

Form F. R. 284  
For immediate releaseCondition of Weekly Reporting Member Banks in Leading Cities

The condition statement of weekly reporting member banks in 101 leading cities shows the following principal changes for the week ended June 6: Increases of \$250,000,000 in loans, \$454,000,000 in holdings of United States Government obligations, \$305,000,000 in demand deposits adjusted, and \$373,000,000 in deposits credited to domestic banks.

Commercial, industrial, and agricultural loans increased \$53,000,000. Loans to brokers and dealers for purchasing or carrying United States Government obligations declined \$81,000,000 in New York City and \$66,000,000 at all reporting member banks; other loans for the same purpose increased in all districts, and the total increase was \$212,000,000.

As the result of the issue of a new series of Treasury notes in exchange for maturing certificates of indebtedness and guaranteed obligations called for redemption, there were large shifts in these holdings in all districts. Holdings of Treasury bills increased \$129,000,000 in New York City, \$75,000,000 in the Chicago District, and \$173,000,000 at all reporting member banks, and declined \$44,000,000 in the St. Louis District. Holdings of United States Government bonds increased in nearly all districts, and the total increase was \$194,000,000.

Demand deposits adjusted increased in most districts, the principal increase being \$138,000,000 in New York City. United States Government deposits declined \$117,000,000 in New York City and \$74,000,000 at all reporting member banks, and increased in most of the other districts.

Deposits credited to domestic banks increased \$109,000,000 in New York City, \$74,000,000 in the Chicago District, \$49,000,000 in the Philadelphia District, and \$373,000,000 at all reporting member banks.

A summary of the assets and liabilities of reporting member banks follows:

	June 6, 1945	Increase or decrease since	
		May 30, 1945	June 7, 1944
