Hopkins gives details of project sponsorship under Works Progress Administration.

Harry L. Hopkins, Works Progress Administrator, today made available to the press copies of the "Preliminary Statement of Information for Sponsors of Works Progress Administration Projects" with which the State Works Progress Administrators have been supplied.

These statements will be available throughout the country to prospective project sponsors through the local works progress administrations.

The highlights of this information were released to the press June 17 in Works Program release number 4-31. Sufficient printed copies have just become available.

A copy of the statement is attached.
