## POPULATION.

PLATE No.	TITLE.	PLATE No.	TITLE.
1	United States, original area and acquisitions of territory: 1790-1920 (map).	32	Massachusetts (total). New Hampshire (total). Rhode Island (total).
2	Geographic divisions: 1920 (map).	33	Michigan (total and rural).
3	Rural population per square mile, by counties: 1920 (map).	34	Minnesota (total and rural).
4	Rural population per square mile, by counties: 1910 (map).	35	Mississippi (total and rural).
5	Per cent of increase or decrease in total population, by counties: 1910-1920 (map).	36	Missouri (total and rural).
6	Per cent of increase or decrease in total population, by counties: 1900-1910 (map).	37	Montana (total and rural).
7	1. Per cent of increase or decrease in total population, by states: 1910-1920 (map).	38	Nebraska (total and rural).
	2. Per cent of increase or decrease in total population, by states: 1900-1910 (map).	39	Nevada (total and rural).
8	1. Per cent of increase or decrease in total population, by states: 1890-1900 (map).	40	New Jersey (total and rural).
	2. Per cent of increase or decrease in total population, by states: 1880-1890 (map).	41	New Mexico (total and rural).
9	1. Total population, by geographic divisions: 1920 and 1910.	42	New York (total and rural).
	2. Distribution of the per cent of increase in total population, by geographic divisions: 1910-1920 and 1900-1910.	43	North Carolina (total and rural).
	3. Increase in population, by geographic divisions: 1910-1920.	44	North Dakota (total and rural).
	4. Per cent of increase in total population of the United States and each geographic division: 1910-1920 and 1900-1910.	45	Ohio (total and rural).
10	1. Growth of population in area enumerated in 1790, with growth in remainder of country: 1790-1920.	46	Oklahoma (total and rural).
	2. Comparison of rate of increase in total population with rate of change of immigration: 1850-1920.	47	Oregon (total and rural).
11	1. Counties in which population decreased: 1910-1920 (map).	48	Pennsylvania (total and rural).
	2. Counties in which population decreased: 1880-1920 (map).	49	South Carolina (total and rural).
12	1. Total population, by states: 1920 and 1910.	50	South Dakota (total and rural).
	2. Per cent of increase in total population, by states: 1910-1920 and 1900-1910.	51	Tennessee (total and rural).
	Per cent of increase or decrease in population, by counties: 1910-1920 (maps)—	52	Texas (total).
13	Alabama (total and rural).	53	Texas (rural).
14	Arizona (total and rural).	54	Utah (total and rural).
15	Arkansas (total and rural).	55	Vermont (total and rural).
16	California (total and rural).	56	Virginia (total and rural).
17	Colorado (total and rural).	57	Washington (total and rural).
18	Connecticut (total and rural).	58	West Virginia (total and rural).
19	Delaware (total and rural).	59	Wisconsin (total and rural).
20	District of Columbia (total 1900-1910 and 1910-1920).	60	Wyoming (total and rural).
21	Florida (total and rural).	61	Alaska, judicial districts: 1920 (map).
22	Georgia (total and rural).	62	Per cent of increase or decrease in population of Hawaii (total), by counties: 1910-1920 (map).
23	Idaho (total and rural).	63	Per cent of increase or decrease in population of Porto Rico (total), by municipalities: 1910-1920 (map). Towns (shaded) showing decrease: 1910-1920 (maps)—
24	Illinois (total and rural).	64	Maine.
25	Indiana (total and rural).	65	Vermont. New Hampshire. Increase or decrease in population of counties: 1900-1920 (maps)—
26	Iowa (total and rural).	66	Nevada. Iowa. Missouri. Mississippi.
27	Kansas (total and rural).		Delaware.
28	Kentucky (total and rural).		67
29	Louisiana (total and rural).	68	Population per square mile, by counties: 1920 (map).
30	Maine (total and rural).	69	Population per square mile, by counties: 1910 (map).
31	Maryland (total and rural).	70	1. Population per square mile, by states: 1920 (map).
			2. Population per square mile, by states: 1910 (map).

PLATE No.	TITLE.	PLATE No.	TITLE.
71	{ 1. Population per square mile, by states: 1900 (map). 2. Population per square mile, by states: 1890 (map). Density of population, by counties: 1920 (maps)—	128	Kansas, Maine, Kentucky, Maryland, Louisiana, and Massachusetts.
72	Alabama (total and rural).	129	Michigan and Minnesota.
73	Arizona (total and rural).	130	Mississippi, Missouri, and Montana.
74	Arkansas (total and rural).	131	Nebraska and Nevada.
75	California (total and rural).	132	New Hampshire, New Jersey, and New York.
76	Colorado (total and rural).	133	New Mexico, North Carolina, North Dakota, Ohio, Oklahoma, and Oregon.
77	Connecticut (total and rural).	134	Pennsylvania, South Dakota, Rhode Island, and South Carolina.
78	Delaware (total and rural).	135	Texas, Tennessee, Utah, Virginia, and Vermont.
79	Florida (total and rural).	136	Washington, West Virginia, Wisconsin, and Wyoming.
80	Georgia (total and rural).	137	Centers of population from 1790 to 1920 and centers of farms, agricultural products, and manufactures from 1850 to 1920 (map).
81	Idaho (total and rural).	138	Geographic centers (map). 1. Population per square mile: 1790-1920. 2. Per cent of increase in total, total white, and negro population: 1790-1920, and per cent of increase in native white, 1850-1920.
82	Illinois (total and rural).	139	3. Population per square mile, by states: 1920 and 1910. 4. Per cent urban in total population, by states: 1920 and 1910.
83	Indiana (total and rural).		1. Per cent urban in total population, by states: 1920 (map).
84	Iowa (total and rural).		2. Per cent urban in total population, by states: 1910 (map).
85	Kansas (total and rural).	140	1. Per cent urban in total population, by states: 1900 (map). 2. Per cent urban in total population, by states: 1890 (map).
86	Kentucky (total and rural).	141	Per cent urban in total population, by states: 1890-1920. 1. Urban and rural population: 1880-1920. 2. Increase in urban population, by classes of cities: 1890-1920.
87	Louisiana (total and rural).	142	3. Population of cities having, in 1920, 100,000 inhabitants or more: 1920 and 1910. 4. Population in places of 8,000 inhabitants or more at each census: 1790-1920. 5. Color or race, nativity, and parentage, by divisions: 1920, 1910, and 1900.
88	Maine (total and rural).	143	1. Per cent of increase in population of territory urban in 1920, by states: 1910-1920 (map). 2. Per cent of increase in population of territory urban in 1910, by states: 1900-1910 (map).
89	Maryland (total and rural).	144	1. Per cent of increase in population of territory rural in 1920, by states: 1910-1920 (map). 2. Per cent of increase in population of territory rural in 1910, by states: 1900-1910 (map).
90	{ Massachusetts (total). New Hampshire (total). Rhode Island (total).	145	Total population of great cities at each census: 1790-1920. 1. Per cent of native white of native parentage in white population, by states: 1920 (map). 2. Per cent of native white of native parentage in white population, by states: 1910 (map).
91	Michigan (total and rural).	146	1. Per cent of native white of native parentage in total population, by states: 1920 (map). 2. States (shaded) showing increase in foreign-born white: 1910-1920 (map).
92	Minnesota (total and rural).	147	1. Per cent of native white of foreign or mixed parentage in total population, by states: 1920 (map). 2. Per cent of native white of foreign or mixed parentage in total population, by states: 1910 (map).
93	Mississippi (total and rural).	148	1. Per cent of foreign-born white in total population, by states: 1920 (map). 2. Per cent of foreign-born white in total population, by states: 1910 (map).
94	Missouri (total and rural).	149	
95	Montana (total and rural).	150	
96	Nebraska (total and rural).		
97	Nevada (total and rural).		
98	New Jersey (total and rural).		
99	New Mexico (total and rural).		
100	New York (total and rural).		
101	North Carolina (total and rural).		
102	North Dakota (total and rural).		
103	Ohio (total and rural).		
104	Oklahoma (total and rural).		
105	Oregon (total and rural).		
106	Pennsylvania (total and rural).		
107	South Carolina (total and rural).		
108	South Dakota (total and rural).		
109	Tennessee (total and rural).		
110	Texas (total).		
111	Texas (rural).		
112	Utah (total and rural).		
113	Vermont (total and rural).		
114	Virginia (total and rural).		
115	Washington (total and rural).		
116	West Virginia (total and rural).		
117	Wisconsin (total and rural).		
118	Wyoming (total and rural).		
119	Hawaii (total).		
120	Center of population: January 1, 1920 (map).		
121	Center of total, native white, foreign-born, negro, urban, and rural population (map).		
122	Center of population, center of area, and median lines, 1920, and median point, 1880-1920 (map). Centers of population: 1880-1920 (maps)—		
123	Alabama, Arkansas, and Arizona.		
124	California.		
125	Colorado, Connecticut, Delaware, District of Columbia, Georgia, and Florida.		
126	Idaho and Illinois.		
127	Indiana and Iowa.		

