<i>Removing Obstructions in Mississippi, Atchafalaya, and Old Rivers</i>	\$100,000.00	\$100,000.00
<i>Operating Snag and Dredge Boats on Upper Mississippi, Illinois, and Minnesota Rivers</i>	25,000.00	25,000.00

That for the purpose of securing the uninterrupted work of operating snag boats on the upper Mississippi River, and of removing snags, wrecks, and other obstructions in the Mississippi River, the Secretary of War, upon the application of the Chief of Engineers, is hereby authorized to draw his warrant or requisition from time to time upon the Secretary of the Treasury for such sums as may be necessary to do such work, not to exceed in the aggregate for each year the amounts appropriated in this act for such purposes: *Provided, however*, That an itemized statement of such expenses shall accompany the annual report of the Chief of Engineers.

That the annual appropriation for operating snag boats on the upper Mississippi River, made by section 7 of the act of August 11, 1888 (U. S. C., [p. 1083] title 33, sec. 605), entitled "An act making appropriations for the construction, repair, and preservation of certain public works on rivers and harbors, and for other purposes," is hereby made available for similar purposes on the Illinois River, from its mouth to Copperas Creek.

The permanent annual appropriation for the removal of snags in the Mississippi River, under the river and harbor act of August 11, 1888 (U. S. C., [p. 1083] title 33, sec. 604), shall be available for the removal of snags and other floating and sunken obstructions in the Atchafalaya and Old Rivers from the junction with the Mississippi and Red Rivers down the Atchafalaya River as far as Melville, Louisiana, and so much of said appropriation as the Secretary of War may deem necessary may be expended for such removal.

That the annual appropriation for operating snag boats on the upper Mississippi River, made by section 7 of the river and harbor act of August 11, 1888 (U. S. C., [p. 1083] title 33, sec. 605), is hereby made available for similar purposes on the Minnesota River and other tributaries of the upper Mississippi River now or heretofore improved by the United States (U. S. C., title 33, secs. 604, 605).

ESTIMATES OF APPROPRIATIONS REQUIRED FOR THE SERVICE OF THE FISCAL YEAR ENDING JUNE 30, 1931.

General object (title of appropriation), date of acts, references to United States Code or Statutes at Large, and estimated amount required for each detailed object	Total amount to be appropriated under each head of appropriation	Amount appropriated for the fiscal year ending June 30, 1930																																																												
<div>CHAPTER XIII.—DISTRICT OF COLUMBIA</div> <div>Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in order to defray the expenses of the District of Columbia for the fiscal year ending June 30, [1930] 1931, any revenue (not including the proportionate share of the United States in any revenue arising as the result of the expenditure of appropriations made for the fiscal year 1924 and prior fiscal years) now required by law to be credited to the District of Columbia and the United States in the same proportion that each contributed to the activity or source from whence such revenue was derived shall be credited wholly to the District of Columbia, and, in addition, \$9,000,000 is appropriated, out of any money in the Treasury not otherwise appropriated, to be advanced July 1, [1929] 1930, and all the remainder out of the combined revenues of the District of Columbia, and the tax rate in effect in the fiscal year [1929] 1930 on real estate and tangible personal property subject to taxation in the District of Columbia shall be continued for the fiscal year [1930] 1931, namely:</div> <div>Executive Office, District of Columbia— For personal services, [\$49,160] \$49,420, plus so much as may be necessary to compensate the engineer commissioner at such rate in grade 8 of the professional and scientific service of the classification act of 1923, as amended, as may be determined by the Board of Commissioners: <i>Provided</i>, That in expending appropriations or portions of appropriations contained in this act for the payment for personal services in accordance with the classification act of 1923, as amended [(U. S. C., pp. 65-71, secs. 661-673, 45 Stat., pp. 776-785)] (U. S. C., title 5, secs. 661-673; U. S. C., Supp. III, title 5, sec. 673), the average of the salaries of the total number of persons under any grade in any bureau, office, or other appropriation unit shall not at any time exceed the average of the compensation rates specified for the grade by such act, as amended, and in grades in which only one position is allocated the salary of such position shall not exceed the average of the compensation rates for the grade, except that in unusually meritorious cases of one position in a grade advances may be made to rates higher than the average of the compensation rates of the grade, but not more often than once in any fiscal year, and then only to the next higher rate: <i>Provided</i>, That this restriction shall not apply (1) to grades 1, 2, 3, and 4 of the clerical-mechanical service; (2) to require the reduction in salary of any person whose compensation was fixed, as of July 1, 1924, in accordance with the rules of section 6 of such act; (3) to require the reduction in salary of any person who is transferred from one position to another position in the same or different grade in the same or a different bureau, office, or other appropriation unit; or (4) to prevent the payment of a salary under any grade at a rate higher than the maximum rate of the grade when such higher rate is permitted by the classification act of 1923, as amended, and is specifically authorized by other law (act Feb. 25, 1929, vol. 45, pp. 1262-1263)</div>			\$49,420.00	\$49,160.00

