issued in October

The Key Book is a record of transit numbers assigned to every bank in the U. S., arranged in alphabetical and numerical order.

Using the Transit number of a bank eliminates the need of writing out the full name of a bank, etc., speeds up work and minimizes the possibility of error.

Detailed instructions for its efficient use appear in the front part of each Key Book.

Copies of the 1942 edition Key to the Numerical System of the American Bankers Association are available.

Compiled and published yearly in May under authority of the American Bankers Association, as their OFFICIAL NUMBERING AGENT.

Are Your Out-Of-Town Legal Matters Handled By Bank Attorneys

YOU will get the same service on legal matters in other cities that you do in your own if you use The Rand McNally list of Bank - Recommended attorneys *exclusively*. Every attorney listed comes to us through the voluntary recommendation of his local banker who has first-hand knowledge of that attorney's integrity and ability.

In most cases, the attorney recommended is the bank's own attorney. In all cases, the attorney is recommended because he is competent and reliable, and because he has demonstrated efficiency in handling bank work.

At the right are samples of the attorneys and law firms listed. These were picked at random to show the character of our Bank-Recommended Attorneys.

We invite anyone having a competent confidential attorney rating book to examine the character of our list. It will be found as high as any in the country.

FIRST NATIONAL BANK IN ALBUQUERQUE

Direct and Quick Service

NEW MEXICO'S LARGEST BANK
 IN NEW MEXICO'S LARGEST CITY

Not chance alone brought Cabeza de Vaca and Coronado here. A more abundant life is what they were after, and the good earth of New Mexico coupled with a mild climate of beautiful sunshine gave it to them.

And still they come! To New Mexico's \$30,000,000 Gas and Oil industry, \$5,000,000 Lumber, \$16,000,000 Mining, \$15,000,000 Farming, and \$56,000,000 Livestock industries, doubling Albuquerque's population since 1930.

Climate has brought to Albuquerque alone eight hospitals and sanitoriums, including the vast Veterans' Administration Hospital.

With forty grade and secondary schools, trade schools, business colleges, and the University of New Mexico, Albuquerque offers every educational opportunity.

Centrally located in the State, at the junction of transcontinental highways, "66" and "85", Albuquerque is served by the main lines of Santa Fe Railway, Transcontinental & Western Air, Inc., Continental Air Lines, Inc., and the Greyhound and Santa Fe Bus Lines.

As the city's oldest and largest bank, The Albuquerque National Trust & Savings welcomes inquiries about its complete banking service, or about the city and state in general, without obligation.