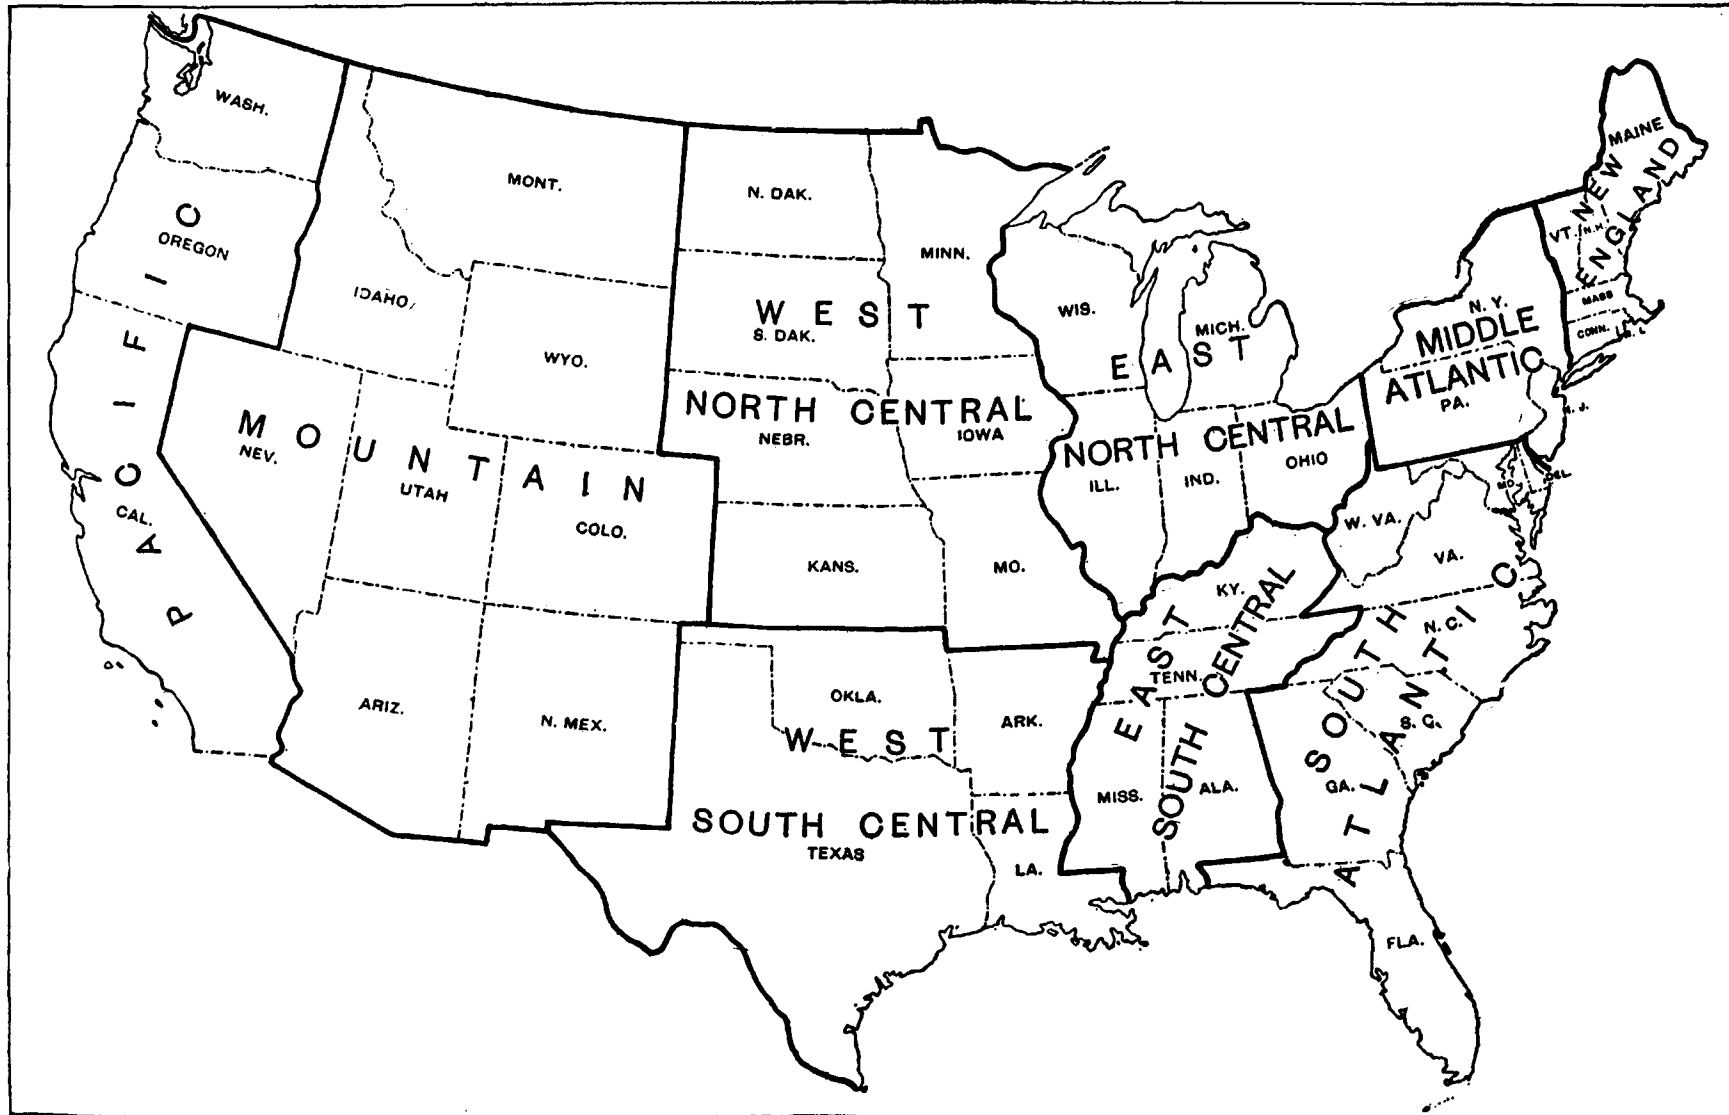

PLATE No.	TITLE.	PLATE No.	TITLE.
151	1. Per cent of foreign-born white and native white of foreign or mixed parentage combined in total population, by states: 1920 (map).	187	Per cent of Indians in total population of Alaska, by judicial districts: 1920 (map).
	2. Per cent of foreign-born white and native white of foreign or mixed parentage combined in total population, by states: 1910 (map).	188	Per cent of Hawaiians and part-Hawaiians in total population of Hawaii, by counties: 1920 (map).
152	Total population and distribution by classes: 1850-1920.	189	1. Ratio of males to females in total population, by states: 1920 (map).
153	Color or race, nativity, and parentage, by states: 1920 and 1910.		2. Ratio of males to females in total population, by states: 1910 (map).
154	1. Foreign-born population, by states: 1920 and 1910.	190	Distribution by single years of age for the total population, by sex: 1920.
	2. Negro population, by states: 1920 and 1910.	191	Distribution by age periods and sex for total population and for certain principal population classes: 1920— Total population. Total white. Negro. Foreign-born white.
155	Color or race, nativity, and parentage, for cities having, in 1920, 100,000 inhabitants or more: 1920 and 1910. Per cent of foreign-born white in total population, by counties: 1920 (maps)—	192	Distribution by age periods and sex for certain principal population classes: 1920— Native white. Native white of native parentage. Native white of foreign parentage. Native white of mixed parentage.
156	Massachusetts and Maine.	193	Marital condition of the population 15 years of age and over, by sex and age periods, for principal population classes: 1920.
157	Vermont and New Hampshire.		1. Per cent which population born in each state and living in other states formed of total born in each state: 1920 (map).
158	Connecticut and Rhode Island.	194	2. Per cent which population born in each state and living in other states formed of total born in each state: 1910 (map).
159	New York and New Jersey.		1. Per cent which population born in other states formed of total native population living in each state: 1920 (map).
160	Ohio and Pennsylvania.	195	2. Per cent which population born in other states formed of total native population living in each state: 1910 (map).
161	Illinois and Indiana.		1. Migration of native population from and to each state: 1920.
162	Wisconsin and Michigan.	196	2. Migration of native population from and to each state: 1910.
163	Iowa and Kansas.		1. Net gain or net loss through interstate migration: 1920.
164	Minnesota and Missouri.	197	2. Net gain or net loss through interstate migration: 1910.
165	North Dakota and South Dakota.		1. Distribution of population born in each state as living in state of birth or in other states: 1920.
166	Nebraska and Colorado.	198	2. Distribution of population born in each state as living in state of birth or in other states: 1910.
167	Montana and Wyoming.		1. Distribution of total population of each state as born in state of residence, in other states, or foreign born: 1920.
168	Nevada and Utah.	199	2. Distribution of total population of each state as born in state of residence, in other states, or foreign born: 1910.
169	Arizona and New Mexico.		1. Per cent of total population born in state of residence, born in other states, or foreign born, for cities having 100,000 inhabitants or more: 1920.
170	Idaho and California.	200	2. Per cent of total population born in state of residence, born in other states, or foreign born, for cities having 100,000 inhabitants or more: 1910.
171	Washington and Oregon.		3. States having gained or lost through interstate migration: 1920 (map).
172	1. Per cent of negroes in total population, by states: 1920 (map).	201	1. Foreign-born population of the United States, by country of birth: 1920.
	2. Per cent of negroes in total population, by states: 1910 (map).		2. Foreign-born population by principal countries of birth: 1920 and 1910.
173	Counties in Southern states having at least 50 per cent of their population negro: 1860, 1880, 1900, and 1920 (maps).		
174	1. States (shaded) in which increase in negro population was more than 1,000 and was at a higher rate than increase in total population: 1910-1920 (map).		
	2. Negro population for 1920 and 1910, in cities having 100,000 inhabitants or more and at least 10,000 negroes in 1920.		
	3. Cities of 10,000 inhabitants or more in 1920, having 50 per cent or more of their population negro in either 1910 or 1920.		
	Per cent of negroes in total population, by counties: 1920 (maps)—		
175	Delaware and District of Columbia.		
176	Maryland and North Carolina.		
177	West Virginia and Virginia.		
178	Georgia and South Carolina.		
179	Louisiana and Florida.		
180	Mississippi and Alabama.		
181	Kentucky and Tennessee.		
182	Arkansas and Oklahoma.		
183	Texas.		
184	Per cent black and mulatto in total population of Porto Rico, by municipalities: 1920 (map).		
185	1. Distribution of the Indian population of the United States, by states: 1920 (map).		
	2. Distribution of the Indian population of the United States, by states: 1910 (map).		
186	Number and distribution of Indians in Alaska, by linguistic stock: 1920 (map).		

