COMMERCIAL AND INDUSTRIAL LOANS OUTSTANDING BY INDUSTRY

There was no net change in the total of commercial and industrial loans during the week ended December 23. The principal net increases in industry categories were \$83 million in loans to transportation, communications, and other public utilities, \$52 million to the mining industry, which includes producers of petroleum and natural gas, \$45 million in bankers' acceptances, and \$27 million to "all other" types of business concerns.

The larger net decreases were \$117 million in loans to retail trade, \$32 million to manufacturers of textiles, apparel, and leather products, and \$28 million to commodity dealers and to the construction industry.

The outstanding loans and changes during the week and since mid-year are shown below; fourth column shows the changes during the comparable period last year.
