r--Revised.

* Data not available.

- 1/ During March changes from a year ago reflect in part the fact that last year Easter was on April 21 while this year it will be on April 6. For this reason it is estimated that in comparison with last year allowance should be made for an increase in sales of about 3 per cent for the month of March as a whole.
- 2/ Sales in the week ending February 22, 1947 were sharply reduced because of heavy snow storms along the Atlantic Coast.
- 3/ Sales in the week ending March 8, 1947 reflect the effect of a snow storm.
- 4/ Decrease for sales in the week ending March 1, 1947 reflects in part the effect of heavy snow storms.