PLATE No.	TITLE.	PLATE No.	TITLE.
202	Distribution of natives of principal foreign countries and groups of countries, by states: 1920— Russia. Poland. Canada and Newfoundland. Norway, Sweden, and Denmark.	213	1. Per cent attending school in the total population and in certain classes at each year of age from 7 to 20, inclusive: 1920. 2. Per cent attending school in the total population and in certain classes at each year of age from 6 to 20, inclusive: 1910.
203	Distribution of natives of principal foreign countries and groups of countries, by states: 1920— Italy. England, Scotland, and Wales. Germany. Ireland.	214	1. Per cent illiterate in population 10 years of age and over, by states: 1920. All classes (map). 2. Per cent illiterate in population 10 years of age and over, by states: 1910. All classes (map).
204	Foreign-born population in 1920, distributed as arriving in the United States before or after 1911.	215	1. Per cent illiterate in population 10 years of age and over, by states: 1920. Native white of native parents (map). 2. Per cent illiterate in population 10 years of age and over, by states: 1910. Native white of native parents (map).
205	1. Foreign white stock by principal countries of origin: 1920. 2. Foreign white stock by principal countries of origin: 1910.	216	1. Per cent illiterate in population 10 years of age and over, by states: 1920. Foreign-born white (map). 2. Per cent illiterate in population 10 years of age and over, by states: 1910. Foreign-born white (map).
206	Per cent distribution of the foreign white stock by principal countries of origin: 1920, 1910, and 1900.	217	1. Per cent illiterate in population 10 years of age and over, by states: 1920. Negro (map). 2. Per cent illiterate in population 10 years of age and over, by states: 1910. Negro (map). Per cent illiterate in population 10 years of age and over, by states: 1920 and 1910—
207	Distribution of the foreign white stock originating in selected countries and groups of countries, by states: 1920 and 1910— Germany. Italy. Austria and Hungary. Norway, Sweden, and Denmark.	218	1. All classes. 2. Native white—native parentage. 3. Foreign-born white. 4. Negro.
208	Distribution of the foreign white stock originating in selected countries and groups of countries, by states: 1920 and 1910— Russia. Ireland. England, Scotland, and Wales. Canada and Newfoundland.	219	Foreign-born white population 10 years of age and over unable to speak English: 1920 and 1910.
209	1. Foreign white stock, by principal mother tongues: 1920 and 1910. 2. Elements of foreign white stock, by linguistic groups: 1920 and 1910.	220	1. Number of dwellings per square mile, by states: 1920 (map). 2. Number of dwellings per square mile, by states: 1910 (map).
210	Distribution of foreign white stock having specified mother tongues, for selected states: 1920 and 1910— English and Celtic. French. Norwegian. Yiddish and Hebrew.	221	1. Number of families per square mile, by states: 1920 (map). 2. Number of families per square mile, by states: 1910 (map).
211	Distribution of foreign white stock having specified mother tongues, for selected states: 1920 and 1910— German. Italian. Swedish. Polish.	222	Per cent of homes owned free, owned encumbered, and rented, in total number of homes, by states: 1920 and 1910.
212	1. Citizenship of foreign white persons born in specified countries or groups of countries: 1920. 2. Citizenship of foreign white men 21 years of age and over born in specified countries or groups of countries: 1920. 3. Citizenship of foreign white women 21 years of age and over born in specified countries or groups of countries: 1920. 4. Per cent naturalized in foreign-born white population, by country of birth: 1920.		
	723°—24†—3		
		OCCUPATIONS.	
		223	1. Proportion of population 10 years of age and over engaged in gainful occupations, by states: 1920, 1910, and 1900. 2. Per cent distribution of native white persons of native parentage 10 years of age and over engaged in gainful occupations: 1920 (map).
		224	Proportion that males and females 10 years of age and over with gainful occupations formed of all males and females 10 years of age and over: 1920 and 1910.
		225	1. Proportion that males and females 10 years of age and over engaged in gainful occupations formed of the total population 10 years of age and over occupied, by states: 1920 and 1910. 2. Proportion of children of each sex 10 to 15 years of age engaged in gainful occupations: 1880-1920.

PLATE No.	TITLE.	PLATE No.	TITLE.
226	Proportion of children of each sex 10 to 15 years of age engaged in gainful occupations, by states, arranged by geographic divisions: 1920 and 1910.	232	1. Proportion of females 10 to 13 years of age engaged in gainful occupations, by states: 1920 (map).
227	1. Proportion of married and of single, widowed, divorced, and unknown women among gainfully occupied women 15 years of age and over: 1890-1920.		2. Proportion of females 10 to 13 years of age engaged in gainful occupations, by states: 1910 (map).
	2. Proportion of women 15 years of age and over in each specified age period and marital class engaged in gainful occupations: 1920.	233	1. Proportion of females 14 and 15 years of age engaged in gainful occupations, by states: 1920 (map).
	3. Proportion of women 15 years of age and over in each specified marital class engaged in gainful occupations: 1890-1920.		2. Proportion of females 14 and 15 years of age engaged in gainful occupations, by states: 1910 (map).
	4. Proportion of married and of single, widowed, divorced, and unknown women 15 years of age and over in each principal class of the population engaged in gainful occupations: 1920.	234	Proportion of males and females 10 years of age and over engaged in certain gainful occupations: 1920.
	5. Proportion of married and of single, widowed, divorced, and unknown women among women 15 years of age and over in each general division of gainful occupations: 1920.	235	Proportion of population 10 years of age and over engaged in each general division of gainful occupations, classified as industrial and nonindustrial, by geographic divisions: 1920.
228	Proportion of married women 15 years of age and over engaged in gainful occupations, by states: 1920 and 1910.	236	Proportion of population 10 years of age and over, in each state, engaged in each general division of gainful occupations: 1920.
229	Per cent distribution, by marital condition, of the gainfully occupied women 15 years of age and over, by states: 1920.	237	1. Proportion of males and females 10 years of age and over engaged in each general division of gainful occupations: 1920.
230	1. Proportion of males 10 to 13 years of age engaged in gainful occupations, by states: 1920 (map).		2. Proportion which gainful workers of both sexes, in each specified age group, constituted of all gainful workers, and the proportion which males and females of each age group formed of total male and female workers: 1920.
	2. Proportion of males 10 to 13 years of age engaged in gainful occupations, by states: 1910 (map).		3. Proportion of each principal class of population 10 years of age and over, both sexes, males and females, engaged in gainful occupations: 1920.
231	1. Proportion of males 14 and 15 years of age engaged in gainful occupations, by states: 1920 (map).		4. Proportion of males and females of each specified age group engaged in gainful occupations: 1920.
	2. Proportion of males 14 and 15 years of age engaged in gainful occupations, by states: 1910 (map).		

GEOGRAPHIC DIVISIONS: 1920.

