Rand McNally & Company offer banks a proved service that . . . .

## SIMPLIFIES COLLECTIONS of Personal Loans • Mortgages Time Payments

Banks everywhere are installing this tried and proved economic system for collecting personal loans, mortgage payments, time payments on automobiles, equipment and appliance loans, and similar types of consumer credit collections.

This system enables you to set up, in less than half a minute, the entire coupon schedule of payments at the time the loan is made. Each coupon in the customer's book represents a payment due and shows amount, month, and day of month it is due.

No advance mailing of payment due notices—no mailing back of customer's record books—no necessity for getting ledger card from the file for each transaction—effective discouragement of partial payments—greater speed at the teller's window—accounts filed by control number for quick positive handling—these are but some of the money-saving features of this efficient, practical system.

GEORGE O. VASS  
VICE PRESIDENT AND CASHIER

Acknowledging the receipt of your letter of April 2nd, I am delighted to know that you approve of one of my advertising policies, and that is, to use the Bankers Directory in liberal doses. I am very much pleased with this new contract and believe it is money well invested.

I appreciate the kind expressions in your letter, and remain, with cordial regards,

Very truly yours,

GOV/EL

Vice President and Cashier.

S. C.

This letter is in response to thanks we sent Mr. Vass for practically doubling his Blue Book business.

**T**HE Rand M<sup>c</sup>Nally BANKERS DIRECTORY has more *advertisers* than its nearest competitor has *subscribers*. It has more *subscribers* than all other similar publications combined.

The BANKERS DIRECTORY (BLUE BOOK) has the most advertisers because of its overwhelming lead in circulation—maintained for more than half a century by its unyielding policy of absolute accuracy and dependability.

That is why *nine out of ten* who advertise in a bank directory use Rand M<sup>c</sup>Nally's. And why those who advertise in the BLUE BOOK "believe it is money well invested."

**T**HE thousands of banks advertising in this publication do not advertise in order to grow and become prosperous.

They advertise in the BLUE BOOK because they are already growing and already prosperous.

Such are the type of banks you wish to entrust with your business.

To pick out the growing and prosperous bank in any average city is very easy for the user of a Blue Book.

Which is the best bank in (say) Carthage, Illinois to entrust with a collection?

Which bank in (say) Cambridge, Massachusetts shall I select to act in a trust capacity?

At which bank in any reserve city will my account be welcome, appreciated and deserved?

# YOUR KEY To Transit Efficiency

A Complete Alphabetical and Numerical List of All  
Banks in the U. S. A.

KEEP YOUR TRANSIT COSTS AT ROCK BOTTOM  
WITH THE KEY TO THE NUMERICAL SYSTEM  
OF THE AMERICAN BANKERS ASSOCIATION

"It has been demonstrated by a large number of banks in all sections of the country that the Numerical System of registering transit items has already saved in time and labor many thousands of dollars as compared with the method of registering by writing the names. *Any bank, no matter how small, can save time and labor by the adoption of the system.*
