^{1/} Figures not fully comparable with those for prior dates because of the acquisition on June 24, 1950, of the business of 22 member and nonmember banks by Bank of America, N.T. & S.A. The status of these transactions is in litigation. As a result of the acquisition, total deposits and loans are estimated to be 160 and 45 million, respectively, higher at reserve city banks than they would be otherwise, and 140 and 40 million, respectively, lower at country banks