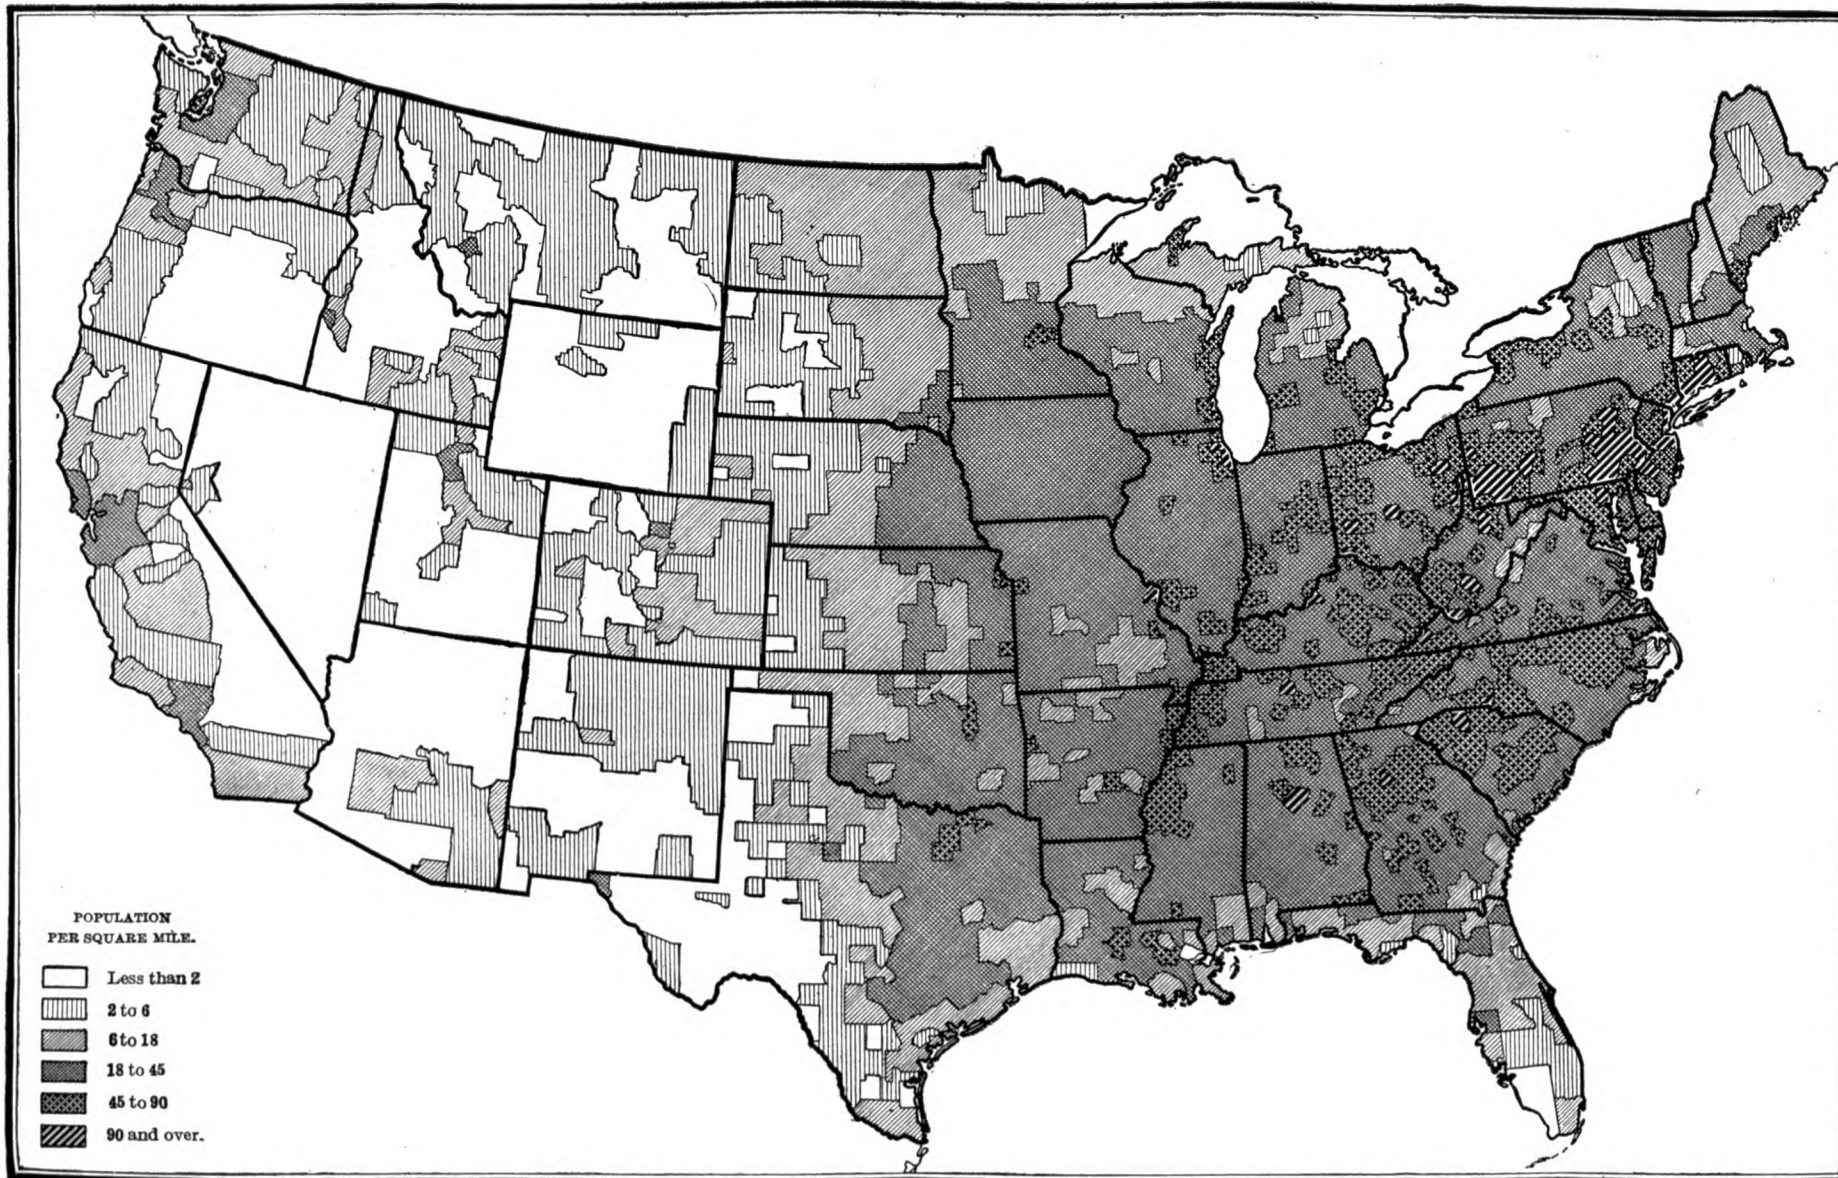

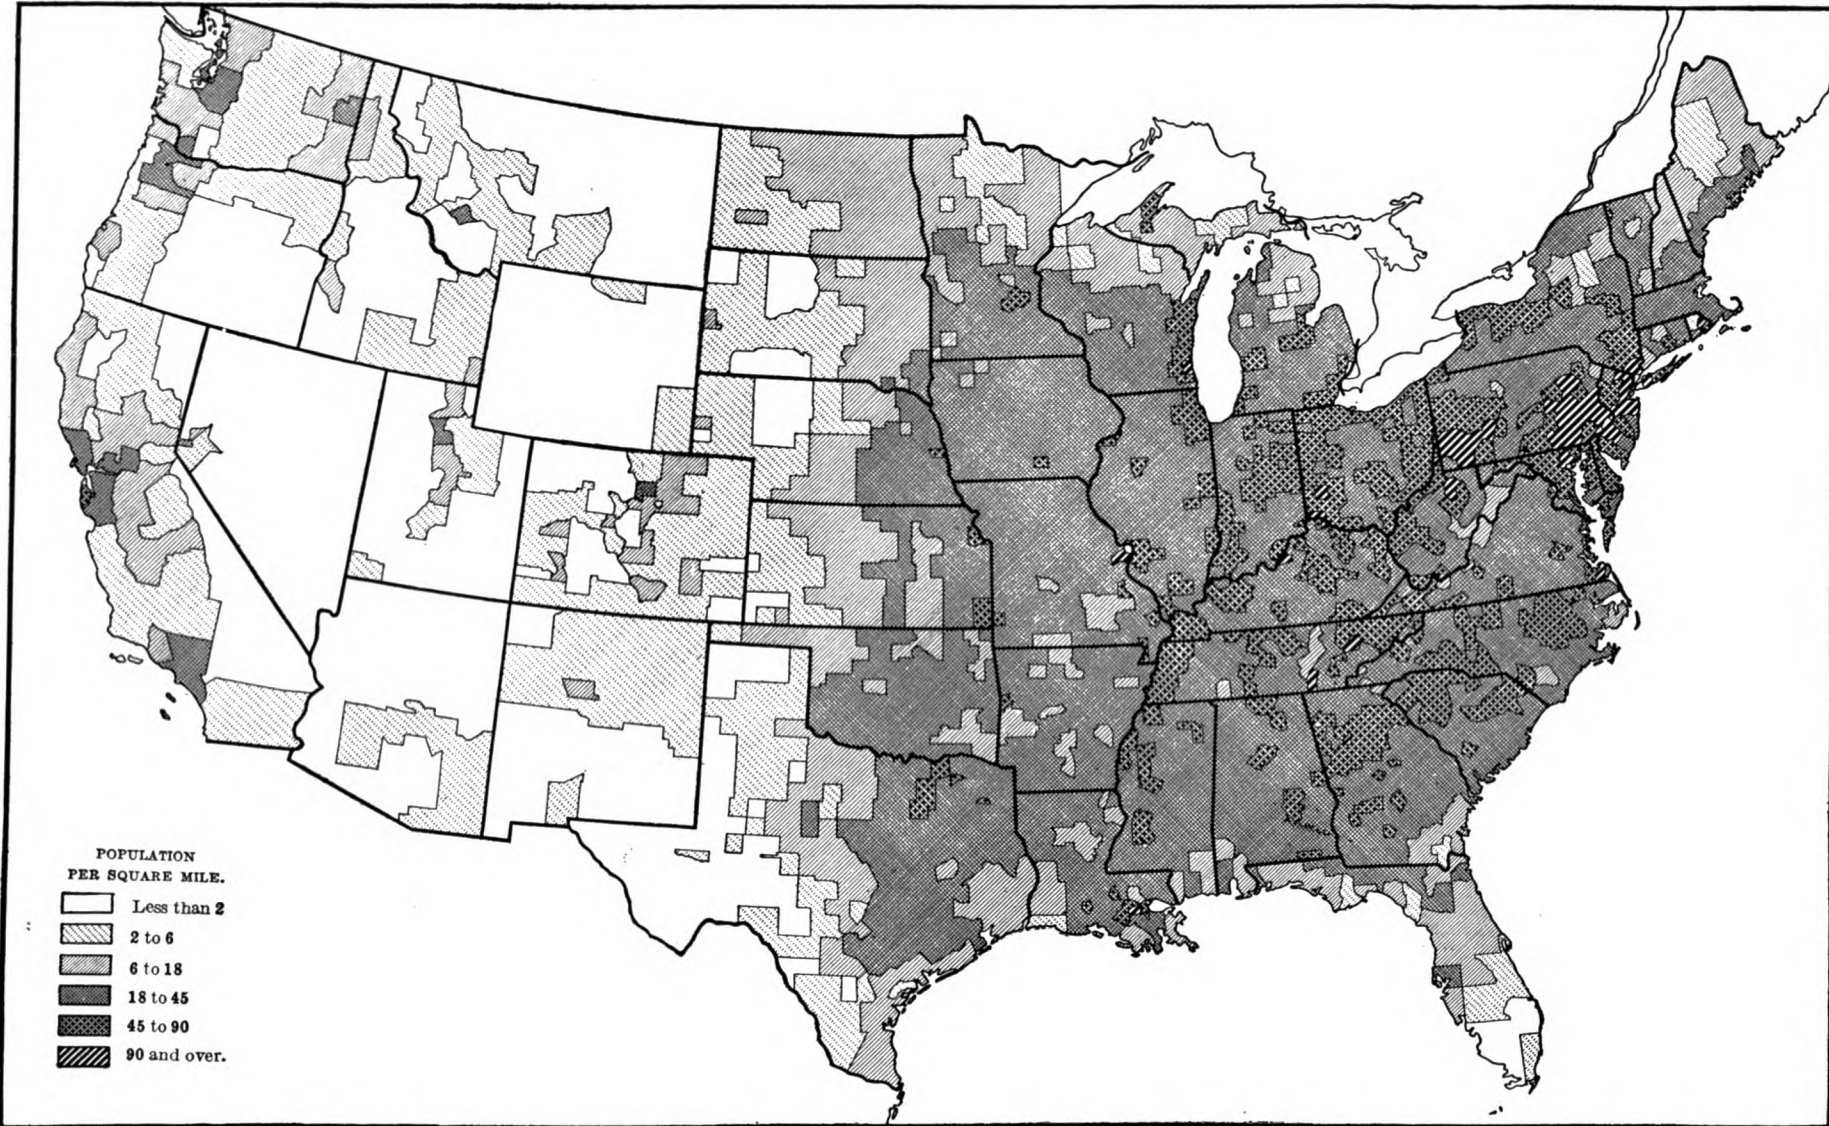

### RURAL POPULATION PER SQUARE MILE, BY COUNTIES: 1920.

(Outside of municipalities having 2,500 or more inhabitants.)

