In the interest of simplification, the Summary omits reported data with respect to initial holdings (reported on Form F-7), purchases and sales aggregating less than 50 shares during the month for which the report is filed, stock splits, stock dividends, rights, and gifts. The underlying reports may be inspected at the Federal Reserve Board offices, Washington, D.C. Publication of this information is in no sense a representation that it is correct or complete.

On the following pages, the name of the bank is followed by the name of the person reporting and his relationship to the bank. Unless otherwise indicated, all transactions involve the bank's common stock. Any indirect interest (through holding companies, partnerships, trusts, family ownership, etc.) is shown below the direct interest.
