Note: An Industrial Production Chart Book is now available showing the 102 major market and industry groupings listed on pages 2-5 of this release, with and without seasonal adjustment, and 100 subtotals and individual series from pages 6-8. All series begin in January 1947, while the total index and major industry divisions are charted back to 1919. Grids are enclosed to facilitate plotting current figures through 1962. Single copies may be ordered from the Division of Administrative Services at \$1.75 each; in orders of 10 or more they are \$1.50 per copy.