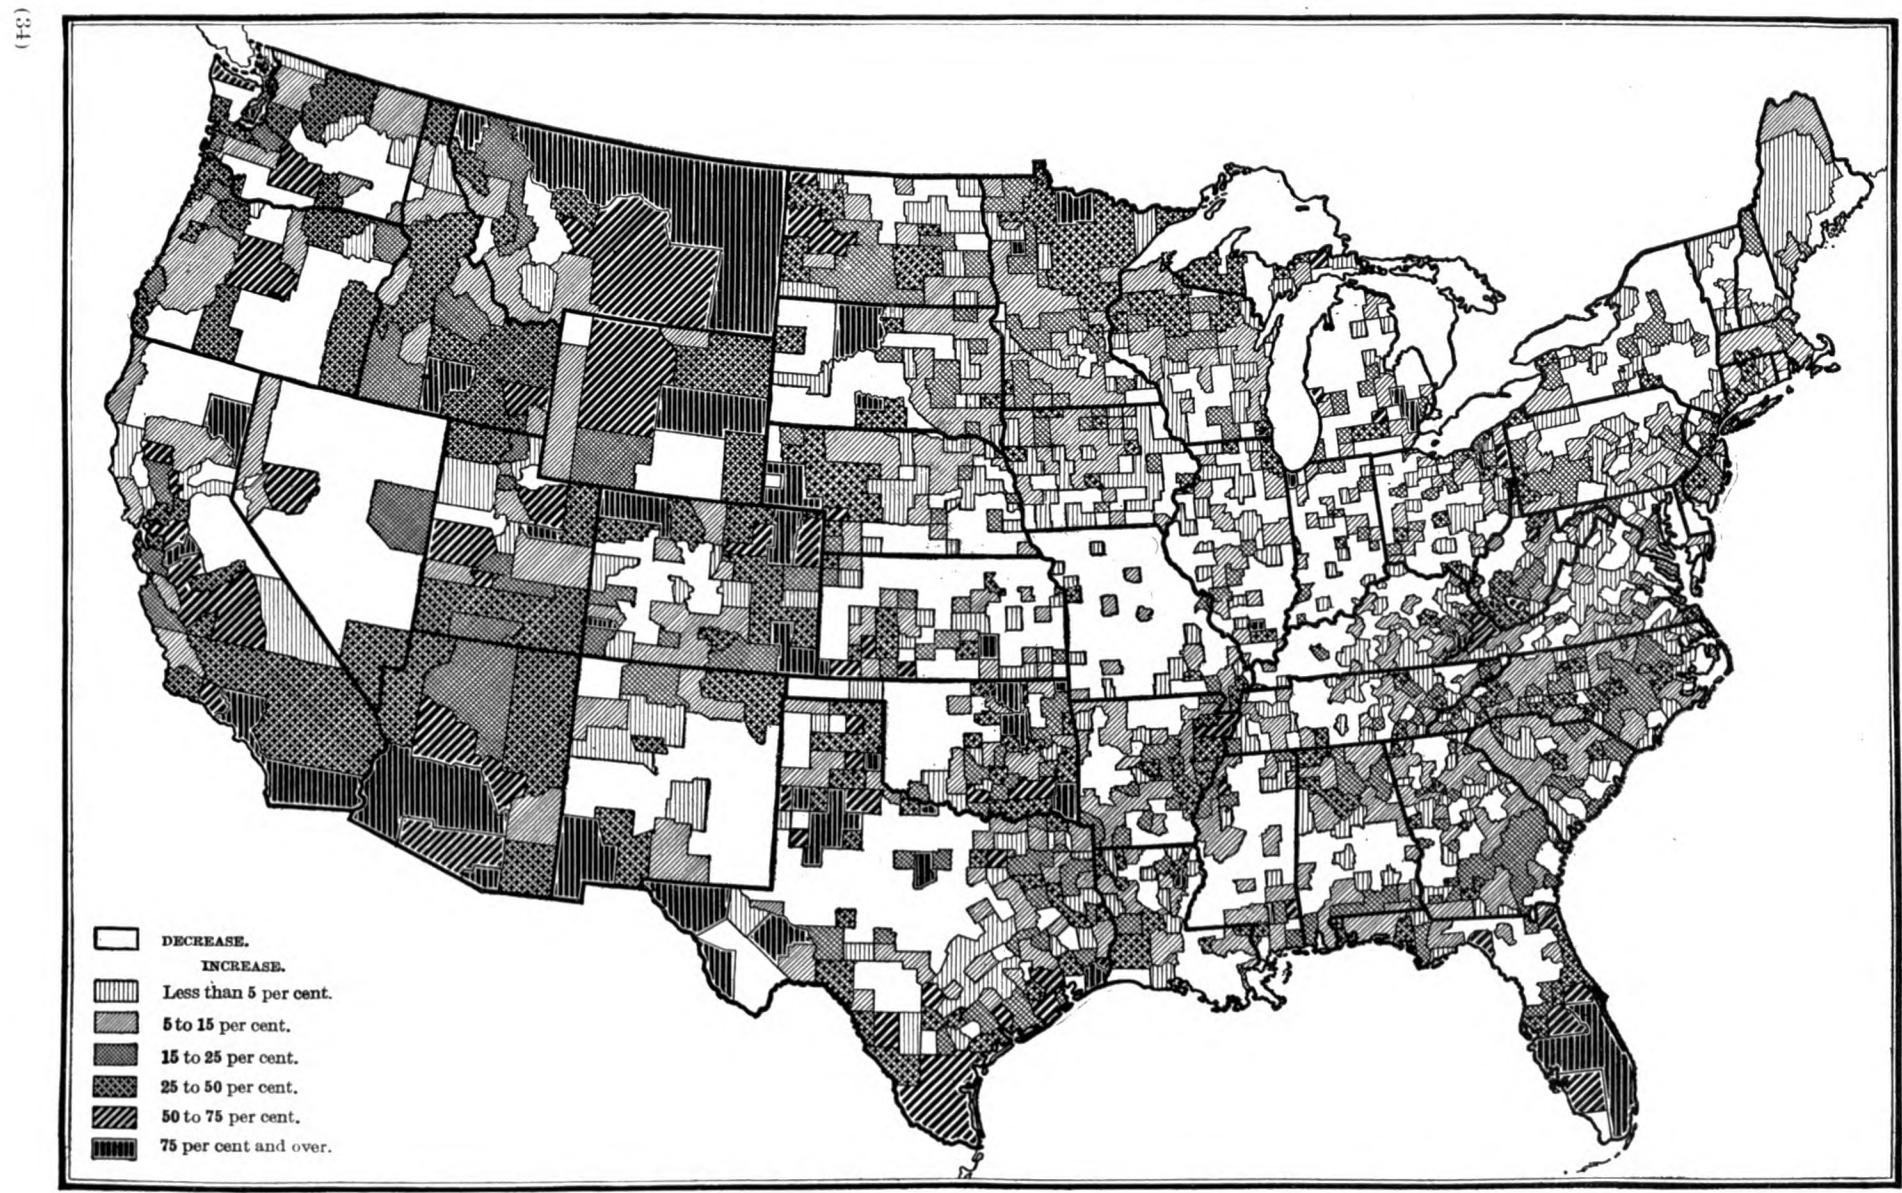

(32)

