^{1/} Data on member bank reserves prior to April, 1967 are adjusted to eliminate effects of changes in reserve requirement percentages.

^{2/} Components may not add to totals due to rounding.

^{3/} Private demand deposits include all demand deposits except those due to U.S. Gov't. less cash items in process of collection and demand balances due from domestic commercial banks.

^{4/} Aggregate reserves have been adjusted for change in reserve requirements held against net demand deposits effective at mid-month.
