--Works Progress Administration--

For Immediate Release
Thursday, December 17, 1936.

Ingram Appointed State WPA Administrator for Florida.

Frank P. Ingram, district director of the Works Progress Administration at Tampa, Fla., today was appointed State Administrator by Administrator Harry L. Hopkins. He will succeed E. A. Pynchon, who has resigned. The appointment is effective December 21 and State Headquarters will remain in Jacksonville.

Mr. Ingram was born in Dade City, Fla., in 1896, where he entered the practice of law following graduation from the University of Florida and Cumberland University. He later transferred his law offices to Tampa and from 1934 to 1935 was in charge of legal work for the right-of-way division of the State Highway Department in South Florida.

As district director of the Works Progress Administration, Mr. Ingram has been in charge of numerous large projects along the lower Gulf coast since October 12, 1935.