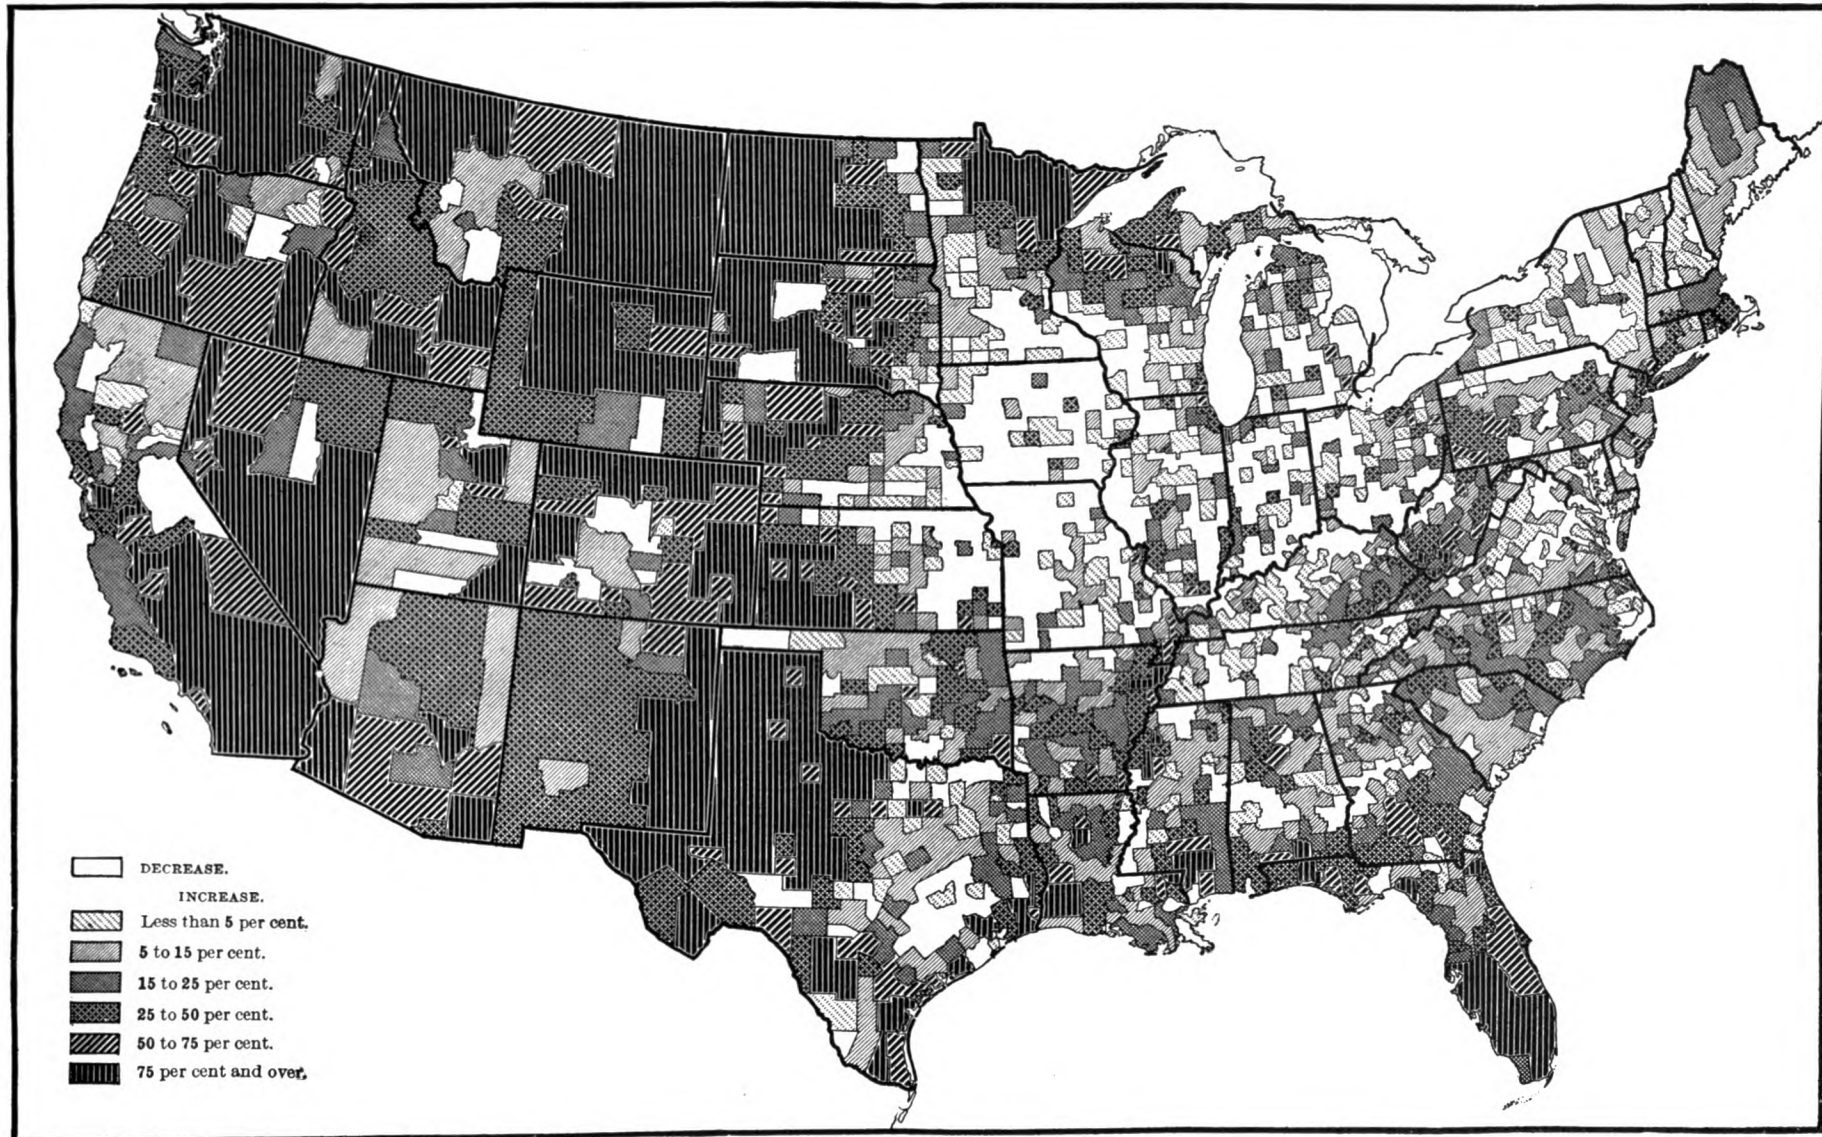

RURAL POPULATION PER SQUARE MILE, BY COUNTIES: 1910.

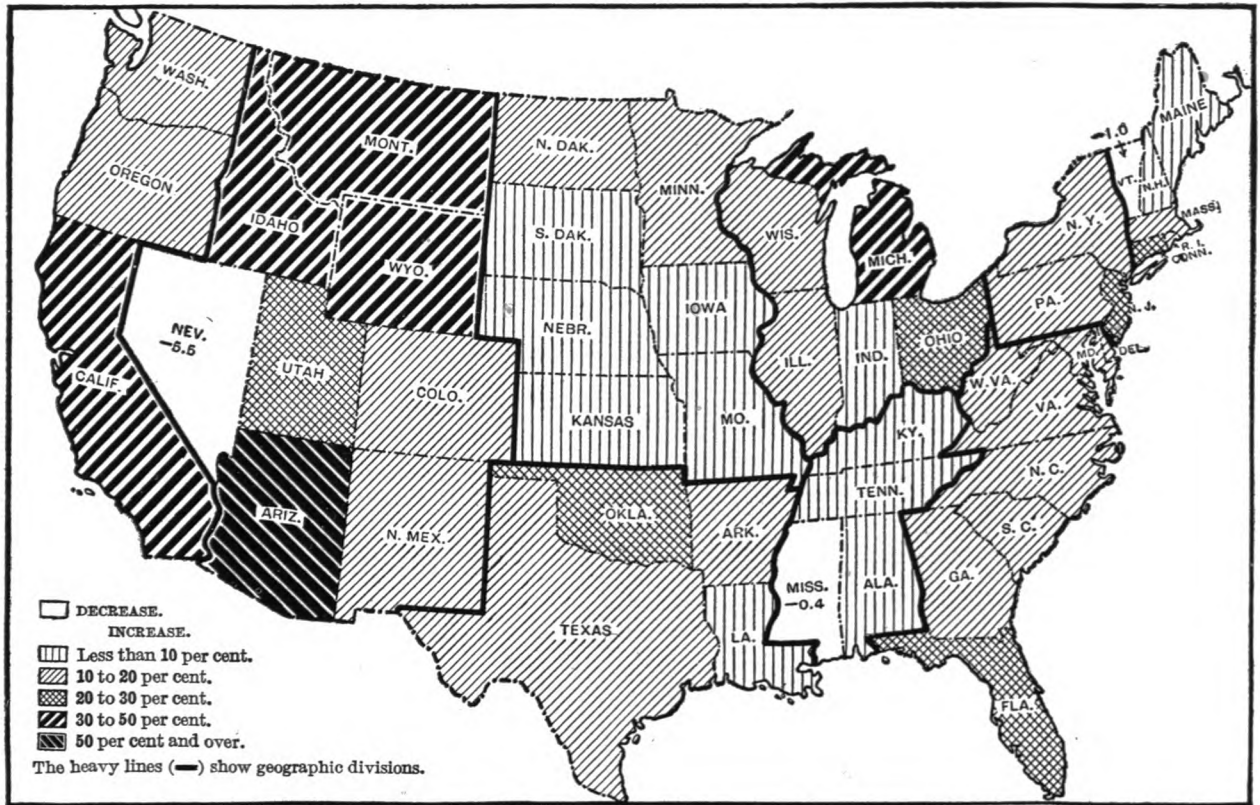

PER CENT OF INCREASE OR DECREASE IN TOTAL POPULATION, BY COUNTIES: 1910-1920.

PER CENT OF INCREASE OR DECREASE IN TOTAL POPULATION, BY COUNTIES: 1900-1910.

