r--Revised

* In this week changes from the corresponding week a year ago reflect in part the fact that this year Thanksgiving Day was on November 28 whereas last year it was on November 22.

** Data not available.

The large increases shown for this week reflect in part the fact that this year Christmas fell on Wednesday and the week therefore included two days of heavy pre-Christmas shopping as compared with one day last year when Christmas fell on Tuesday. In the cities of Cleveland, St. Louis and Denver stores were closed on Monday, December 24, 1945 in addition to Christmas Day.

Comparison of sales in Buffalo and Rochester in this week affected by storms in the week ending December 22 last year.