Water Department, District of Columbia—Continued. For purchase and installation of one twenty-million gallon turbo pump at the Bryant Street pumping station, including economizer and generator (submitted)----- 20,000,000-gallon pump, etc.: Expenditures—1931, \$75,000. The appropriation of \$105,000 contained in the District of Columbia appropriation act for the fiscal year 1930 for three thousand four hundred and fifty feet of thirty-six inch main in M Street northwest, from Eleventh Street to New Jersey Avenue, is hereby reappropriated and made immediately available for three thousand eight hundred and fifty feet of thirty-six inch main in Eleventh Street northwest, from Florida Avenue to Kenyon Street, and west in Kenyon Street to Thirteenth Street northwest. The Commissioners of the District of Columbia are authorized and directed to transfer \$20,729.90 from the general revenues of the District of Columbia to the credit of the revenues of the water department of said District, said amount being the sum paid from the revenues of the water department for the acquisition of parcel 72/1, containing 9.013 acres; and the said Commissioners are further authorized and directed to transfer said parcel 72/1 to the jurisdiction of the Director of Public Buildings and Public Parks as a part of the park system of the District of Columbia.	\$75,000.00

Total, District of Columbia, excluding permanent and indefinite appropriations-----	45,397,728.00	41,487,615.00
INDEFINITE APPROPRIATIONS		
Refunding Taxes, District of Columbia— For payment of amounts collected by the District erroneously on account of taxes, fines, fees, and similar charges which are returned to the respective parties who may have erroneously paid the same (chargeable to the revenues of the District of Columbia) (act June 11, 1873, vol. 20, pp. 102-108, secs. 3, 4)----- Refunding taxes: Expenditures—1931, \$60,000; 1930, \$55,000; 1929, \$62,933.	60,000.00	55,000.00
Extension, etc., of Streets and Avenues, District of Columbia— In the various appropriations on account of extension of streets and avenues in the District of Columbia, it has been the practice to make the payment of the amount awarded as damages resulting from condemnation proceedings indefinite, inasmuch as no estimate could be made as to the amount that would be awarded by the jury of condemnation in the several causes (chargeable to the revenues of the District of Columbia) (act Mar. 3, 1899, vol. 30, p. 1345, sec. 6)----- Extension, etc., of streets and avenues, District of Columbia: Expenditures—1931, \$250,000; 1930, \$500,000; 1929, \$7,354.	250,000.00	500,000.00
SPECIAL AND TRUST FUNDS		
Industrial Home School Fund, District of Columbia— This fund is derived from collections made on account of farm and greenhouse products by inmates of said school, and is used for miscellaneous expenses of maintenance, and so forth, on account of that institution (act June 11, 1896, vol. 29, p. 411, sec. 91). Industrial Home School fund, District of Columbia: Expenditure—1929, \$142.		
Escheated Estates Relief Fund, District of Columbia— This fund is derived from proceeds of sale of effects of deceased persons in the District who die leaving no heirs or next of kin, and is expended for the benefit of the poor of the District (act Mar. 3, 1901, vol. 31, p. 1251, sec. 388)----- Escheated estates relief fund, District of Columbia: Expenditures—1931, \$2,500; 1930, \$2,500; 1929, \$1,940.	2,500.00	2,500.00
Teachers' Retirement Fund Deductions, District of Columbia— Indefinite appropriation of the amounts deducted from the basic salaries of teachers of the public schools of the District of Columbia, to be deposited in the Treasury of the United States to the credit of an individual account of the teacher from whose salary the deduction is made. The fund thus created to be held and invested until paid out as provided in the acts of Congress in relation thereto (acts Jan. 15, 1920, vol. 41, p. 387, secs. 1, 2; June 5, 1920, vol. 41, p. 852; June 11, 1926, vol. 44, p. 727)----- Teachers' retirement fund deductions, District of Columbia: Expenditures—1931, \$360,000; 1930, \$360,000; 1929, \$62,940.	360,000.00	390,000.00

<p>Sec. 2. That the services of draftsmen, assistant engineers, levelers, transitmen, rodmen, chainmen, computers, copyists, overseers, and inspectors temporarily required in connection with sewer, street, street-cleaning, or road work, or construction and repair of buildings and bridges, or any general or special engineering or construction work authorized by appropriations may be employed exclusively to carry into effect said appropriations when specifically and in writing ordered by the commissioners, and all such necessary expenditures for the proper execution of said work shall be paid from and equitably charged against the sums appropriated for said work; and the commissioners in their Budget estimates shall report the number of such employees performing such services, and their work, and the sums paid to each, and out of what appropriation: <i>Provided</i>, That the expenditures hereunder shall not exceed \$30,000 during the fiscal year [1930] 1931: <i>Provided further</i>, That, excluding five inspectors in the sewer department no person shall be employed in pursuance of the authority contained in this paragraph for a longer period than nine months in the aggregate during the fiscal year.</p> <p>The commissioners are further authorized to employ temporarily such laborers, skilled laborers, drivers, hostlers, and mechanics as may be required exclusively in connection with sewer, street, and road work, and street cleaning, or the construction and repair of buildings and bridges, furniture and equipments, and any general or special engineering or construction or repair work, and to incur all necessary engineering and other expenses, exclusive of personal services, incidental to carrying on such work and necessary for the proper execution thereof, said laborers, skilled laborers, drivers, hostlers, and mechanics to be employed to perform such work as may not be required by law to be done under contract, and to pay for such services and expenses from the appropriations under which such services are rendered and expenses incurred.</p>		

