WHY EVERY MAN SHOULD HAVE THREE KINDS OF MONEY

SOONER OR LATER, a man comes to realize that instead of just one kind of money, he needs three.

For illness or other emergencies, he needs the kind of money he can lay hands on in a hurry. He needs cash in a bank.

To protect his family, he needs another kind of money. He needs a reservoir of dollars which will lie untouched during his lifetime, but which will spring to his family's aid if he should die.

The need for these two types of money is well recognized. One out of every 3 families in the country has a savings account. One out of every 2 has insurance.

But more and more people are beginning to realize the need for a *third* kind of money. Money which will be accumulated step-by-step during a man's productive years—and which will provide him with a substantial sum when his working days are done.

This is the kind of money on which many people have come to depend as an aid to financial security in old age—as a means of protection against the time when earning powers decline.

* * The First Step * *

The first and most important step toward the solution of your money problems is to find out *where your money goes*. Keeping a record of what you spend is essential if you want to make the most of your income.

Investors Syndicate offers, without obligation, a copy of "Living Expenses"—*not a budget book*—a simple, easily kept record showing where your money goes. For your free copy, write Investors Syndicate, Department B-129, Minneapolis, Minn.

***This attorney is competent and reliable
and I recommend him to the
bankers of America***

A directory of attorneys . . . one for each banking town in the United States . . . and every attorney recommended by a banker. If no attorney has been recommended for a banking town, it is referred to the county seat.

The only basis for these banker recommendations is satisfactory performance. These attorneys are actually handling bank matters with firmness, discretion and dispatch. We frequently receive enthusiastic letters from bankers who use this directory of Bank Recommended Attorneys regularly.

If you are not using Bank Recommended Attorneys, you are not experiencing the legal service it is possible for a banker to enjoy. And the directory of Bank Recommended Attorneys is right at your elbow . . . it's a valuable part of your BANKERS DIRECTORY (BLUE BOOK) service.

Use this attorney directory for your out-of-town legal business.

☞ It is the duty of every bank officer to use time efficiently.

☞ See that you have a BLUE BOOK always at your elbow. It will more than pay its costs by saving your time—to say nothing of increasing your efficiency.

☞ In your daily work, remember—if *what you want to know has anything to do with banking, you will find it in the BANKERS DIRECTORY.*

Number under Name of Bank is the Transit Number given to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.

FIRST NATIONAL BANK IN ALBUQUERQUE

Direct and Quick Service

NEW MEXICO'S LARGEST BANK

IN NEW MEXICO'S LARGEST CITY

Not chance alone brought Cabeza de Vaca and Coronado here. A more abundant life is what they were after, and the good earth of New Mexico coupled with a mild climate of beautiful sunshine gave it to them.

And still they come! To New Mexico's \$30,000,000 Gas and Oil industry, \$5,000,000 Lumber, \$16,000,000 Mining, \$15,000,000 Farming, and \$56,000,000 Livestock industries, doubling Albuquerque's population since 1930.

Climate has brought to Albuquerque alone eight hospitals and sanitoriums, including the vast Veterans' Administration Hospital.

With forty grade and secondary schools, trade schools, business colleges, and the University of New Mexico, Albuquerque offers every educational opportunity.

Centrally located in the State, at the junction of transcontinental highways, "66" and "85", Albuquerque is served by the main lines of Santa Fe Railway, Transcontinental & Western Air, Inc., Continental Air Lines, Inc., and the Greyhound and Santa Fe Bus Lines.

As the city's oldest and largest bank, The Albuquerque National Trust & Savings welcomes inquiries about its complete banking service, or about the city and state in general, without obligation.
