H.15 (519)

SELECTED INTEREST RATES

For immediate release

March 7, 1997

NOTICE

The H.15 release currently includes interest rates on commercial paper that are obtained from a survey of dealers. To improve the accuracy of the commercial paper rates reported by the Federal Reserve, these series will be replaced with ones based on data derived through the settlement of commercial paper trades by the Depository Trust Company. The date of the change-over has not yet been determined. Further information will be released in coming weeks.