Estimates of appropriations required for the service of the fiscal year ending June 30, 1931—Continued

General object (title of appropriation), date of acts, references to United States Code or Statutes at Large, and estimated amount required for each detailed object	Total amount to be appropriated under each head of appropriation	Amount appropriated for the fiscal year ending June 30, 1930
<p>SEC. 3. That all horses, harness, horse-drawn vehicles necessary for use in connection with construction and supervision of sewer, street, street lighting, road work, and street-cleaning work, including maintenance of said horses and harness, and maintenance and repair of said vehicles, and purchase of all necessary articles and supplies in connection therewith, or on construction and repair of buildings and bridges, or any general or special engineering or construction work authorized by appropriations, may be purchased, hired, and maintained and motor trucks may be hired exclusively to carry into effect said appropriations, when specifically and in writing ordered by the commissioners; and all such expenditures necessary for the proper execution of said work, exclusive of personal services, shall be paid from and equitably charged against the sums appropriated for said work; and the commissioners in the Budget estimates shall report the number of horses, vehicles, and harness purchased, and horses and vehicles hired, and the sums paid for same, and out of what appropriation; and all horses owned or maintained by the District shall, so far as may be practicable, be provided for in stables owned or operated by said District: <i>Provided</i>, That such horses, horse-drawn vehicles, and carts as may be temporarily needed for hauling and excavating material in connection with works authorized by appropriations may be temporarily employed for such purposes under the conditions named in section 2 of this act in relation to the employment of laborers, skilled laborers, and mechanics.</p>		
<p>SEC. 4. The commissioners are further authorized to employ temporarily such laborers, skilled laborers, and mechanics as may be required in connection with water-department work, and to incur all necessary engineering and other expenses, exclusive of personal services, incidental to carrying on such work and necessary for the proper execution thereof, said laborers, skilled laborers, and mechanics to be employed to perform such work as may not be required by existing law to be done under contract, and to pay for such services and expenses from the appropriation under which such services are rendered and expenses incurred.</p>		
<p>SEC. 5. That the commissioners are authorized to employ in the execution of work, the cost of which is payable from the appropriation account created in the District of Columbia appropriation act, approved April 27, 1904, and known as the miscellaneous trust-fund deposits, District of Columbia, all necessary inspectors, overseers, foremen, sewer tappers, skilled laborers, mechanics, laborers, special policemen stationed at street-railway crossings, one inspector of gas fittings, two janitors for laboratories of the Washington and Georgetown Gas Light Companies, market master, assistant market master, watchman, two bookkeepers in the auditor's office, clerk in the office of the collector of taxes, horses, carts, and wagons, and to hire therefor motor trucks when specifically and in writing authorized by the commissioners, and to incur all necessary expenses incidental to carrying on such work and necessary for the proper execution thereof, including the purchase, exchange, maintenance, and operation of motor vehicles for inspection and transportation purposes, such services and expenses to be paid from said appropriation account.</p>		
<p>Any person employed under any of the provisions of this act who has been employed for ten consecutive months or more shall not be denied the leave of absence with pay for which the law provides.</p>		
<p>SEC. 6. That the commissioners and other responsible officials, in expending appropriations contained in this act, so far as possible shall purchase material, supplies, including food supplies and equipment, when needed and funds are available, in accordance with the regulations and schedules of the General Supply Committee or from the various services of the Government of the United States possessing material, supplies, passenger-carrying and other motor vehicles, and equipment no longer required because of the cessation of war activities. Surplus articles purchased from the Government, if the same have not been used, shall be paid for at a reasonable price, not to exceed actual cost, and if the same have been used, at a reasonable price based upon length of usage. The various services of the Government of the United States are authorized to sell such surplus articles to the municipal government under the conditions specified, and the proceeds of such sales shall be covered into the Treasury as miscellaneous receipts: <i>Provided</i>, That this section shall not be construed to amend, alter, or repeal the Executive order of December 3, 1918, concerning the transfer of office materials, supplies, and equipment in the District of Columbia falling into disuse because of the cessation of war activities.</p>		
<p>[SEC. 7. Of the appropriations for the fiscal years 1929 and 1930, respectively, toward financing the liability of the United States created by the act entitled "An act for the retirement of employees in the classified civil service, and for other purposes," approved May 22, 1920, and acts amendatory thereof, the sum of \$150,000 for each of such fiscal years shall be charged to the revenues of the District of Columbia and such sums shall be transferred from the revenues of the District to the credit of the United States on account of the retirement of District of Columbia personnel under such acts.]</p>
