r--Revised

\* The large increases in this week reflect in part the fact that last year sales in the City of New York were reduced because of the closing of all business establishments on February 12 to avoid a fuel shortage, those in the City of Philadelphia were reduced because of a curtailment in public transportation service on February 11 and 12, and those in Pittsburgh were reduced because stores were closed on February 12 owing to a power shortage.

\*\* Data not available.

# Sales in Milwaukee were reduced because of snow storm.
