# 6 WAYS

*to greater profits for your bank*

1. Increase your Collection Income by using a prominent listing in the BLUE BOOK (*preferred and used by 95% of the directory-using banks of the country*)
2. Use the "Key to the Numerical System of the American Bankers Association" in your Transit work and keep your Transit costs at rock bottom—published by Rand McNally & Co., as Official Numbering Agents of the American Bankers Association.
3. Whenever you want a report on anyone, anywhere, consult your Blue Book—banks doing this work so specify.
4. Refer your out-of-town legal matters to bank-recommended attorneys—See Rand McNally list of bank-recommended attorneys.
5. Consult your Blue Book for information on postage rates, value of foreign coins, Clearing House information, Federal and State Agencies and Examiners, Interest Rates, Grace-on-Sight Drafts, banking laws, etc.
6. Use the "Bankers Secretary" service (no charge)—simply address "Mary Manning," Bankers Secretary, Rand McNally Bankers Directory, Chicago, Ill., before purchasing supplies, services or equipment.

For 100% Accuracy and Efficiency Use Only the  
Current Edition of the Blue Book—Issued Semi-  
Annually in March and September

ACTIVE, progressive banks use Rand McNally Bankers Directory—every officer has one on his desk—he relies on it because he knows it is 100% accurate and contains the latest available information on all banks—in it he can find out anything he needs to know about a bank.

Again and again banks tell us that after they mention in their listing in the Directory that they specialize in collections, this business steps up as much as 50%.

Why not do likewise—95% of the banks of the country will see it because they use Rand McNally Bankers Directory daily.
