^{1/} Beginning with June 1949, Passaic figures exclude two formerly reporting banks in Clifton. These banks were absorbed by a reporting bank in Paterson, branches were established at their offices, and their figures included with Paterson. Previous monthly figures were not revised, but the effect was to increase Paterson figures by approximately 7 per cent and decrease Passaic by approximately 10 per cent. Paterson figures were also revised beginning with January 1949 to include an additional bank which would have increased 1948 figures by about 6 per cent.
