WHAT RAND McNALLY BANKERS DIRECTORY CONTAINS

In addition to a complete list of banks, with official personnel and latest statement.

- Accessible**.....Accessible banking points to all non-bank towns.
- Attorneys**.....In a separately bound book, as part of the Bankers Directory service, a bank-recommended attorney list for the U. S., Province of Canada and principal foreign cities.
- Bank Collection Code**.....As recommended by the American Bankers Association.
- Bankers' Associations**.....National and State.
- Banking Holidays**.....For one year, By States.
- Buyer's Guide**.....A Banker's Secretary Service is maintained by Rand McNally & Co., free to customers—on request gives information on all supplies, equipment and services used in a bank, investment house or office.
- Canadian Banks**.....Official personnel, statements, bankers associations and Canadian Numerical System.
- Central Reserve Cities**.....With map showing each district, followed by detailed information on all Federal Reserve Banks, locations and official personnel, statements and time schedules.
- Clearing Houses of the U. S.**.....Showing deposits of cities in which located.
- Comptroller's Calls**.....Dates of every call since 1895.
- Consolidated Capitulation**.....Showing total deposits of banks in the U. S., with liabilities and resources.
- Count and Classification**.....Of banks, by total resources.
- Dates**.....Of regular meetings of Legislatures.
- Digest of Laws**.....Digest of Banking and Commercial Laws of the United States and Canada.
- Directors**.....Listed for all U. S., and Canadian banks.
- Discontinued Banks**.....Listed for the past 5 years—all discontinued bank titles for any reason—closings, mergers, consolidations, etc.
- Federal Deposit Insurance Corp.**....All member banks are so designated.
- Foreign Banks**.....Arranged by countries. Statements, official personnel.
- Government Banking Agencies**....All Government Agencies dealing with Banks—F. D. I. C., F. H. L., F. L. B., Fed. Intermediate Credit Banks, etc.
- Interest Rates**.....Legal interest rates, Grace on Sight Drafts and Statutes of Limitations.
- Investment Bankers Association**... Complete membership—Indexed "I. B. A."
- Investment Dealers**.....Selected list of Investment Dealers and Finance Companies.
- Laws**.....U. S. and Canadian Banking and Commercial Laws.
- Local Stock Exchange Firms**.....In principal cities of the U. S.
- Maps**.....Rand McNally maps of every state in the U. S., and all foreign countries.
- Numerical System Explained**.....System of Transit Numbers, by American Bankers Assn.
- Rates of Postage**.....Throughout U. S., and foreign countries.
- State and Federal Bank Officials and Examiners**.....Names, districts and locations.
- Transit Numbers**.....Numerical section of A. B. A. Key Book.
- Twenty-five Million Dollar Commercial Banks**.....Ranked according to total resources.
- Uniform Negotiable Instruments Act**.....Given in detail.
- U. S. Dependencies**.....All U. S. Dependencies, banks, official personnel, etc.
- Value of Foreign Coins**.....U. S. Official information on foreign coins.
