Complete Foreign Banking Data

Your Blue Book lists banks in all parts of the globe, giving their statements together with their official personnel and principal correspondents.

As a service to our bank customers, we compile a list of selected attorneys—one for each county in the U. S., each Province of Canada, and principal foreign cities. When your internationally-minded customers need legal service of any kind, refer them

to Rand M^cNally List of Bank Recommended Attorneys—sent to your bank with each issue of Rand M^cNally Bankers Directory.

Another section shows the rates for postage and parcel post to any country in the World. As an added help, the foreign bank section contains up-to-date maps of Europe, Africa, Asia, England, Mexico, South America and the West Indies.

RAND M^cNALLY BANKERS DIRECTORY

Number under Name of Bank is the Transit Number given to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.

The Valuable "Indirect Publicity" Obtained by 5,500 Banks Advertising in the Rand McNally Bankers Blue Book Actually Costs the Bank NOTHING

THOUSANDS of Commercial Houses, Security Dealers, Lawyers, Banks and other users of the Bankers Directory send their business to Blue Book advertisers. This results in the advertising banks making more in profits on bill of lading drafts, collections and other items sent them than the advertising costs And the resultant prestige and indirect publicity actually costs the bank nothing.

For 68 years, America's leading Financial Institutions—*Country Banks* as well as Reserve City Banks—have advertised regularly and consistently in the Blue Book, and the number of advertisers increases each year.

Your Bank should be prominently displayed among the banks of your city in the Blue Book. Your prospective customers outside of your own locality must necessarily judge and form their opinion of your bank by the way you "show up" in the Blue Book. They naturally do not know you personally and are not able to see your attractive Banking Room and Building which attracts your local patronage.

There will be no obligation on your part if you write us about a "Bold-faced Type" listing for your bank in the next edition of the Blue Book. Neither is it necessary to subscribe to the Book in order to advertise in it.

THE thousands of banks advertising in this publication do not advertise in order to grow and become prosperous.

They advertise in the BLUE BOOK because they are already growing and already prosperous.

Such are the type of banks you wish to entrust with your business.

To pick out the growing and prosperous bank in any average city is very easy for the user of a Blue Book.

Which is the best bank in (say) Carthage, Illinois to entrust with a collection?

Which bank in (say) Cambridge, Massachusetts shall I select to act in a trust capacity?

At which bank in any reserve city will my account be welcome, appreciated and deserved?
