Retail Instalment Credit at Furniture, Household Appliance, and Jewelry Stores

## JANUAEY 1949

Insta?ment accounts outstanding at furniturc, household appliance, and jewelry stores declined as is usual in January. it furniture and household anpliance stores, the declines in instalment accounts receivable were somewhat larger than in the two preceding years, but at jewelry stores the decrease was of about the same proportion as in the corresponding period of 1948. On January 31 amounts outstanding at household appliance and jewelry stores showed year-to-year gairs of 53 per cent and 14 per cert, respectively. Furniture store accounts receivable were up about one-fifth over the year-period.

The rate of repayment on instalment accounts in danuary was. less rapid than in the preceding monti: for the three kinds of business. Collections curing the morith mounted to 16 per cent of accounts outstanding on the first of the month for furniture stores, 27 per cent for household appliance stores, and 18 per cent for jewelry stores.
