(For Immediate Release)

CONDITION OF WEEKLY REPORTING MEMBER BANKS IN LEADING CITIES

The condition statement of weekly reporting member banks in leading cities shows the following principal changes for the week ended August 1: An increase of \$166,000,000 in commercial, industrial, and agricultural loans; decreases of \$152,000,000 in demand deposits adjusted and \$291,000,000 in United States Government deposits; and an increase of \$244,000,000 in borrowings.

Commercial, industrial, and agricultural loans increased in all but one district; the principal increases were \$98,000,000 in New York City, \$20,000,000 in the San Francisco District, \$15,000,000 in the Chicago District, and \$11,000,000 in the Cleveland District, and there was a decrease of \$11,000,000 in the Boston District. Loans to brokers and dealers for purchasing or carrying United States Government securities decreased \$106,000,000. Loans to banks decreased \$111,000,000.

Substantial decreases in holdings of Treasury notes and increases in holdings of Treasury certificates of indebtedness occurred in most districts; they totaled \$820,000,000 and \$725,000,000, respectively, partially reflecting the exchange of maturing notes for a new certificate issue. Holdings of Treasury bills increased \$157,000,000 in New York City and decreased \$24,000,000 in the Dallas District; there was a net increase of \$148,000,000 at all reporting member banks. Holdings of "other securities" decreased \$40,000,000.

Demand deposits adjusted decreased \$92,000,000 in New York City, \$46,000,000 in the Chicago District outside of Chicago, and \$31,000,000 in the San Francisco District, and they increased \$56,000,000 in the Philadelphia District. Demand deposits credited to domestic banks increased \$108,000,000.

Borrowings increased \$167,000,000 in New York City and \$49,000,000 in the San Francisco District.

A summary of assets and liabilities of reporting member banks follows:
