FRIENDLY BANK RELATIONS

Many fine banks seem to think that the speed, accuracy and efficiency of their correspondent service is all-important. Of course, we stress these things, too, but put even more emphasis on the friendliness of our efforts. As much as we know you appreciate speed, accuracy and efficiency, we feel that you like even more those friendly gestures that go beyond the routine handling of correspondent items.

Banks Advertising in this Directory give Prompt Attention to Collections and Correspondence

Before YOU SIGN

A contract for bank directory service, give careful consideration to the following facts:

1. The Rand McNally Bankers Directory (The Bankers Blue Book) for 70 years has been the standard publication of its kind.
2. It has a paid circulation several times larger than its nearest competitor, and larger than all similar directories combined.
3. 95% of the banks subscribing to bank directories buy the Rand McNally Bankers Blue Book.
4. Based on circulation its rates are one-third that of any similar publication.
5. Thousands of Commercial Banks, Savings, Trust and Investment Banking Houses advertise only in THE BANKERS DIRECTORY.
6. The number of advertisers alone greatly exceeds the number of paid subscribers to any similar work.
7. Its greater prestige, circulation and preference is deserved because it is the most reliable and comprehensive reference book of its kind and the publishers spare no expense in keeping it complete, thorough and up-to-date.
8. The Blue Book is the Official Numbering Agent of the American Bankers Association.
