## CHANGES IN COMMERCIAL AND INDUSTRIAL LOANS BY INDUSTRY

The net change in commercial and industrial loans at weekly reporting member banks during the week ended. June 25, was a decrease of $\$ 23$ million. The larger net decreases were $\$ 28$ million in loans to sales finance companies, $\$ 9$ million to public utilities, and $\$ 15$ million to unclassified borrowers. Offsetting net increases included $\$ 10$ million in loans to "other" manufacturing and mining, $\$ 9$ million to the construction industry, and $\$ 8$ million each to manufacturers and producers of petroleum, coal, chemicals, and rubber products, and to cormodity dealers.

Changes in loans during the week and since the last Wednesday in December are shown below; the third column shows the changes during the comparable period last year.
