Attorneys.

Safe

Bank Recommended Attorneys—listed in your Bankers Directory (Blue Book)—are each recommended by a banker as worthy of handling your out-of-town legal matters.

Seasoned

These attorneys are recommended because they have handled satisfactorily the business of one or more local banks. They are experienced in the work you want them to do.

Marketable

By “marketable” we mean that the list of Bank Recommended Attorneys is easily obtainable at all times. It is right at your elbow—in your Blue Book.

Good Yield

Matters sent to Bank Recommended Attorneys are handled with dispatch. Your money is back to work again when it should be—your delay and detail correspondence is reduced to a minimum.

Choose your legal representatives by the same standards used for buying securities. Use only Bank Recommended Attorneys listed in your Blue Book.

Number under Name of Bank is the Transit Number given to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.

Exceptional service offered to bankers and commercial houses for collections on Southern Arizona, and particularly down the West Coast of Mexico, by reason of our many correspondents in the principal cities of that Republic.

Yardsticks of Progress

Deposits Important as a reflection of the public's confidence, as well as being an acknowledged yardstick of growth, is the steady, consistent increase in our deposits from \$6,700,000 five years ago (December 1932), to its present figure of over \$37,000,000.

Customers Our substantial increase in deposits during the past five years has not been brought about by a few (nor a few dozen) large depositors, but by the many thousands of men and women now banking here who were not customers in 1932. Today, more than 60,000 Arizonans use the statewide facilities of this bank.

Loans Being a storehouse for deposits is not enough. We believe these funds can be safely, profitably loaned to worthy Arizona business firms and individuals. Consequently, our loans have increased from less than \$3,000,000 in 1932, to nearly \$14,000,000 today.

Personnel Friendly, conscientious men and women, using modern methods and equipment, daily serve the needs of our thousands of customers. In 1932 it took only 87 employees, while today, 300 people devote their efforts to handling your banking requirements.

Organization Geographical expansion during the past five years has given added meaning to our slogan, "Complete, Statewide Banking Facilities." Nine new offices, bringing the total to 19, now give us greater opportunity than ever before to better serve ALL of Arizona.

Before YOU SIGN ~

A contract for bank directory service, give careful consideration to the following facts:

1. The Rand McNally Bankers Directory (The Bankers Blue Book) for 66 years has been the standard publication of its kind.
2. It has a paid circulation several times larger than its nearest competitor, and larger than all similar directories combined.
3. 95% of the banks subscribing to bank directories buy the Rand McNally Bankers Blue Book.
4. Based on circulation its rates are one-third that of any similar publication.
5. Thousands of Commercial Banks, Savings, Trust and Investment Banking Houses advertise only in THE BANKERS DIRECTORY.
6. The number of advertisers alone greatly exceeds the number of paid subscribers to any similar work.
7. Its greater prestige, circulation and preference is deserved because it is the most reliable and comprehensive reference book of its kind and the publishers spare no expense in keeping it complete, thorough and up-to-date.
8. The Blue Book is the Official Numbering Agent of the American Bankers Association.

the Eyes have it! . . .

YOUR new Blue Book gives you the latest and most complete bank information available—arranged in 18 convenient columns—condensed to thousands of dollars—stripped of insignificant figure digits—accessible at a glance.

With this columnar arrangement of data there is no time lost in trying to segregate the particular item you are seeking from a jumbled mass of facts. There is no time lost in comparing a given figure with a similar one in another institution, for you simply “run your eye” down the column and

locate the corresponding item instantly. Bankers tell us this style helps them answer their own and customers’ questions more promptly with less effort. Business executives say it is a money saver, because their clerks can check a greater number of banks in less time.

Provide a copy of the new Blue Book for every officer. Also, keep one on the counter for customers’ use—it will not only save your time, but your customers will appreciate this extra service.

Whenever you want a report on anyone anywhere . . .

FIND the town, select one of the advertising banks, write your letter, enclose the fee 25c or 50c, mail the letter and your part is done—the bank will do the rest. We say "advertising banks" because those banks specialize in this service. You can depend upon their being prompt, intelligent and efficient. Always enclose the fee in advance, as you expect them to do with you.
