NOTE: The lower panel of this table now presents data for both mutual and federal savings banks.

N.A. - Data not available.

1. Estimates are based on data collected by the Federal Reserve from a stratified random sample of about 550 banks and 80 savings banks.

2. As of January 1, 1986 interest rate ceilings were removed from all NOW accounts. Beginning with the January 1986 data the NOW account category includes all NOW accounts, including those accounts which were subject to a 5.25 percent regulatory interest rate restriction prior to January 1, 1986. Estimates for this category are based on reports of deposits. The NOW account rate is reported as a simple annual rate.

3. Money market deposit accounts (MMDAs)--Deposits with no required minimum maturity but institutions must reserve the right to require at least seven day's notice prior to withdrawal, no restrictions on depositor eligibility, or limitations on the amount of interest that may be paid; such accounts may allow up to six transfers per month, no more than three of which may be draft and may permit unlimited withdrawals by mail, messenger, or in person. Estimates for this category are based on reports of deposits. The MMDA rate is reported as a simple annual rate.

4. Savings deposits that, because of restrictions on transactions, do not meet the definition of an MMDA. Estimates for this category are based on reports of deposits. The savings account rate is reported as a simple annual rate.

5. All interest-bearing time certificates and open account time deposits with balances of less than \$100,000, including those held in IRAs and Keogh Plan deposits. With the exception of the 7-31 and 32-91 day deposit rates, which are reported as simple annual rates, time deposit rates are annual effective yields reflecting the method of compounding reported by the individual institutions.

6. All IRA/Keogh Plan time deposits regardless of size, type of instrument in which held, or interest rate paid.

7. Includes mutual savings banks and FDIC-insured federal savings banks.
