**WASHINGTON** -- The U.S. Department of the Treasury announced today that it priced a secondary public offering of 52,093,973 warrants to purchase common stock of The Hartford Financial Services Group, Inc. (the "Company") at \$13.70 per warrant. The aggregate net proceeds to Treasury from the offering are expected to be \$706,264,560. These proceeds provide an additional return to the American taxpayer from Treasury's investment in the Company beyond the dividend payments it received on the related preferred stock.

The closing is expected to occur on or about September 27, 2010, subject to customary closing conditions. The offering was priced through a modified Dutch auction. Deutsche Bank Securities Inc. is the sole book-running manager and Aladdin Capital LLC, Cabrera Capital Markets, LLC, Lebenthal & Co., LLC, Sanford C. Bernstein & Co., LLC and SL Hare Capital, Inc. are the co-managers for this offering. This offering represents Treasury's sale of its remaining investment in the Company.

The warrants were offered pursuant to an effective shelf registration statement that was filed by the Company with the Securities and Exchange Commission (the "SEC"). A preliminary prospectus supplement relating to the offering was filed with the SEC on September 20, 2010, and a final prospectus supplement will be filed by the Company with the SEC and will be available on the SEC's website at <http://www.sec.gov>.
