

Cut Your Transit Expenses

Cut your Transit Department expenses with a copy of the new *Key to the Numerical System of the American Bankers Association*.

As Official Numbering Agent of the American Bankers Association, we publish each year in May a *Key Book* containing an alphabetical list of every bank in the United States, cross-indexed by the Transit number in numerical order.

In Transit work, instead of writing out the full name of a bank, use of the Transit number saves time, money and labor, cutting your Transit Department expenses to the irreducible minimum.

If you are using an old book it should be discarded. \$2.50 a copy,—sent postpaid—also includes a copy of the Supplement issued each October.

Before YOU SIGN

A contract for bank directory service, give careful consideration to the following facts:

1. The Rand M^cNally Bankers Directory (The Bankers Blue Book) for almost 70 years has been the standard publication of its kind.
2. It has a paid circulation several times larger than its nearest competitor, and larger than all similar directories combined.
3. 95% of the banks subscribing to bank directories buy the Rand M^cNally Bankers Blue Book.
4. Based on circulation its rates are one-third that of any similar publication.
5. Thousands of Commercial Banks, Savings, Trust and Investment Banking Houses advertise only in THE BANKERS DIRECTORY.
6. The number of advertisers alone greatly exceeds the number of paid subscribers to any similar work.
7. Its greater prestige, circulation and preference is deserved because it is the most reliable and comprehensive reference book of its kind and the publishers spare no expense in keeping it complete, thorough and up-to-date.
8. The Blue Book is the Official Numbering Agent of the American Bankers Association.