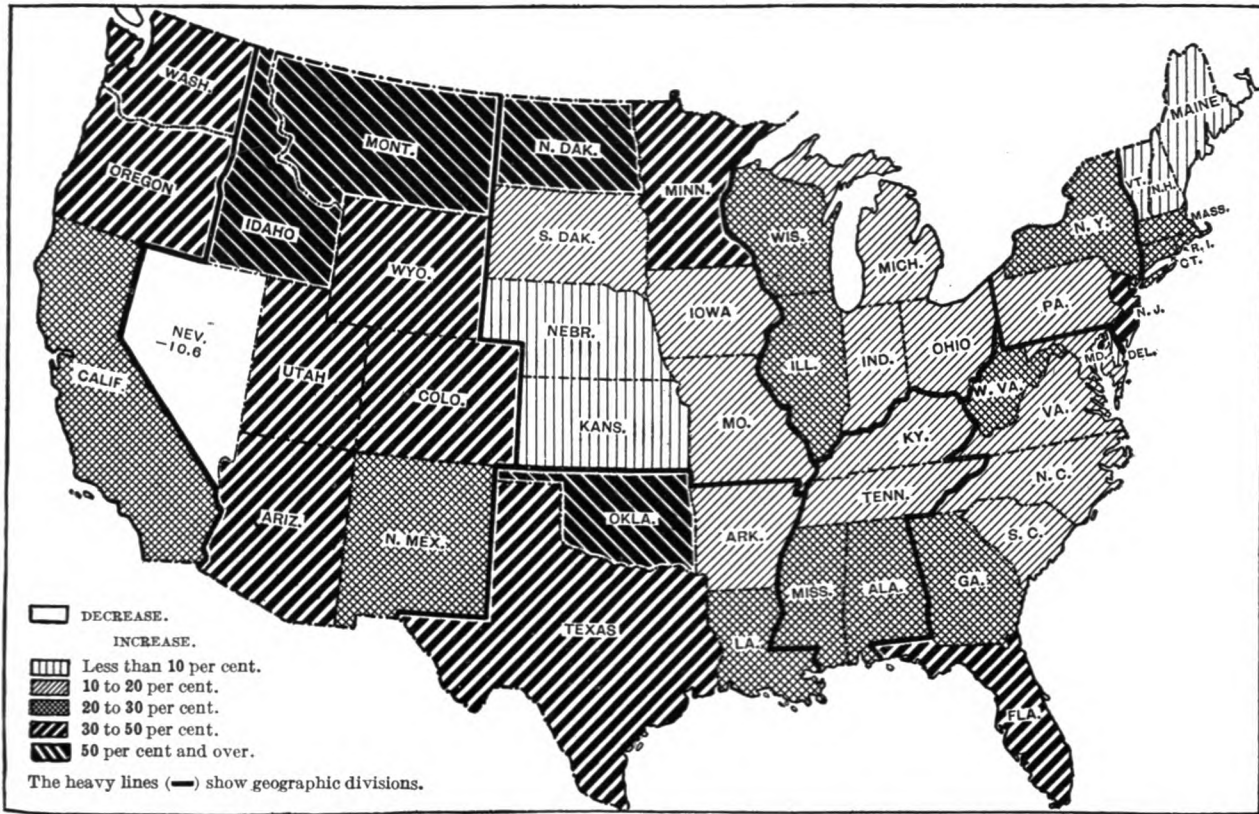

1. PER CENT OF INCREASE OR DECREASE IN TOTAL POPULATION, BY STATES: 1910-1920.

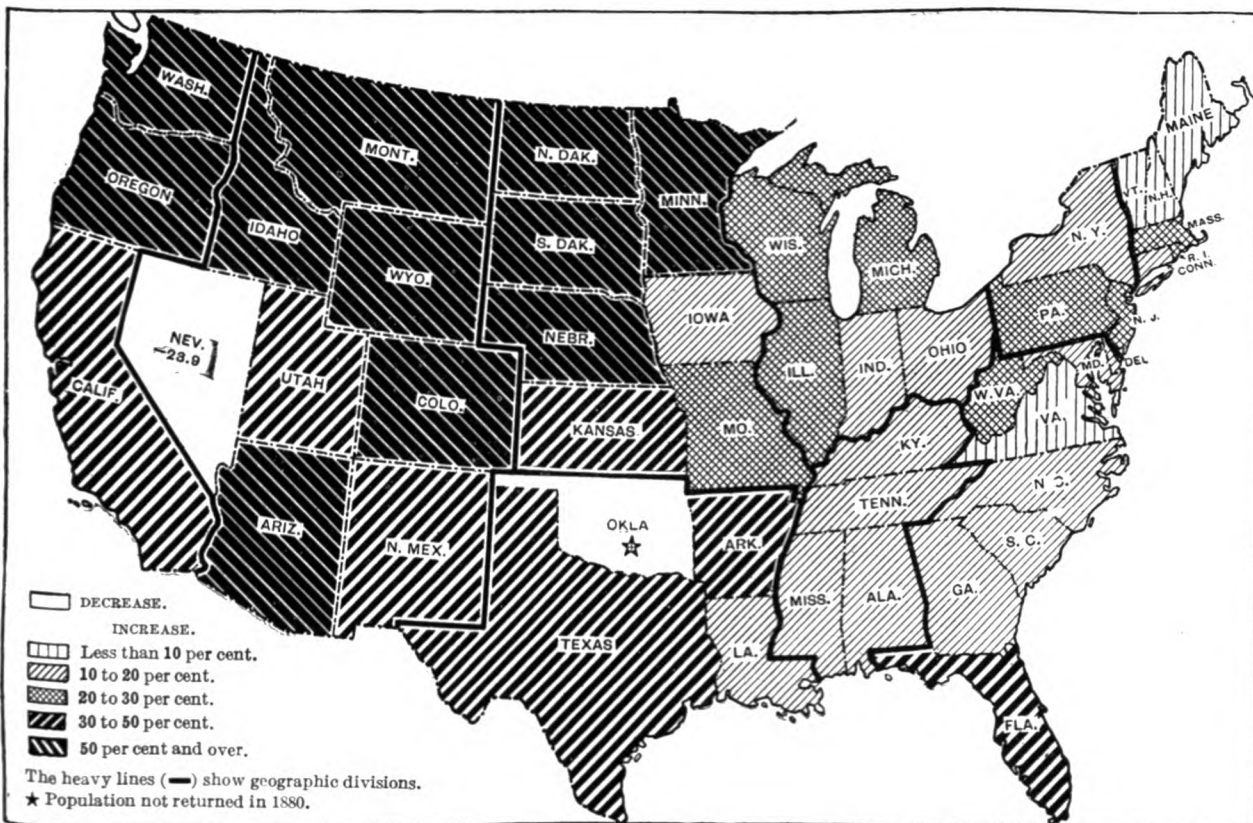

2. PER CENT OF INCREASE OR DECREASE IN TOTAL POPULATION, BY STATES: 1900-1910.

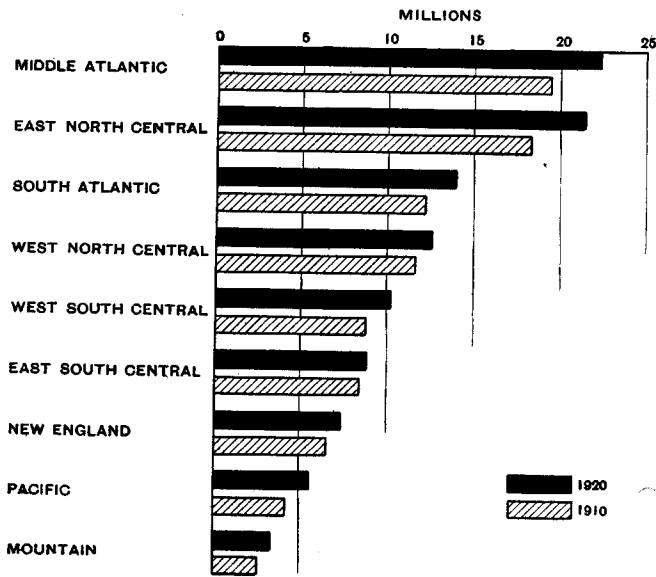

1. PER CENT OF INCREASE OR DECREASE IN TOTAL POPULATION, BY STATES: 1890-1900.

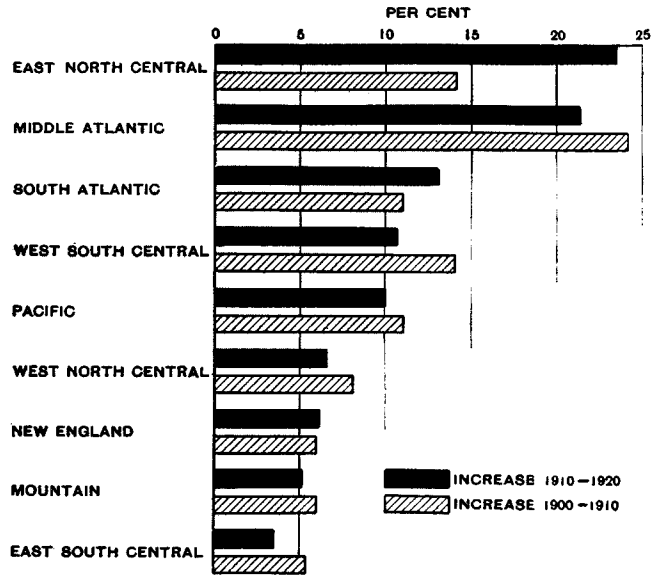

2. PER CENT OF INCREASE OR DECREASE IN TOTAL POPULATION, BY STATES: 1880-1890.

1. TOTAL POPULATION, BY GEOGRAPHIC DIVISIONS:  
1920 AND 1910.

2. DISTRIBUTION OF THE PER CENT OF INCREASE IN TOTAL POPULATION, BY GEOGRAPHIC DIVISIONS: 1910-1920 AND 1900-1910.

3. INCREASE IN POPULATION, BY GEOGRAPHIC DIVISIONS:  
1910-1920.

4. PER CENT OF INCREASE IN TOTAL POPULATION OF THE UNITED STATES AND EACH GEOGRAPHIC DIVISION: 1910-1920 AND 1900-1910.

1. GROWTH OF POPULATION IN AREA ENUMERATED IN 1790, WITH GROWTH IN REMAINDER OF COUNTRY: 1790-1920.

