

Statement by Secretary Mnuchin on National Security Strategy

December 18, 2017

Washington – U.S. Treasury Secretary Steven T. Mnuchin issued the following statement today on President Donald J. Trump’s National Security Strategy:

“President Trump’s National Security Strategy protects our national interests and embraces ideals such as peace through strength in order to promote American prosperity. Treasury plays a vital role in promoting growth and sound security policies in the United States and abroad. We will leverage our powerful financial sanctions and other tools to counter rogue regimes, terrorists, and others who threaten American ideals. Treasury will implement The President’s vision by leading freer growth policies in the international financial institutions and advancing fundamental principles of free, fair and reciprocal trade.
