Revised.

- * In using year ago comparisons for the cities of New York and Newark in these weeks allowance should be made for the fact that last year there were work stoppages in the trucking industry.
- * In using year ago comparisons for the week ending September 27, 1947 allowance should be made for the fact that stores in the City of Pittsburgh were open only one day last year owing to a power shortage. No figure is shown for the week ending October 4, 1947 because stores were closed during the entire week last year.
- ** In this week sales in the cities of Miami and New Orleans reflect store closings because of a hurricane.