2. COMPARISON OF RATE OF INCREASE IN TOTAL POPULATION WITH RATE OF CHANGE OF IMMIGRATION: 1850-1920.

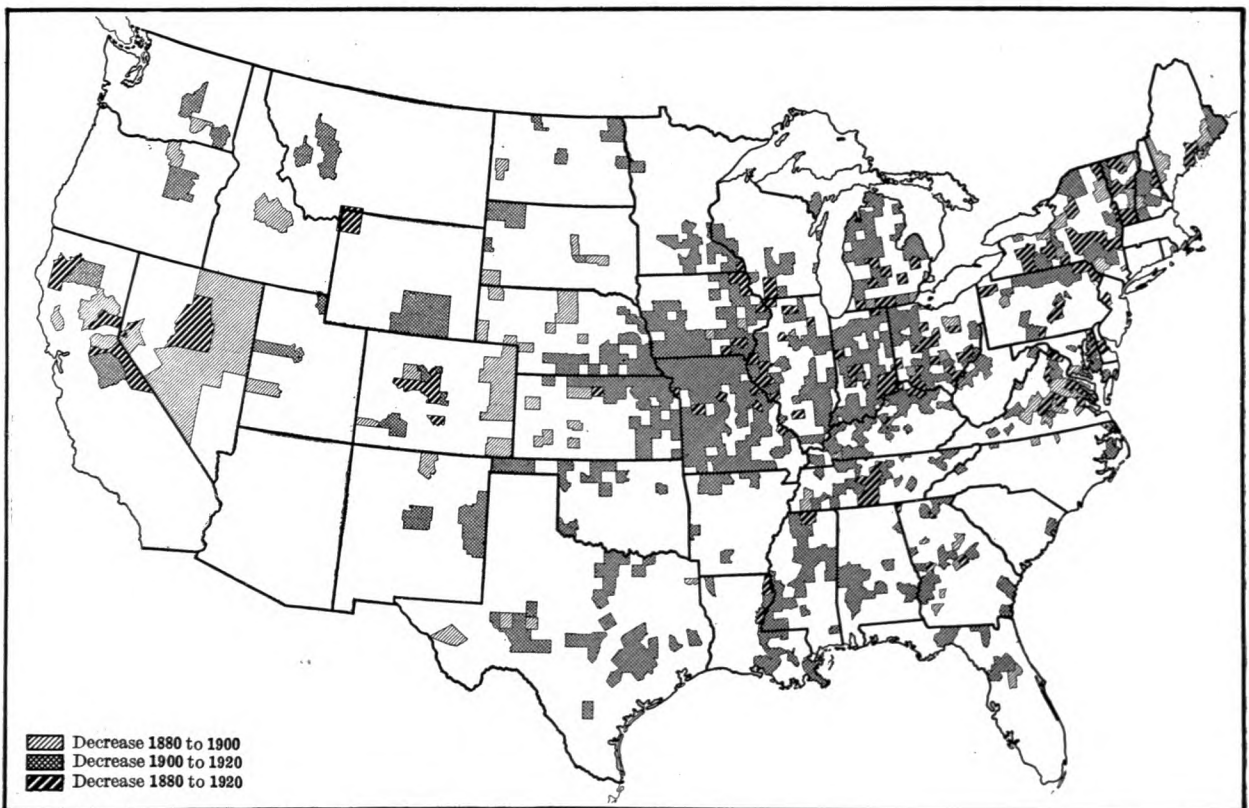

1. COUNTIES (SHADED) IN WHICH POPULATION DECREASED: 1910-1920.

2. COUNTIES IN WHICH POPULATION DECREASED: 1880-1920.

1. TOTAL POPULATION, BY STATES: 1920 AND 1910.

2. PER CENT OF INCREASE IN TOTAL POPULATION, BY STATES: 1910-1920 AND 1900-1910.

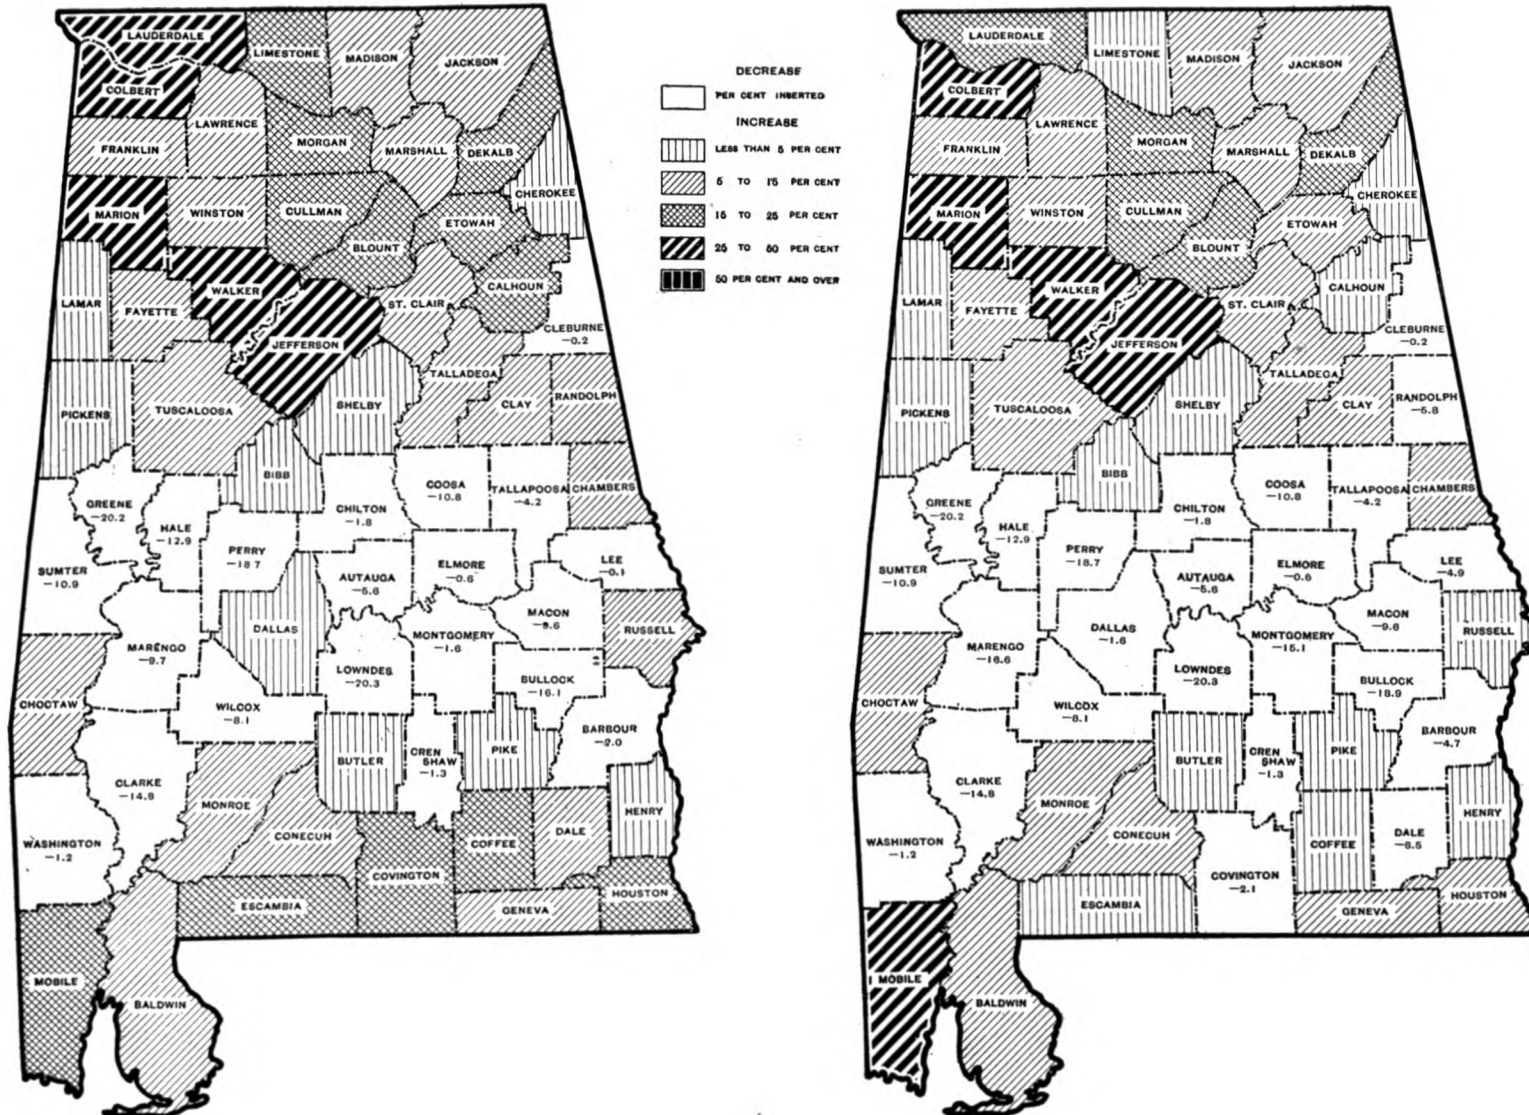

PER CENT OF INCREASE OR DECREASE IN POPULATION OF ALABAMA, BY COUNTIES: 1910-1920.

Rural population is defined as that residing outside of incorporated places having 2,500 inhabitants or more.

TOTAL POPULATION.

RURAL POPULATION.

(42)

PER CENT OF INCREASE OR DECREASE IN POPULATION OF ARIZONA, BY COUNTIES: 1910-1920.

Rural population is defined as that residing outside of incorporated places having 2,500 inhabitants or more.

TOTAL POPULATION.
