p - Preliminary

2/ Components may not add to totals due to rounding.

NOTE: Back data are available on request from the Banking Section, Division of Research and Statistics,

Board of Governors of the Federal Reserve System, Washington, D.C. 20551.

* - Break in series due to the withdrawal on January 2, 1969, of a large member bank from the System. The effect of this withdrawal is to reduce total deposits about \$400 million, about equally distributed between time and Digitized for and deposits.

^{1/} Data on member bank reserves prior to January, 1968 are adjusted to eliminate effects of changes in reserve requirement percentages. Includes increases in required reserves due to changes in Regulations M and D of approximately \$400 million since October 16, 1969.

⁷ Private demand deposits include all demand deposits except those due to U.S. Gov't. less cash item in process of collection and demand balances due from domestic commercial banks.
