Note to Users of H.12 Release, Changes in Commercial and Industrial Loans by Industry

The attached tables show estimates of the dollar amount and number of business loans outstanding on October 5, 1955 and October 16, 1957 at member banks supplying data for the Board's weekly release, Changes in Commercial and Industrial Loans by Industry (H.12), and at all other member banks. These estimates are based on data obtained in the 1955 and 1957 Business Loan Surveys. Tables comparable to the attached, but showing data for 1955 only, were previously distributed with the H.12 release of June 11, 1958. Owing to errors in the figures for wholesale trade and commodity dealers appearing in those tables, they should be discarded.
